The operation of the Stations and the income and normal operating expenses attributable thereto through 11:59:59 p.m. (Eastern Standard Time) at the end of the Closing Date (the "Effective Time") shall be for the account of the Seller (except as provided in the ASCT) and thereafter for the account of the Buyer and, if any income or expense is properly

allocable or credited, then it shall be allocated, charged or prorated accordingly. Expenses for goods or services received both before and after the Effective Time, power and utilities charges, frequency discounts, insurance premiums for any insurance policies being assigned to the Buyer, prepaid cash, time sales agreements, excess Value of Trades as required by Section 2.3(d), accounts receivable deficit as required by Section 2.6(a), commissions, wages, vacation or sick days, payroll taxes and rents and similar prepaid and deferred items (including, without limitation, accruals and deferrals under Contracts and Program License Agreements) shall be prorated between the Seller and the Buyer as of the Effective Time. At Closing, the parties shall make all known prorations and estimate any remaining prorations. The Buyer and the Seller will work in good faith to determine and resolve final prorations as promptly as practicable following Closing.

2.8 Closing. The consummation of the transactions provided for in this Agreement (the "Closing") shall take place at (a) the offices of Williams Mullen, 222 Central Park Avenue, Suite 1700, Virginia Beach, Virginia, at 11:00 a.m. on the date which is mutually set by the Seller and the Buyer and occurs within five business days after the FCC Order becomes Final and all conditions to Closing set forth in Articles 7 and 8 have been satisfied, or (b) if the Buyer waives the finality of the FCC Order, such other place, time or date as the parties may agree on in writing, within five business days after the satisfaction of all conditions to Closing set forth in Articles 7 and 8. Closing will be held by Federal Express or the electronic exchange of documents in PDF format or by facsimile, without the principals present, if feasible. The date on which the Closing is to occur is referred to herein as the "Closing Date."

ARTICLE 3 REPRESENTATIONS AND WARRANTIES OF THE SELLER

The Seller represents and warrants to the Buyer that the statements contained in this Article 3 are correct and complete as of the date of this Agreement and will be correct and complete as of the Closing Date (as though made then and as though the Closing Date were substituted for the date of this Agreement throughout this Article 3), except as set forth in the disclosure schedule delivered by the Seller to the Buyer on the date hereof and initialed by the Parties (the "Disclosure Schedule"). The Disclosure Schedule will be arranged in paragraphs corresponding to the lettered and numbered paragraphs contained in this Article 3.

3.1 Corporate Status. The Seller is a Virginia limited liability company, duly organized, validly existing and in good standing under the laws of the Commonwealth of Virginia, and is duly qualified to transact business in the State of North Carolina and every state in which the failure to be qualified would have a material adverse effect on the Stations or the Assets. The Seller has the requisite power and authority to carry on its business as it is now being conducted and to own and operate the Stations, and the Seller has the requisite power to enter into and complete the transactions contemplated by this Agreement. The Seller has no business other than the operation of the Stations. Attached as Schedule 3.1 are the Articles of Organization and the Operating Agreement and all amendments thereto of the Seller (collectively, the "Governing Documents").

3.2 No Options. No Affiliate of the Seller or any other Person has an interest in, or option to acquire, any of the Assets or any property used in the operation of the Stations.

3.3 Entity Action. All actions and proceedings necessary to be taken by or on the part of the Seller in connection with the performance, execution and delivery of this Agreement have been duly and validly taken and this Agreement has been duly and validly authorized, executed, and delivered by the Seller and constitute the legal, valid and binding obligation of the Seller enforceable against each in accordance with and subject to its terms.

3.4 No Defaults. Neither the execution, delivery and performance by the Seller of this Agreement nor the consummation by the Seller of the transactions contemplated hereby is an event that, of itself or with the giving of notice or the passage of time or both, will: (a) violate or conflict with any provision of the Governing Documents of the Seller; (b) assuming that the consents: (i) referred to in Section 5.6, (ii) required in connection with any assignment to the Buyer of the Contracts or (iii) otherwise contemplated by this Agreement are obtained, constitute a violation of, conflict with or result in any breach of or any default under, result in any termination or modification of, or cause any acceleration of any obligation of the Seller under any contract, mortgage, indenture, agreement, lease or other instrument to which the Seller is party or by which it is bound or result in the creation of any Security Interest on the Assets; (c) violate any judgment, decree, order, statute, law, rule or regulation of any court, arbitrator or government or regulatory body applicable to the Seller, the Stations or the Assets; or (d) result in the creation or imposition of any lien, charge or encumbrance against the Stations or the Assets.

3.5 Contracts, Leases, Agreements and Other Commitments. The Seller is not a party to, nor is it bound by, any written or oral contract, agreement, lease, power of attorney, guaranty, surety arrangement or other commitment related to the operation of the Stations, including, but not limited to, any contract or agreement for the purchase or sale of merchandise, programming or software or for the rendition of services, except for the Contracts listed and described on the Contract Schedules. The Seller has listed and described all Contracts (and all amendments thereto) on the Contract Schedules and provided to the Buyer complete and correct copies of all written Contracts and all amendments, modifications, extensions and renewals thereof and written summaries of all oral Contracts. The Disclosure Schedule specifies those Contracts that require consent to transfer.

3.6 Breach. Except as listed and described on Schedule 3.6, the Seller is not in violation or breach of, or in default under, any of the terms, conditions or provisions of its Governing Documents, any Program License Agreement, or other Contract or any indenture, mortgage or deed of trust or other instrument, court order, judgment, arbitration award or decree relating to or affecting the Stations or the Assets to which the Seller is a party or by which it is bound. All accrued and currently payable amounts due from the Seller under the Contracts have been paid. No other party thereto is in default or breach under any of the Contracts.

