

**EXHIBIT 4**

**ASSET PURCHASE AGREEMENT**

The licensee, Bates Technical College, certifies that it has placed a copy of the attached Asset Purchase Agreement in the public inspection file maintained for Station KBTC-FM (the “Station”) and that the Asset Purchase Agreement complies fully with the Commission’s rules and policies. As permitted by the Commission, the following exhibits and schedules have been omitted from the copy of the Asset Purchase Agreement attached hereto:

|            |                                                                                                |
|------------|------------------------------------------------------------------------------------------------|
| Schedule 2 | Equipment/Transmitter Site to be Included in Sale                                              |
| Schedule 3 | Antenna Structure Registration and Telecommunications<br>Site Rental Agreement (Customer #211) |

The omitted schedules concern subject matter that is not relevant to a determination of the qualifications of the parties to this application or otherwise material to the Commission’s consideration of this application. Copies of the omitted documents will be provided to the Commission upon request.

The attached Asset Purchase Agreement represents the complete and final understanding of the assignee and the assignor with respect to the sale of the Station. However, as contemplated by Section 11.6 of the Asset Purchase Agreement, the assignor has entered into a pre-closing programming agreement with The Friends of KEXP, a non-profit corporation (“Programmer”), pursuant to which Programmer will provide programming and certain other services to the assignor prior to consummation of the assignment, subject to the assignor’s supervision and control. The assignee and Programmer have entered into a similar agreement that will become effective upon the consummation of the assignment proposed herein. The programming agreement between Programmer and assignee give Programmer an option to acquire the Station, subject to prior FCC approval.
