

Certification of Supervising Engineer:

In regards to FCC construction permit # BPED-19951206MB, can 215 Schuyler Falls NY, I hereby state the following:

1. That on November 2004 I supervised the installation of a Shively 6014-1/1-DA directional panel antenna on registered tower # 1007293, a 48.7 m. self supporting tower located on Terry Mountain. The directional antenna was installed pursuant to the manufacturer's instructions and in accordance with good engineering practice.
2. That I am a technical consultant with extensive experience with FM transmitter site construction and directional antenna installation, having been continuously employed in various broadcast engineering capacities since 1969, and that my name and qualifications are a matter of record with the Commission, having filed numerous applications, amendments and other broadcast related paperwork with the Commission's FM branch over the last thirty years.