3.7 Financial Information. Attached to this Agreement as Schedule 3.7 are true and correct copies (collectively, the "Financial Statements") of the unaudited financial statements of Seller on December 31, 2008 and December 31, 2009, including an unaudited balance sheet as of such dates, an unaudited statement of operations for the period then ended and the unaudited financial statements of the Seller March 31, 2010, including an unaudited balance sheet as of such date (the "Interim Balance Sheet") and an unaudited statement of operations of the Seller for the period then ended (the "Interim Income Statements," collectively, the Interim Balance Sheets and Income Statements are the "Interim Financial Statements"). The Financial Statements: (a) have

been prepared in accordance with GAAP (except for the absence of footnotes in the unaudited statements) and (b) present fairly the financial position of the Seller as of their respective dates and the results of operations for the periods indicated in accordance with GAAP.

3.8 Liabilities. There are no liabilities or obligations of the Seller accruing or arising before the date of this Agreement, whether arising under Contracts, related to tax or non-tax matters, known or unknown as of the date of this Agreement, due or not yet due, liquidated or unliquidated, fixed, contingent or otherwise, including penalty, acceleration or forfeiture clauses in any Contract, that should be reflected in the Interim Financial Statements (the date of the Interim Balance Sheet is the "Latest Balance Sheet Date") in accordance with GAAP that are not so reflected, except liabilities that arise in the Ordinary Course of Business (none of which results from, arises out of, relates to, is in the nature of, or was caused by any breach of contract or warranty, tort, infringement or violation of law) between the Latest Balance Sheet Date, as the case may be, and the Effective Time.

3.9 Taxes. All Returns with respect to Taxes correctly reflect the amount of Taxes required to be reported and/or paid. The Seller has paid all Taxes due and payable which it is required to pay, incur or accrue before the date hereof, except to the extent that such amounts are reserved for in the Interim Balance Sheet. There are no Taxes that are past due. No consent extending the applicable statute of limitations has been filed by or with respect to the Seller with respect to any of such Taxes for any years. The Seller has withheld amounts from its employees working in its business in accordance with applicable law.

3.10 Licenses. The Seller is the holder of all licenses, permits, franchises, authorizations and approvals, including associated broadcast auxiliary and business radio authorizations or authorizations of any governmental or quasi-governmental authority required for the operation of the Stations, both analog and digital (collectively, the "Authorizations") and all of such licenses, permits and authorizations are listed on Schedule 3.10. The Authorizations are in full force and effect and have not been revoked, suspended, canceled, rescinded or terminated and have not expired. There is not pending or threatened any action by or before the FCC or any other agency of the Federal, State or local government ("Government Agency") to revoke, suspend, cancel, rescind or modify any of the Authorizations (other than proceedings to amend FCC rules of general applicability) and there is not now issued or outstanding or pending or threatened by or before the FCC or any Government Agency, any order to show cause, notice of violation, notice of apparent liability, or notice of forfeiture or complaint against the Seller or the Stations.

3.11 Additional Regulatory Matters.

(a) Reports. All reports and filings required to be filed with the FCC or any Government Agency are accurate and complete. The Seller maintains appropriate public files at the Stations as required by FCC rules. With respect to FCC licenses, permits and Authorizations of the Seller, the Seller is operating only those facilities for which appropriate Authorizations have been obtained from the FCC.

(b) RF Radiation. The operation of the Stations does not cause or result in exposure of workers or the general public to levels of radio frequency radiation in violation of FCC rule Section 1.310 or FCC OST/OET Bulletin Number 65. Renewal of the Authorizations

issued by the FCC would not constitute a "major action" within the meaning of Section 1.1301, *et seq.*, of the FCC's rules.

3.12 Business Operations. The only business the Seller has conducted since its formation is the operation of the Stations. The Seller has never engaged in the business of selling goods from inventory, of leasing tangible personal property or of developing, selling, licensing or sublicensing software, software licenses or any other Intangible Property. Schedule 3.12 lists all business addresses, trade names and names of predecessor entities used by the Seller since March 7, 2006. The Seller has not been a party to a merger, consolidation, liquidation, recapitalization or other business combination since its inception.

3.13 Approvals and Consents. The only material approvals or consents of persons or entities not a party to this Agreement that are legally or contractually required to be obtained by the Seller in connection with the consummation of the transactions contemplated by this Agreement are those which are contemplated by Section 5.6 ("Consents"). Any approvals under the Contracts or with any governmental division, regulatory authority or agency are material for purposes of this Section. No permit, license, consent, approval or authorization of, or filing with, any governmental regulatory authority or agency is required of the Seller in connection with the execution, delivery and performance of this Agreement or the consummation of the transactions contemplated hereby.

3.14 Condition of Assets.

(a) All Assets. The Assets constitute all of the assets used, useful, or necessary to conduct the operation of the Stations as presently conducted and as presently proposed to be conducted.

(b) Tangible Personal Property. Schedule 2.1(a) contains a true and complete list as of the date hereof of all items of Tangible Personal Property of every kind or description owned by the Seller, except office materials and supplies (which office supplies or any replacements thereof shall be part of the Assets). Any Tangible Personal Property that is leased by the Seller as of the date hereof, whether as lessor or lessee, is separately designated on Schedule 2.1(a) and all related lease agreements are described on Schedule 2.1(a).

(c) Good Title, Good Operating Condition. The Seller has good, valid and marketable title to or the unrestricted right to use all of the Assets owned, leased or licensed by it, in each case, free and clear of all Security Interests of every kind or character (other than Permitted Encumbrances). The Seller is the owner, lessee or licensee of all of the Tangible Personal Property listed on the Schedules to this Agreement and of all Tangible Personal Property not listed on the Schedules to this Agreement which is material to the operation of the Stations. Except as set forth on Schedule 3.14, all Tangible Personal Property, including equipment and electrical devices, is in good operating condition and repair, reasonable wear and tear excepted, and has been maintained in accordance with industry standards and any standards or guidelines imposed by the FCC.

3.15 Leased Real Property.

(a) Leases. Attached to Schedule 2.1(c) are true and complete copies of all real property lease agreements, including all amendments and modifications thereto, and all other leases or licenses or other rights to possession of any real property used or held by the Seller (the "Real Property Leases").

