### Agreement

NOW THEREFORE, in consideration of the mutual covenants contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. **Assets.** Subject to the terms and conditions herein contained, Seller shall grant, convey, sell, assign, transfer and deliver to Buyer on the Closing Date (as defined below) only the following assets, properties, interests and rights of Seller used in connection with the Stations (collectively, the “Assets”), which shall be transferred to Buyer free and clear of liens, claims and encumbrances (except new encumbrances to secure the Seller Note financing per below):

(a) **Towers Leases.** All of Seller’s interests in and under the Leases (as defined in **Section 3**).

(b) **Licenses and Authorizations.** All licenses, authorizations, permits and approvals issued with respect to the Stations by the FCC set forth on **Schedule 1(b)** attached hereto (the “FCC Authorizations”).

(c) **Books and Records.** All engineering and other books, papers, files, correspondence and records pertaining exclusively to the operations of the Stations, including the log books, FCC-required local public inspection and political files, and copies of all filings and correspondence with the FCC relating exclusively to the Stations which are in the possession of Seller; provided that Seller may retain copies thereof.

(d) **Tangible Personal Property.** All tangible property used exclusively in the operation of the Stations as listed on **Schedule 1(d)**.

(e) **Call Letters.** Call letters “KGRE-FM” and “KRYE”.

2. **Excluded Assets.** The Assets to be transferred hereunder shall not include any of Seller’s intellectual property, any studio/offices of Seller, any of Seller’s cash, bank accounts,

3. **Leases for Transmitter Site.** Seller leases tower space and building space for its transmitting equipment which are used as the tower and transmitter site of the Stations. Seller has valid leases with (i) Heron, LLC and (ii) Capstar TX Limited Partnership, copies of which are attached hereto as Schedule 3 (collectively, the "Leases"). The Leases are assignable to Buyer subject to the prior consent of each landlord ("Landlord"). Buyer will assume Seller's obligations under the Leases at Closing (as defined below). Seller shall use reasonable efforts to obtain written Landlord consents to the assignment of the Leases and estoppel certificates. Seller's failure to obtain Landlord consents or estoppel certificates shall not be deemed a breach by Seller, however, if each Landlord's consent and estoppel is not obtained, either party may terminate without liability to the other.

4. **Purchase Price.** In consideration for all of the Assets to be sold hereunder pursuant to **Section 1**, the purchase price (the "Purchase Price") for the Assets shall be an amount equal to the sum of the amount of the Deposit (as defined below) plus the principal amount payable under the Note (as defined below), which sum may be less than or equal to ONE MILLION ONE HUNDRED SEVENTY FIVE THOUSAND AND 00/100 DOLLARS (\$1,175,000.00), to be paid as set forth in Sections 4(a) and (b) below.

(a) Contemporaneously with the execution of this Agreement, Buyer shall deposit FIFTY THOUSAND Dollars (\$50,000) in cash (the "Deposit") with Seller. At Closing, the Deposit shall be credited to payment of the Purchase Price. The Deposit will be returned to Buyer upon any termination of this Agreement, except for a Buyer default in accordance with **Section 13(b)(ii)**. If the Agreement is terminated pursuant to **Section 13(b)(ii)**, Seller's sole remedy shall be to retain the Deposit as liquidated damages.

(b) At Closing, Buyer shall deliver to Seller a promissory note in a form to be agreed and attached hereto as **Exhibit A** after the date hereof (the "Note"), payable in accordance with its terms, together with a Security Agreement in a form to be agreed and attached hereto as **Exhibit B** (the "Security Agreement").

5. **Allocation of Purchase Price.** Buyer and Seller will allocate the Purchase Price and other consideration received by Seller from Buyer in accordance with the requirements of Section 1060 of the Internal Revenue Code. Buyer and Seller each further agrees to file its federal income tax returns and its other tax returns reflecting such allocation.

6. **No Assumption of Liabilities.** Buyer shall not assume and shall not be obligated to pay any liabilities or obligations of Seller except for those liabilities and obligations attached to **Schedule 6**.

