Re: WEKH (FM), Hazard, Kentucky  
Facility Identification Number: 18306  
Eastern Kentucky University  
Special Temporary Authorization  
BESTA-20160823AAD

Dear Licensee:

This is in reference to the request filed August 23, 2016, on behalf of Eastern Kentucky University ("EKU"). EKU requests a second extension of the August 20, 2015 special temporary authority ("STA") for continued operation of WEKH at reduced power. EKU is making progress toward replacing the transmitter.

Requests for extension of STA will be granted only where the licensee can show that one or more of the following criteria have been met:

- Restoration of licensed facilities is complete and testing is underway;
- Substantial progress has been made during the most recent STA period toward restoration of licensed operation; or
- No progress has been made during the most recent STA period for reasons clearly beyond the licensee's control, and the licensee has taken all possible steps to expeditiously resolve the problem.

The request for extension of STA IS HEREBY GRANTED. Station WEKH may continue to operate at reduced power. EKU must notify the Commission when licensed operations are restored. EKU must use whatever means are necessary to protect workers and the public from radiofrequency exposure in excess of the Commission's exposure guidelines. *See* 47 CFR § 1.1310.

This authority expires on **February 17, 2016**.

Sincerely,

A handwritten signature in black ink that reads "Dale Bickel". The signature is written in a cursive style with a large initial "D" and a long, sweeping underline.