(b) Interests. The Seller's interest in the Leased Real Property is as set forth on Schedule 2.1(c). The Leased Real Property and all of the fixtures, towers and improvements thereon owned by the Seller (collectively, the "Owned Improvements") are in good operating condition and repair, reasonable wear and tear excepted, and have been maintained in accordance with industry standards and any standards or guidelines imposed by the FCC.

(c) All Leases. The Real Property Leases constitute all the real property leases to which the Seller is lessee and the Leased Real Property is the only real property now used by the Seller in the operation of the Stations as the Stations is presently operated.

(d) Good Title. With respect to the Real Property Leases, the Seller has good title to its leasehold interest in such real property and the Owned Improvements, in each case, free and clear of all liens, claims and encumbrances, except for the liens, claims and encumbrances identified in such leases. With respect to each such lease, (i) the leases are in full force and effect, (ii) the Seller entered into such leases in the Ordinary Course of Business and the Seller has been in peaceable possession since the beginning of the original term of any such lease, and (iii) the Seller has not given nor received any notice of default or termination, and no condition exists and no event has occurred that, with the giving of notice, the lapse of time or the happening of any further event would become a default or permit early termination under any such lease.

3.16 Environmental Matters. With respect to the ownership and operation of the Stations, to the Seller's Knowledge, there are no underground or aboveground storage tanks on any of the Leased Real Property. Hazardous Materials have not been released at, on, in or under the Leased Real Property by the Seller or, to the Seller's Knowledge, by any other Person. To the Seller's Knowledge, there are no quantities or concentrations of Hazardous Materials Released at, on, in or under the Leased Real Property that pose an unacceptable risk to human health or the environment under Environmental Laws.

3.17 Environmental Studies. There are no environmental reports, studies or analyses in the possession of the Seller relating to the Leased Real Property or the operation of the Stations concerning: (a) Hazardous Materials; (b) compliance with applicable Environmental Laws; or (c) compliance with Environmental Permits, if any.

3.18 Compliance with Law and Regulations. The Stations, the Assets, and the Seller are in compliance with all requirements of federal, state, county and local laws, ordinances, rules, regulations and policies, including Environmental Laws, and all rules, regulations and requirements of all federal, state, county and local governmental bodies or agencies, including the FCC and the FAA, having jurisdiction over any of them, the operations and intended digital operations of the Stations, the use of the Seller's properties and assets (including the Assets) and the Leased Real Property. Without limiting the foregoing, the Seller has paid all monies and obtained all FCC licenses, permits, certificates and authorizations (including the Authorizations) and all other material licenses, permits, certificates and authorizations, including Environmental Permits, needed

or required for its operations and intended digital operations, and the use of the Leased Real Property, and the Seller is in compliance with all such licenses, permits, certificates and authorizations. The Seller has properly filed all reports and other documents, including Returns with respect to Taxes, required to be filed with any Government Agency, including the FCC, and from the date hereof to the Effective Time such reports and other documents will be filed on a timely basis. The Seller has not received any notice from any Government Agency or any insurance or inspection body that any of its properties, facilities, equipment or business procedures or practices or the Leased Real Property fail to comply with any applicable law, ordinance, regulation, zoning law, or building, health, fire, or environmental protection code or requirement of any public authority or body.

3.19 Insurance. A summary of current insurance coverage of the Seller is attached as Schedule 3.19. The Seller maintains and will continue to maintain in full force and effect through the Effective Time, insurance policies covering it and the Assets in amounts and insuring against hazards, in the amounts set forth on Schedule 3.19. All of such policies are in full force and effect and the Seller is not in default of any material provision thereof. The Seller has not received notice from any issuer of any such policies of its intention to cancel, terminate or refuse to renew any policy issued by it. There is no material inaccuracy in any application for any such existing policies or binders which would reasonably be expected to adversely affect coverage thereunder.

3.20 Labor, Employment Contracts and Benefit Programs.

(a) No Collective Bargaining Agreements. There are no collective bargaining agreements or written or oral agreements relating to the terms and conditions of employment or termination of employment covering any employees, consultants or agents of the Seller. All employees of the Seller are employees-at-will. There is no strike, picketing, slowdown or work stoppage by or concerning such employees pending against or involving Seller. No representation question is pending or threatened with respect to any of the Stations' employees.

(b) Employee Manuals. All handbooks and written policies and procedures relating to employment by the Seller including, but not limited to, compensation, benefits, equal employment opportunity and safety are listed and described on Schedule 3.20 and Seller has delivered true and complete copies thereof to Buyer.

(c) Compliance. The Seller is not liable for any arrears for wages, benefits, Taxes, damages or penalties for failing to comply with any law, rule, regulation, ordinance, order or decree relating in any way to labor or employment.

(d) Employee Plans. Except as listed and described on Schedule 3.20, the Seller does not have any pension plan, profit sharing plan, deferred compensation plan, stock option or stock bonus plan, savings plan, welfare plan or other benefit plan or arrangement, policy, practice, procedure or contract concerning employee benefits or fringe benefits of any kind, whether governed by ERISA, relating to or covering any employees of the Seller or the Stations (a "Stations Benefit Plan"). Except as listed on Schedule 3.20, the Seller does not maintain, sponsor or contribute to any "employee benefit plan" (within the meaning of Section 3(3) of ERISA) or any other plan, program, practice, agreement or arrangement covering the Stations, whether written or

oral, of employee compensation, deferred compensation, severance pay, retiree benefit or fringe benefit. The Seller has furnished the Buyer with true, complete and accurate copies of all summary plan descriptions of Stations Benefit Plans.