7. **Seller's Representations and Warranties.** The following representations and warranties shall survive for one year from the Closing Date. Seller represents and warrants to Buyer as of the date hereof and as of the Closing Date, with respect to the Stations, as follows:

(a) **Formation, Standing and Power.** Seller is a Delaware limited liability company, validly existing and in good standing under the laws of the jurisdiction of its organization. Seller has all necessary power and authority to own and operate the Stations, to carry on the Stations' business as now conducted by it and to execute and deliver this Agreement and to consummate the transactions contemplated hereby and represents and warrants that Seller is the owner of all of the Assets described in this agreement.

(b) **Authority for Transaction.** The execution and delivery of this Agreement and the consummation of the transactions contemplated hereby have been duly and validly authorized by Seller and no other proceedings on the part of Seller are necessary to authorize this Agreement or to consummate the transactions contemplated hereby. This Agreement has been duly and validly executed and delivered by Seller and constitutes the legal, valid and binding obligation of Seller enforceable in accordance with its terms, except as may be limited by bankruptcy, insolvency or other laws affecting generally the enforcement of creditors' rights or the application of principles of equity.

(c) **Licenses and Permits.** Seller is, and on the Closing Date will be, the holder of the FCC Licenses issued by the FCC for the operation of the Stations and all pertinent auxiliary stations, if any.

(d) **Assumed Contracts.** Seller shall deliver to Buyer true and complete copies of all written contracts agreed to be assumed by Buyer and true and complete memoranda of all oral contracts agreed to be assumed by Buyer, including any amendments and other modifications to such contracts other than contracts for the sale of advertising on the Station (the "Assumed Contracts"). The Assumed Contracts shall constitute valid and binding obligations of Seller, and, to the best of Seller's knowledge, of all other parties thereto, and shall be in full force and effect as of the date hereof and at the time of Closing. At the time of Closing, Seller shall not be in default under any of the Assumed Contracts. Seller has not received or given written notice of any default thereunder from or to any of the other parties thereto. Seller shall use its reasonable efforts to obtain the consent of each party to the Assumed Contracts, where such consent is required, and an estoppel certificate for the tower space lease. To the best of Seller's knowledge The Leases provide sufficient access to the Stations' facilities without need to obtain any other access rights. No part of any Lease is subject to any pending or, to Seller's knowledge, threatened suit for condemnation or other taking by any public authority.

(e) **Taxes.** Except as disclosed in **Schedule 7(e)**, Seller has duly, timely and in the required manner filed all federal, state, local, withholding, employee withholding, FICA, foreign income, franchise, sales, use, property, excise, and other tax returns and forms required to be filed by it under applicable law in connection with the Stations' business, and has paid in full or discharged all taxes, assessments, excises, interest, penalties, deficiencies and losses required to be paid. As of the time of filing, such returns were true, complete and correct in all material respects. There are no governmental investigations or other legal, administrative, or tax proceedings pending, or to the best of Seller's knowledge, threatened pursuant to which Seller is or could be made liable for any taxes, penalties, interest, or other charges, the liability for which

could extend to Buyer as assignee of the Stations, or could result in a lien on any of the Assets, and no event has occurred that could impose on Buyer any transferee liability for any taxes, penalties, or interest due or to become due from Seller. No deficiencies have been proposed or assessed against the Seller by the Internal Revenue Service or any other taxing authority, and no waivers of statutes of limitations or other extensions of time for the assessment of any tax against the Seller are currently in effect. The Seller has set aside, and shall have on the Closing Date, reserves adequate to pay all such taxes accruing or incurred to Closing Date.

(f) **Bankruptcy.** No insolvency proceedings of any character, including without limitation, bankruptcy, receivership, reorganization, composition or arrangement with creditors, voluntary or involuntary, affecting Seller or any of the Assets, are pending or, to the best of Seller's knowledge, threatened, and Seller has not made any assignment for the benefit of creditors or taken any action which would constitute the basis for the institution of such insolvency proceedings.

