Gentlemen:

This refers to your attorney's letter dated September 30, 2014 requesting special temporary authority to remain silent. You indicate that the licensee is currently repairing/replacing transmission and programming equipment. You request authority to remain silent while these tasks are being effectuated.

In light of the above, special temporary authority to remain dark pursuant to Sections 73.1740 of the Commission's Rules until April 2, 2015 IS GRANTED.

During this period of discontinued operation, you are directed to pay strict attention to Section 73.1740 (a) (4). That is, you must continue to adhere to the requirements in your station license pertaining to the lighting of antenna structures.

We wish to point out that an extension of this request must include detailed reasons and a description of efforts being taken to return the station to full power operation.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding". The signature is written in a cursive style.