(e) ERISA Compliance. Each of the Stations Benefit Plans is in compliance with all applicable requirements of ERISA, the Code and other applicable law. Each of the Stations Benefit Plans has been administered in all material respects in accordance with its terms and with applicable legal requirements. All "employee pension plans" (within the meaning of Section 3(2) of ERISA) have been determined by the IRS to be qualified under Section 401(a) of the Code and no action or proceeding has been instituted or threatened which would affect the qualification of any pension plan of the Stations or of the Seller. No unfunded liabilities, based on the PBGC rates currently in effect for plan terminations, exist with respect to any Stations Benefit Plan that is a "defined benefit plan" (within the meaning of Section 3(35) of ERISA). There has not been any Reportable Event with respect to any pension plan of the Stations or Seller. The Seller has not engaged in a "prohibited transaction" or breach of fiduciary responsibility with respect to any Stations Benefit Plan.

(f) No Multiemployer Plans. The Seller (i) has never contributed to a Multiemployer Plan; and (ii) has never incurred any liability under Title IV of ERISA to the PBGC or to a Multiemployer Plan.

(g) Employees. Schedule 3.20 lists the names and job titles of all employees of the Seller as of February 1, 2010, the current compensation and any proposed salary increase or bonus to be authorized or payable between the date hereof and the Closing Date for each, current hourly wages and vacation days for each (or pay in lieu thereof) assuming no vacation has been taken, the actual days of vacation taken by each employee through February 1, 2010, and the monetary liability associated with such available vacation days. Each employee's length of service and employment commencement date is set forth on Schedule 3.20.

3.21 Litigation. Except as listed and described on Schedule 3.21, there are no actions, suits, arbitrations, audits, administrative charges or other legal proceedings, claims or governmental investigations pending or, to the Seller's Knowledge, threatened against the Seller or the Stations, nor is there any basis for any such action, suit, arbitration, audit, claim, administrative charge or other legal proceedings, claim or governmental investigation. The Seller has not been operating under or subject to, or in default with respect to, any order, writ, injunction or decree relating to the Stations or the Assets of any court or federal, state, municipal or other governmental department, commission, board, agency or instrumentality which would have an adverse effect on the condition of the Stations or any of the Assets or on the ability of the Seller to enter into this Agreement or consummate the transactions contemplated hereby.

3.22 Intangible Property. The Seller has all right, title and interest in and to all Intangible Property necessary or desirable in the operation of the Stations as presently operated and as presently proposed to be operated. The Seller has not received notice of any claim against it involving any conflict or claim of conflict of any of the items listed on Schedule 2.1(g), and there is no basis for any such claim of conflict. Each item of Intangible Property owned or used by the Seller immediately before the Closing will be owned or available for use by the Buyer on identical terms and conditions immediately after the Closing. The Seller has taken all necessary and

desirable action to maintain and protect each item of Intangible Property that it owns or uses. No service provided by the Seller or any programming or other material used, broadcast or disseminated by the Seller or the Stations, infringes on any copyright, patent or trademark of any other party.

3.23 Bulk Sales. Neither the sale and transfer of the Assets pursuant to this Agreement, nor Buyer's possession and use thereof from and after the Closing because of such sale and transfer, will be subject to: (a) any law pertaining to bulk sales or transfers or to the effectiveness of bulk sales or transfers as against creditors of the Seller; or (b) the imposition of any liability on Buyer for appraisal rights or other liability owing to the Seller.

3.24 Brokers. Except for the Seller's retention of Barry Skidelsky as its broker, the fees of whom shall be the sole responsibility of the Seller, there is no broker or finder or other Person who would have any valid claim through the Seller against any of the parties to this Agreement for a commission or brokerage fee or payment in connection with this Agreement or the transactions contemplated hereby as a result of any agreement of, or action taken by, the Seller.

3.25 Conflicting Interests. Neither the Seller, nor any director, officer, member, manager, partner, employee or shareholder of either, nor any Affiliate of any of the foregoing, has any financial interest in any supplier, advertiser or customer of the Seller or in any other business enterprise with which the Stations or the Seller engages in business or with which the Stations or the Seller is in competition. The ownership of less than one percent of the outstanding capital stock of a publicly-held corporation shall not be deemed to be a violation of this representation and warranty.

3.26 Matters Arising After the Interim Balance Sheet Date. Between the date of the Financial Statements and the date of this Agreement:

(a) There has not been any material adverse change in the financial condition or business of the Seller, uncured default by the Seller under the terms of the leases for the Leased Real Property or any material physical damage or loss to any of the Assets (except where such damage or loss was covered by insurance and repair or replacement of the damaged or lost assets has been completed);

(e) The Seller has not entered into any agreement, contract, license or lease outside the Ordinary Course of Business;

(f) No party (including the Seller) has accelerated, terminated, modified or cancelled any agreement, contract, lease or license involving more than \$5,000 to which the Seller is a party or by which it is bound;

(g) The Seller has not permitted the imposition of any security interests upon any of its assets;

(h) The Seller has not experienced any damage, destruction or loss (whether or not covered by insurance) to its property (including the Assets); and

(i) The Seller has not taken any action outside of the Ordinary Course of Business, except as related to the transactions contemplated hereby.

3.27 FAA Compliance. To the Seller's Knowledge, except as provided on Schedule 3.27, all towers used by the Stations are in compliance with all painting, lighting, and tower registration requirements of the FAA, the FCC and any other governmental authority.

All Schedules attached hereto are accurate and complete as of the date hereof or the date specified on the Schedule.

ARTICLE 4
REPRESENTATIONS AND WARRANTIES OF THE BUYER

The Buyer represents and warrants to the Seller as follows:

4.1 Qualification as a Broadcast Licensee. To the Buyer's Knowledge, the Buyer is legally and financially qualified under the Communications Act and the rules, regulations and policies of the FCC to acquire the Stations from the Seller. To the Buyer's Knowledge, there is no fact or condition known to the Buyer that would, under the Communications Act and the existing rules, regulations and policies of the FCC, disqualify Buyer as owner and operator of the Stations or constitute grounds for the filing of a petition to deny or objection related to the qualifications of the Buyer or that would reasonably be expected to result in a delay for FCC approval of the assignment applications. To the Buyer's Knowledge, no waiver of any FCC rule, regulation or policy existing as of the date of this Agreement will be required, with respect to the Buyer, to obtain FCC approval of the assignment applications.