(g) **Legal Proceedings.** No litigation, court or administrative proceeding is pending or, so far as is known to the Seller, threatened against Seller relating to any of the Stations or any of the Assets which would affect Buyer's enjoyment of the Assets, or which would hinder or prevent the consummation of the transactions contemplated by this Agreement, and Seller does not know, or have reasonable grounds to know, of any basis for any such possible action.

(h) **Compliance with Licenses, Laws, Regulations and Orders.** Seller, at Closing, will be in compliance with all material terms and conditions of all, laws, regulations and orders applicable to its business and operations.

(i) **No Conflict.** Neither the execution and delivery of this Agreement by Seller, nor compliance by Seller with any of the provisions hereof, nor the consummation of the transactions contemplated hereby, will:

(i) result in a default, or give rise to any right of termination, cancellation or acceleration, under any term, condition or provision of any contract, encumbrance or other instrument or obligation to which Seller is a party or by which Seller or any of Seller's Assets may be bound; or

(ii) violate any order, writ, injunction, decree, statute, rule or regulation applicable to Seller, or any of its Assets.

Except for the approval of the FCC and such consents and/or notices as are necessary for assignment of the Assigned Contracts, no consent, waiver or approval by, notice to or filing with any person or entity is required in connection with the execution and delivery of this Agreement by Seller, compliance by Seller with any of the provisions hereof or the consummation of the transactions contemplated hereby.

(j) **Liabilities.** After payment from the proceeds disbursed on the Closing Date, all of Seller's liabilities, except for those liabilities arising on or after the Closing Date relating to the Assigned Contracts, shall have been fully paid and discharged and no creditors of Seller, including barter creditors, if any, shall have any claim on the Assets for payment of such liabilities. There are no contingent or undisclosed liabilities in connection with any and all of the assets to be sold and conveyed hereunder.

(k) **No Misleading Statements.** The representations and warranties of Seller herein, or in any Schedule hereto, do not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements contained herein or therein not materially misleading.

(l) **Broker.** Seller has not incurred or become liable for any broker's commission or finder's fee relating to the transactions contemplated under this Agreement. Seller agrees to indemnify and hold Buyer harmless from any claims for brokerage fees, finder's fees or commissions asserted by any person acting on Seller's behalf in connection with this transaction.

(m) **Disclaimer.** Except for the representations and warranties of Seller expressly set forth in this Agreement or any document delivered pursuant to the provisions hereof, Buyer and Seller acknowledge that Seller is making no representation or warranty to Buyer as to the condition of the Assets and FCC Authorizations all of which will be conveyed to Buyer in an AS IS/WHERE IS WITH ALL FAULTS condition with no representations or warranties of any nature whatsoever, including warranties of marketability or implied use for a particular purpose, all of which are expressly disclaimed by Seller.

8. **Buyer's Representations and Warranties.** The following representations and warranties shall survive for one year (1) from the Closing Date. The Buyer represents and warrants to Seller, as of the date hereof and as of the Closing Date, as follows:

(a) **Buyer's Qualifications.** Buyer knows of no fact or circumstance which would, under the federal antitrust laws, the Communications Act of 1934, as amended, or the rules, regulations, and policies of the FCC, disqualify or preclude Buyer from being approved as an assignee of the FCC Authorizations. Should Buyer become aware of any such fact or circumstance, it will promptly so inform Seller and Buyer will use its best efforts to remove any such disqualification or preclusion. Buyer will not take any action that Buyer knows, or has reason to believe, would result in such disqualification. There are no facts which, under the Communications Act of 1934, as amended, or the rules, regulations and policies of the FCC, or the antitrust policies as applied to the broadcasting industry by the Federal Trade Commission and the U.S. Department of Justice, would delay the consummation of the transactions contemplated by this Agreement. Buyer has no reason to believe that the Assignment Application contemplated by this Agreement might be challenged by any governmental agency or third party or might not be granted by the FCC in due ordinary course. To Buyer's knowledge, there are no proceedings, complaints, notices of forfeiture, claims, or investigations pending or threatened against Buyer or any principal, officer, director, or owner of Buyer that would materially impair the qualification of Buyer to assume the FCC Licenses or which would materially impede Buyer's ability to prosecute FCC applications or seek the grant of the FCC Consents.