4.2 Status.

(a) Buyer. Each of the Company and License Sub is a limited liability company duly organized, in good standing and validly existing under the laws of the Commonwealth of Virginia. The Buyer has the requisite power to enter into and complete the transactions contemplated by this Agreement.

(b) Approvals and Consents. There are no approvals or consents of Persons not a party to this Agreement that are legally or contractually required to be obtained by the Buyer in connection with the consummation of the transactions contemplated by this Agreement other than the FCC Order.

4.3 No Defaults. Neither the execution, delivery and performance by the Buyer of this Agreement nor the consummation by the Buyer of the transactions contemplated hereby is an event that, of itself or with the giving of notice or the passage of time or both, will: (a) violate or conflict with any provision of the Articles of Organization or Operating Agreement of the Buyer, (b) constitute a violation of, conflict with or result in any breach of or any default under, result in any termination or modification of, or cause any acceleration of any obligation under any contract, mortgage, indenture, agreement, lease or other instrument to which the Buyer is a party or by which it is bound or the assets of it are bound, or by which it may be affected, or result in the creation of any Security Interest on any of the assets of the Buyer, or (c) violate any judgment, decree, order, statute, law, rule or regulation of any court, arbitrator or government or regulatory body applicable to the Buyer or the assets of the Buyer.

4.4 Entity Action. All actions and proceedings necessary to be taken by or on the part of the Buyer in connection with the performance, execution and delivery of this Agreement have been duly and validly taken, and this Agreement has been duly and validly authorized, executed and delivered by the Buyer and constitutes the legal, valid and binding obligation of the Buyer, enforceable against the Buyer in accordance with and subject to its terms.

4.5 Brokers. There is no broker or finder or other Person who would have any valid claim through the Buyer against any of the parties to this Agreement for a commission or brokerage fee or payment in connection with this Agreement or the transactions contemplated hereby as a result of any agreement of or action taken by the Buyer.

ARTICLE 5 COVENANTS OF THE SELLER PENDING THE CLOSING

The Seller covenants and agrees that, from the date hereof until the completion of the Closing:

5.1 Operations of the Business. The Seller will exert best efforts to close under this Agreement. Until the Closing, the operation of the Stations will be handled under the ASCT.

5.2 Prohibited Actions. Before the Closing Date, the Seller shall not (to the extent the following restrictions are permitted by the FCC, the Communications Act and all other applicable laws), without the prior written consent of the Buyer:

Any investigation or examination by the Buyer in connection with the foregoing shall not in any way diminish or obviate any representations or warranties of the Seller made in this Agreement, the Exhibits, Schedules and documents delivered pursuant to this Agreement. The Seller shall cause its accountants, and any of their agents in possession of the Seller's books and records to cooperate with the Buyer's requests for information pursuant to this Agreement and shall request such accountants to provide the Buyer access to all of the accountants' audit and tax work papers with respect to the Seller or the Stations.

5.5 Representations and Warranties. The Seller shall give detailed written notice to the Buyer promptly on learning of the occurrence of any event that would cause or constitute a breach, or that would have caused a breach had such event occurred or been known to the Seller on or before the date of this Agreement, of any of the Seller's representations or warranties contained in this Agreement or in any Schedule attached hereto.

5.6 Consents. The Seller shall use its best efforts to obtain the consent or approval of any third Person required under any Contract listed on the Contract Schedules to assign any such contract from the Seller to the Buyer, including providing adequate notice of the assignment where applicable. The Buyer has designated certain of these consents as material to the operations of the Stations as noted on Schedule 5.6 (a "Material Consent"). The Buyer shall not be obligated to accept the assignment of any Contract or any liability under such Contract for which a Material Consent is not obtained and, if such consent is obtained after the Closing, the Buyer will not be required to assume any liability under such Contract until such consent is obtained and the Buyer is placed in the position it would have been in if the consent had been obtained before the Closing.

5.7 Notice of Proceedings. The Seller will promptly notify the Buyer in writing on: (a) receiving notice of any order or decree or any complaint praying for an order or decree restraining or enjoining the consummation of this Agreement or the transactions contemplated hereunder; or (b) receiving any notice from any governmental department, court, agency or commission of its intention (i) to institute an investigation into, or institute a suit or proceeding to restrain or enjoin, the consummation of this Agreement or such transactions, or (ii) to nullify or render ineffective this Agreement or such transactions if consummated.

The Seller and the Buyer shall use their best efforts, to take all steps that are proper, necessary or desirable to file expeditiously such applications and to prosecute their grants by the FCC. Each party shall promptly provide the other with a copy of any pleading, order or other document served on such party relating to such applications. The Seller shall furnish all information necessary for the filing and prosecution of the applications as may be required by the FCC. If Closing occurs hereunder without the FCC Order and any required extension of the terms thereof becoming Final, then the parties' obligations under this Section shall survive the Closing until the FCC Order and all such consents and extensions become Final. Each party shall bear one-half of the cost of application filing fees relating to the assignment of the Authorizations to the Buyer.

5.10 Publicity. Neither the Seller, nor the Buyer, nor any of their respective Affiliates shall issue or cause the publication of any press release or any other public statement or any correspondence or other communication with respect to the execution and Closing of this Agreement unless the other party shall have had the prior opportunity to review and comment thereon and such release or statement has been consented to by such party.

5.11 Exclusivity. The Seller will not (i) solicit, initiate, or encourage the submission of any proposal or offer from any Person relating to the acquisition of any of the voting securities, or any portion of the assets of the Seller outside the ordinary course of business (including any acquisition structured as a merger, consolidation, or share exchange) or (ii) participate in any discussions or negotiations regarding, furnish any information with respect to, assist or participate in, or facilitate in any other manner any effort or attempt by any Person to do or seek any of the foregoing. The Seller will notify the Buyer immediately if any Person makes any proposal, offer, inquiry, or contact with respect to any of the foregoing.

5.12 Confidentiality. Any and all information, disclosures, knowledge or facts regarding the Buyer and its operations derived from or resulting from the Seller's acts or conduct (including, without limitation, acts or conduct of the Seller's managers, partners, officers, employees, accountants, counsel, agents, consultants or representatives, or any of them (collectively, "Representatives")) under the provisions of this Section or otherwise obtained by the Seller (or its Representatives) pursuant to or in connection with this Agreement, shall be confidential and shall not be divulged, disclosed or communicated to any other Person, except as required by law and to the Seller's Representatives and their respective attorneys for the purpose of consummating the transactions contemplated by this Agreement and the Seller shall be responsible for any breach of confidentiality by any such Person. 10.1 Survival. All covenants contained in this Agreement, or in any Exhibit, Schedule, certificate, agreement or statement delivered hereto shall survive the Closing. All representations and warranties contained in this Agreement, or in any Exhibit, Schedule, certificate, agreement or statement delivered pursuant hereto, shall survive the Closing, any investigation conducted by any party hereto and any information which any party may receive.

10.2 Basic Provision.

(a) Buyer Indemnitees. The Seller (an "Indemnifying Party") hereby, agrees to indemnify and hold harmless the Buyer, its members, managers, officers, agents, representatives, employees and all Persons which directly or indirectly, through one or more intermediaries, control, are controlled by, or are under common control with the Buyer, and its successors and assigns (collectively, the "Buyer Indemnitees"), from, against and in respect of, and to reimburse the Buyer Indemnitees for the amount of any and all Deficiencies.

(b) Seller Indemnitees. The Buyer ("Indemnifying Party"), hereby agrees to indemnify and hold harmless the Seller and its partners, members, managers, officers, agents, representatives, employees and all Persons which directly or indirectly, through one or more intermediaries, control, are controlled by, or are under common control with the Seller, and its successors and assigns (collectively, the "Seller Indemnitees"), from, against and in respect of, and to reimburse the Seller Indemnitees for the amount of any and all Deficiencies.

10.3 Definition of "Deficiencies".

(a) Deficiencies for the Buyer. As used in this Article 10, the term "Deficiencies" when asserted by the Buyer Indemnitees or arising out of a third party claim against

the Buyer Indemnitees shall mean any and all losses, fines, damages, liabilities and claims sustained by the Buyer Indemnitees and arising out of, related to, in the nature of, caused by, based on or resulting from:

(i) Any misrepresentation, breach of warranty or any non-fulfillment of any representation, warranty, covenant, obligation or agreement on the part of the Seller contained in or made in this Agreement or in an Exhibit, Schedule, certificate, agreement or statement delivered pursuant to this Agreement;

(ii) Any failure by the Seller to pay or discharge any Excluded Liability or any other liability of the Seller and the Seller Indemnitees, direct or contingent, that is not expressly assumed by the Buyer pursuant to the provisions of this Agreement;

(iii) Any litigation, proceeding or claim by any third party to the extent relating to the business or operations of the Seller, the Assets or the Stations before the Effective Time;

(iv) Any severance pay or other payment required to be paid by the Seller with respect to any employee or consultant of the Seller terminated by the Seller on or before the Effective Time;

(v) Except for obligations or liabilities expressly assumed by the Buyer herein, the Seller's operation of the Stations or the ownership of the Assets before the Effective Time (including, but not limited to, any and all claims, liabilities, and obligations arising or required to be performed by the Seller under any lease, contract, or agreement or under this Agreement before the Effective Time);

(vi) Except for obligations or liabilities expressly assumed by the Buyer herein, any transaction entered into by the Seller or arising in connection with the Stations or the operation of its business or any of the Assets before the Effective Time; or

(vii) Any and all acts, suits, proceedings, demands, assessments and judgments and all reasonable fees, costs and expenses of any kind, related or incident to any of the foregoing (including, without limitation, any and all Legal Expenses).

(b) Deficiencies for the Seller. As used in this Article 10, the term "Deficiencies" when asserted by the Seller Indemnitees or arising out of a third party claim against the Seller Indemnitees shall mean any and all losses, damages, liabilities and claims sustained by the Seller Indemnitees and arising out of, related to, in the nature of, caused by, based on or resulting from:

(i) Any misrepresentation, breach of warranty or any non-fulfillment of any representation, warranty, covenant, obligation or agreement on the part of the Buyer contained in or made in this Agreement or in an Exhibit, Schedule, certificate, statement or agreement delivered pursuant to this Agreement;

(ii) Any failure by the Buyer to pay or discharge any other liability arising after the Closing Date for any Assumed Liability;

(iii) Any litigation, proceeding or claim by any third party to the extent relating to the business or operations of the Buyer or the Stations after the Closing Date;

(iv) The Buyer's operation of the Stations or the ownership of the Assets after the Closing Date (including, but not limited to, any and all claims, liabilities, and obligations arising or required to be performed by the Buyer under any lease, contract, or agreement or under this Agreement after the Closing Date);

(v) Any transaction entered into by the Buyer or arising in connection with the Stations or the operation of its business or any of the Assets after the Closing Date; or

(vi) Any and all acts, suits, proceedings, demands, assessments and judgments and all fees, costs and expenses of any kind, related or incident to any of the foregoing (including, without limitation, any and all Legal Expenses).

10.4 Procedures for Establishment of Deficiencies.

(a) Claim Asserted. If any claim shall be asserted by any third party against the Buyer Indemnitees or the Seller Indemnitees (the Buyer Indemnitees or the Seller Indemnitees, as the case may be, hereinafter, the "Indemnitees"), which, if sustained, would result in a Deficiency, then the Indemnitees, promptly after learning of such claim, shall notify the Indemnifying Party of such claim and Indemnitees shall permit the Indemnifying Party to defend against such claim, at the Indemnifying Party's sole expense and through legal counsel reasonably acceptable to the Indemnitees, provided that the Indemnifying Party proceeds in good faith, expeditiously and diligently. The Indemnitees shall, at their option and expense, have the right to participate in any defense undertaken by the Indemnifying Party with legal counsel of their own selection and at their expense. The parties will cooperate fully in any such action and shall make available to each other any books or records useful for the defense of such claim. No settlement or compromise of any claim which may result in a Deficiency may be made by the Indemnifying Party without the prior written consent of the Indemnitees unless: (a) before such settlement or compromise, the Indemnifying Party acknowledges in writing its obligation to pay in full the amount of the settlement or compromise and all associated expenses and (b) the Indemnitees are furnished with security reasonably satisfactory to the Indemnitees that the Indemnifying Party will in fact pay such amount and expenses or the Indemnifying Party obtains a release of the Indemnitees from all liability in respect of such claim.