(b) **Formation, Standing and Power.** Buyer is duly formed, validly existing and in good standing under the laws of the State of Colorado. Buyer has all necessary power and authority to execute and deliver this Agreement, to comply with the provisions hereof and to consummate the transactions contemplated hereby.

(c) **Authority for Transaction.** Buyer's execution and delivery of this Agreement, its compliance with the provisions hereof and the consummation of all of the transactions contemplated hereby have been duly and validly authorized by all necessary action on the part of Buyer, and this Agreement is valid and binding upon Buyer in accordance with its terms.

(d) **No Conflict.** Neither the execution and delivery of this Agreement by Buyer, nor compliance by Buyer with any of the provisions hereof, nor the consummation of the transactions contemplated hereby will:

(i) conflict with or result in a breach of any provision of the governing documents of any entity named as Buyer herein;

(ii) result in a default, or give rise to any right of termination, cancellation or acceleration, under any term, condition or provision of any contract, encumbrance or other instrument or obligation to which Buyer is a party or by which it or any of its properties or assets may be bound; or

(iii) violate any order, writ, injunction, decree, statute, rule or regulation applicable to Buyer or any of its properties or assets.

Except for the approval of the FCC, no consent, waiver or approval by, notice to or filing with any person or entity is required in connection with the execution and delivery of this Agreement by Buyer, compliance by Buyer with any of the provisions hereof or the consummation of the transactions contemplated hereby.

(e) **Legal Proceedings.** There is no legal, equitable, administrative or arbitration action, suit, proceeding or known investigation pending or, to Buyer's knowledge, threatened against or affecting Buyer or any of its assets which, if adversely determined, would adversely affect the ability of Buyer to consummate the transactions contemplated hereby.

(f) **No Misleading Statements.** The representations and warranties of Buyer herein do not contain any untrue statements of a material fact or omit to state a material fact necessary in order to make the statements contained herein or therein not materially misleading.

(g) **Broker.** Buyer has not incurred or become liable for any broker's commission or finder's fee relating to the transactions contemplated under this Agreement. Buyer agrees to indemnify and hold Seller harmless from any claims for brokerage fees, finder's fees or commissions asserted by any person acting on Buyer's behalf in connection with this transaction.

(h) **Financial Qualifications.** Buyer is financially qualified to consummate this transaction and has funds and other assets available to consummate the sale.

## 9. **Seller's Covenants.**

### (a) **Indemnification.**

(i) The sole and exclusive remedy which Buyer shall have against Seller under this Agreement after the Closing Date shall be the right to proceed for indemnification in the manner and only to the extent provided by this **Section 10**. Seller shall be responsible for

and hereby indemnifies Buyer and holds it and its agents, successors and assigns harmless, with respect to demands for indemnification asserted by Buyer within one (1) year after the Closing Date from, against and in respect of the Station and/or this Agreement:

(A) all liabilities, obligations, claims against and contracts of Seller of every kind and nature whatsoever, at any time existing or asserted, whether or not accrued, whether fixed, contingent or otherwise, whether known or unknown, and whether or not recorded on the books and records of Seller, arising out of or by reason of this or any other transaction or event occurring prior to the Closing related to the Stations, which have not been assumed by Buyer;

(B) all losses, damages and deficiencies resulting from any failure or breach of any representation or warranty, or any breach or nonfulfillment of any covenant or agreement, of Seller made in this Agreement; and

(C) All actions, suits, proceedings, claims, demands, assessments, judgments, fines, penalties, amounts paid in settlement, costs and expenses (including reasonable attorneys' fees and expenses) incident to any of the foregoing.