(b) Notice. If the Indemnitees assert the existence of any Deficiency against the Indemnifying Party, such Indemnitees shall give written notice to the Indemnifying Party of the nature and amount of the Deficiency asserted. If the Indemnifying Party within a period of 30 days after the giving of the Indemnitees' notice, shall not give written notice to the Indemnitees announcing its intent to contest such assertion of the Indemnitees (such notice by the Indemnifying Party being hereinafter referred to as the "Contest Notice"), such assertion of the Indemnitees shall be deemed accepted and the amount of the Deficiency shall be deemed established. In the event, however, that a Contest Notice is given to the Indemnitees within such 30-day period, then the contested assertion of a Deficiency shall be resolved through binding arbitration pursuant to Section 11.12.

(c) Agreement. The Indemnitees and the Indemnifying Party may agree in writing, at any time, as to the existence and amount of a Deficiency, and, on the execution of such agreement such Deficiency shall be deemed established.

10.5 Payment of Deficiencies. The Indemnifying Party hereby agrees to pay the amount of established Deficiencies within 30 days after the establishment thereof. The amount of established Deficiencies shall be paid in cash. Any amounts not paid by the Indemnifying Party when due under this Section shall bear interest from and after the due date thereof until the date paid at a rate equal to the lesser of: (a) 12% per annum and (b) the highest legal rate permitted by applicable law. At the option of the Indemnitees, the Indemnitees may offset any Deficiency or any portion thereof that has not been paid by the Indemnifying Party to the Indemnitees against any obligation any of the Indemnitees may have to the Indemnifying Party arising out of a Deficiency established pursuant to Section 10.4.

ARTICLE 11 MISCELLANEOUS

11.1 Termination of Agreement. This Agreement may be terminated in writing at any time on or before the Closing Date: (a) by the mutual consent of the Seller and the Buyer; (b) by the Buyer as provided in Sections 11.8 and 11.9; or (c) by either party if the Closing has not taken place by February __, 2011 (the "Final Closing Date"). A termination pursuant to this Article 11 shall not relieve any party of any liability it would otherwise have for a willful breach of this Agreement. If this Agreement is terminated rightfully pursuant to this Article 11, all further obligations of the parties hereunder shall terminate, except that all obligations for confidentiality under Sections 5.13 and 6.4 shall survive such termination for a period of three years. On a termination of this Agreement for any reason, the Escrow Deposit and all accrued interest thereon shall be returned to the Buyer.

11.2 Liabilities on Breach. The parties acknowledge that the operation of the Stations is of a special, unique and extraordinary character. On a material breach by the Seller of its representations, warranties, covenants and agreements under this Agreement, the Buyer shall be entitled to an injunction restraining any such breach or threatened breach or to enforcement of this Agreement by a decree or decrees of specific performance requiring the Seller to fulfill its obligations under this Agreement.

11.3 Expenses. Each party shall bear all of its expenses incurred in connection with the transactions contemplated by this Agreement including, without limitation, accounting and legal fees incurred in connection herewith; *provided, however*, the Buyer and Seller shall equally share the filing fees with the FCC and any sales or transfer taxes arising from the transfer of the Assets to the Buyer.

11.4 Remedies Cumulative. The remedies provided in this Agreement shall be cumulative and shall not preclude the assertion by any party hereto of any other rights or the seeking of any other remedies against the other party hereto.

11.5 Preservation of Records. The Buyer will preserve and make available (including the right to inspect and copy) to the Seller, its attorneys and accountants, for three years after the Closing Date and during normal business hours, such of the books, records, files, correspondence, memoranda and other documents transferred pursuant to this Agreement as the Seller may reasonably require in connection with any legitimate purpose, including, but not limited to, the preparation of tax reports and returns and the preparation of financial statements. During the three-year period, the Buyer will not dispose of or destroy any such books, records, files, correspondence, memoranda or other documents without giving 30 days' prior written notice to the Seller, to permit the Seller, at its expense, to examine, duplicate or take possession of all or part thereof.

11.6 Non-Assignable Contracts. Nothing contained in this Agreement shall be construed as an assignment or an attempted assignment of any Contract which is by law non-assignable without the consent of the other party or parties thereto, unless such consent shall be given. The Seller shall use its best efforts (and the Buyer shall assist the Seller) both after and before the Closing to obtain such consents to the assignment or transfer of Contracts to vest in the Buyer all of the Seller's right, title and interest in such Contracts, in all cases in which such consent is required for assignment or transfer. If such consent is not obtained, the Seller shall cooperate with the Buyer in any arrangements necessary or desirable, on commercially reasonable terms, to provide for the Buyer to have the benefits and to have the Buyer assume the burdens arising after the Closing Date thereunder, including, without limitation, enforcement for the benefit of the Buyer, and assumption by the Buyer of the costs of enforcing, any and all rights of the Seller thereunder against the other party thereto arising out of the cancellation thereof by such other party or otherwise.

11.7 Further Assurances. From time to time before, on and after the Closing Date, each party hereto will execute all such instruments and take all such actions as any other party, being advised by counsel, shall reasonably request, without payment of further consideration, in connection with carrying out and effectuating the intent and purpose hereof and all transactions and things contemplated by this Agreement including, without limitation, the execution and delivery of any and all confirmatory and other instruments in addition to those to be delivered on the Closing Date, and any and all actions which may reasonably be necessary or desirable to complete the transactions contemplated hereby. The parties shall cooperate fully with each other and with their respective counsel and accountants in connection with any steps required to be taken as part of their respective obligations under this Agreement.