(ii) If a demand for indemnification arises out of a claim made against Buyer by a person not a party to this Agreement or affiliated with a party to this Agreement (a "Third Party Claim"), Buyer shall give prompt notice thereof to Seller, stating in reasonable detail the nature of the Third Party Claim, the identity of the party making the Third Party Claim (a "Third Party Claimant") and the specific representations, warranties or covenants which Buyer and/or the third party claimant contends Seller has breached. Such notice shall also indicate whether Buyer intends to defend against the Third Party Claim. If Buyer shall defend against the Third Party Claim, Seller shall cooperate in all reasonable respects with Buyer in such defense, shall make available to Buyer all records and other materials reasonably required by Buyer in such defense, and shall have the right to participate in such defense. If Buyer does not intend to defend against the Third Party Claim, then Seller may assume defense of the Third Party Claim through legal counsel of its choice reasonably satisfactory to Buyer, in which event Buyer shall cooperate in all reasonable respects with Seller in such defense, and shall make available to Seller and its counsel all records and other materials reasonably required by them in such defense, but Seller shall at all times control such defense. If Seller reaches a settlement with the Third Party Claimant which results in any liability to Buyer, or if a judgment is rendered against Buyer which judgment is not properly appealed or appealable, then Buyer shall be entitled to indemnification in an amount sufficient to discharge the Third Party Claim. Each party shall be responsible for its own costs and expenses, including legal fees, incurred in defending a Third Party Claim except that Seller shall pay Buyer's actual costs and expenses (including legal fees) incurred in connection with defending a claim which is determined adversely to Seller and which shall be found to have constituted a breach of Seller's representations, warranties and covenants hereunder.

(iii) If Buyer asserts a demand for indemnification hereunder, but such demand is not based upon a Third Party Claim, Buyer shall notify Seller thereof in writing, stating in reasonable detail the nature of Buyer's claim and the specific representations, warranties and covenants which Buyer contends Seller has breached. Seller shall have fifteen (15) days after the effective date of such notice to accept or reject Buyer's demand for indemnification. If Seller

accepts such demand for indemnification, Seller shall pay the amount of indemnification claimed by Buyer. If no acceptance is received by Buyer within such fifteen (15) day period, Seller shall be deemed to have rejected the demand. In the event Seller rejects Buyer's demand for indemnification or fail to accept such demand within such fifteen (15) day period, the parties shall immediately submit the controversy to arbitration in accordance with the provisions of **Section 9(a)(iv)**. If the arbitrator(s) render an award in the arbitration proceeding in favor of Buyer, Buyer shall be entitled to indemnification to the extent provided in such award and shall be entitled to an adjustment to the principal amount due to Seller in the Note should Seller be unable to pay the amount of the indemnification. If the arbitrator(s) render an award in favor of Seller, Seller shall have no further liability on Buyer's claim.

(iv) If there is any disagreement between Buyer and Seller concerning the validity of any demand for indemnification asserted under Section 6.1, then such disagreement shall, as provided by **Section 9(a)(iii)** or otherwise on demand of either party, be referred to arbitration in Denver, Colorado. Buyer and Seller shall attempt to agree on the appointment of a single arbitrator. If they are unable to agree, a panel of three arbitrators shall be appointed: one arbitrator shall be appointed by Buyer, one shall be appointed by Seller, and one shall be appointed by the two so appointed. The determination in writing of such arbitrator(s), signed by at least two of them (if there be more than one), shall be final and binding on the parties. Such determination shall be made as soon as practicable after the reference of the claim to arbitration. The arbitrators shall be governed by the Commercial Arbitration Rules of the American Arbitration Association then in effect, and shall have full power to make such regulations and to give such orders and directions in all respects as they shall deem expedient, as well as in respect to the claims and differences referred to them, and also with respect to the mode and times of executing and performing any of the acts or things which may be awarded or directed to be done. The arbitrator(s) shall also allocate among the parties the fees and expenses of the arbitrators and the actual costs and expenses (including legal fees) incurred by the parties in connection with the arbitration in an equitable manner consistent with the decision of the arbitrator(s) regarding the resolution of the claims and differences referred to them, which allocation shall form part of the arbitrator(s)' written determination.