11.8 Risk of Loss. The risk of loss, damage or destruction to any of the Assets from fire or other casualty or cause shall be borne by the Seller at all times before the Effective Time. On any such loss, damage or destruction, the proceeds of any claim for any loss, payable under any insurance policy with respect thereto, shall be used to repair, replace or restore any such property to its former condition, subject to the conditions stated below. It is expressly understood and agreed that, on any loss or damage to any of the Assets from fire, casualty or other causes before the Closing, the Seller shall notify the Buyer of same in writing immediately. Such notice shall specify with particularity the loss or damage incurred, the cause thereof (if known or reasonably ascertainable) and the insurance coverage. If the damaged property is not completely repaired, replaced or restored within 60 days or, if later, the date on which all conditions to Closing have been met, the Buyer at its sole option: (a) may elect to postpone Closing until such time as the

property has been completely repaired, replaced or restored to the reasonable satisfaction of the Buyer if the repair, replacement or restoration can be accomplished within one month following the date of the loss or damage or the Final Closing Date, whichever is the earlier and (b) may elect to consummate the Closing and accept the property in its then condition, in which event the Seller shall pay to the Buyer all proceeds of insurance and assign to the Buyer the right to any unpaid proceeds; or (c) terminate this Agreement without liability to any party.

11.9 Broadcast Transmission Interruption. If, before the Closing, the regular broadcast transmission of any of the Stations in the normal and usual manner is interrupted for a period of 24 continuous hours or more, solely as a result of actions of, or the failure to act by, the Seller, the Seller shall give prompt written notice thereof to the Buyer. The Buyer shall then have the right by giving written notice to the Seller, to postpone (and if necessary re-postpone) the Closing to a date that is 15 business days after the end of any such interruption. If, solely as a result of actions of, or the failure to act by, the Seller the regular broadcast transmission of the Stations in the normal and usual manner is interrupted for a continuous period of 72 hours or more at any time before Closing Date or, if at the Closing Date, the regular transmission of the Stations is interrupted and cannot be reestablished within 72 hours, then (a) the Seller immediately shall give written notice thereof to the Buyer; and (b) the Buyer shall have the right, by giving written notice to the Seller, to (i) within three business days after receiving notice from the Seller of such interruption, to terminate this Agreement without liability to the Seller, in which event the Escrow Deposit shall promptly be returned to the Buyer, or (ii) postpone the Closing as provided above.

11.10 Employees. Except as provided otherwise in this Section, the Seller shall terminate all of the Station's employees effective as of the Effective Time and pay all termination and severance costs in connection with such termination. The Buyer will provide to Seller at least 30 days before Closing a list of employees to whom it will offer employment ("Assumed Employees") beginning at 12:00 AM (EST) on the day after the Closing Dated (the "Hiring Time"). The Seller acknowledges and agrees that the foregoing representation by the Buyer does not require the Buyer to continue to employ any such Assumed Employee for any specific periods of time after the Hiring Time. The Buyer will not give the Assumed Employees credit for accrued vacation and sick leave unless the costs thereof are paid by the Seller to the Buyer before or on the Closing Date or, at the Buyer's option, the Purchase Price is adjusted at Closing.

11.11 Choice of Jurisdiction. Any controversy or claim arising out of or related to this Agreement which the parties are unable to resolve shall be submitted to the state or federal courts located in the City of Virginia Beach in the Commonwealth of Virginia, which shall be the sole forums for the resolution of all disputes hereunder, to the jurisdiction of which both parties submit.

ARTICLE 12 GENERAL PROVISIONS

12.1 Successors and Assigns. Except as otherwise expressly provided herein, this Agreement shall be binding on and inure to the benefit of the parties hereto, and their respective representatives, successors and assigns. The Seller may not assign any of its rights or delegate any of their duties hereunder without the prior written consent of the Buyer. The Buyer

may freely assign some or all of its rights and obligations hereunder to a third party entity with written notice to the Seller.

12.2 Amendments; Waivers. The terms, covenants, representations, warranties and conditions of this Agreement may be changed, amended, modified, waived, discharged or terminated only by a written instrument executed by the party waiving compliance. The failure of any party at any time or times to require performance of any provision of this Agreement shall in no manner affect the right of such party at a later date to enforce the same. No waiver by any party of any condition or the breach of any provision, term, covenant, representation or warranty contained in this Agreement, whether by conduct or otherwise, in any one or more instances shall be deemed to be or construed as a further or continuing waiver of any such condition or of the breach of any other provision, term, covenant, representation or warranty of this Agreement.

12.6 Entire Agreement. 12.7 Execution: Counterparts and Facsimile. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which together shall constitute one and the same instrument. Facsimile or electronic transmission of any signed original counterpart and/or retransmission of any signed facsimile or electronic transmission shall be deemed the same as the delivery of an original.

12.8 Gender and Tense. Where appropriate to the context, pronouns of other terms expressed in one number or gender will be deemed to include all other numbers or genders. The use of a word in one tense will include the other tenses, where appropriate to the context.

12.9 Third-Party Beneficiaries. This Agreement is intended to benefit only the parties to this Agreement, their successors and permitted assigns. No other Person is an intended or incidental beneficiary of this Agreement.

12.10 Interpretation. Provisions of this Agreement shall be interpreted in a reasonable manner to effect the intent of the parties.

12.11 Severability. If any provision of this Agreement or the application thereof to any Person or circumstance shall be invalid or unenforceable to any extent, the remainder of this Agreement and the application of such provision to other Persons or circumstances shall not be affected thereby and shall be enforced to the greatest extent permitted by law, but only as long as the continued validity, legality and enforceability of such provision or application does not materially (a) alter the terms of this Agreement or (b) diminish the benefits or burdens of this Agreement.