(v) Seller's liability for all Claims under this **Section 9** shall be subject to the following limitations: Seller shall have no liability for Claims until the aggregate amount of the Claims incurred exceeds Ten Thousand Dollars (\$10,000.00) (the "Buyer Minimum Loss"); after the Buyer Minimum Loss is exceeded, Buyer shall be entitled to be paid the entire amount of the Claims, including the Buyer Minimum Loss, subject to the limitations on recovery and recourse set forth in this **Section 9**.

(b) **Access and Information.** Seller shall give Buyer reasonable access to FCC documentation.

(c) **Conduct of Station Business.** Prior to Closing, Seller will promptly deliver to Buyer copies of any application filed with the FCC with respect to the Stations (the "Assignment Application") after the filing of the same with the FCC.

(d) **Risk of Loss or Damage.** Seller shall bear all risk of loss or damage to any of the Assets to be transferred to Buyer hereunder occurring prior to the Closing. In the event any loss or damage occurs, the proceeds of any insurance policy covering such loss shall be used by

Seller to repair, replace or restore any such loss prior to the Closing; provided, however, that, if the proceeds of such insurance would not be sufficient to repair, replace or restore the loss, and Seller does not wish to provide additional funds for such purpose upon request by Buyer, Buyer if not then in default may terminate this Agreement or may elect to proceed with Closing with a credit toward the Purchase Price in the amount of the cost to repair, replace or restore. In the event of any such termination pursuant to this **Section 9** neither party shall have any further right or liability hereunder.

#### 10. **Buyer Indemnification.**

(a) The sole and exclusive remedy which Seller shall have against Buyer under this Agreement after the Closing Date shall be the right to proceed for indemnification in the manner and only to the extent provided by this **Section 10**. Buyer shall be responsible for and hereby indemnifies Seller and holds Seller and its agents, successors and assigns harmless, with respect to demands for indemnification asserted by Seller, as provided by this **Section 10**, within one (1) year after the Closing Date from, against and in respect of and in respect of the Stations and/or this Agreement

(i) The operation of the Stations subsequent to the Closing, including, but not limited to any and all claims, liabilities and obligations arising or required to be performed under the Assigned Contracts assumed by Buyer;

(ii) All losses, damages and deficiencies resulting from any failure or breach of any representation or warranty, or any breach or non-fulfillment of any covenant or agreement, of Buyer made in this Agreement; and

(iii) All actions, suits, proceedings, claims, demands, assessments, judgments, fines, penalties, amounts paid in settlement, costs and expenses (including reasonable attorneys' fees and expenses) incident to any of the foregoing.

(b) If subsequent to the Closing a demand for indemnification arises out of a Third Party Claim with respect to any circumstances specified in **Section 10(a)(i)**, Seller shall give prompt notice thereof to Buyer, stating in reasonable detail the nature of the Third Party Claim, the identity of the Third Party Claimant and the specific representations, warranties or covenants which Seller and/or the Third Party Claimant contends Buyer has breached. Such notice shall also indicate whether Seller intends to defend against the Third Party Claim. If Seller shall defend against the Third Party Claim, Buyer shall cooperate in all reasonable respects with Seller in such defense, shall make available to Seller all records and other materials reasonably required by Seller in such defense, and shall have the right to participate in such defense. If Seller does not intend to defend against the Third Party Claim, then Buyer may assume defense of the Third Party Claim through legal counsel of its choice, reasonably satisfactory to Seller, in which event Seller shall cooperate in all reasonable respects with Buyer in such defense and shall make available to Buyer and its counsel all records and other materials reasonably required by them in such defense, but Buyer shall at all times control such defense. If Buyer reaches a settlement with the Third Party Claimant which results in any liability to Seller, or if a judgment is rendered against Seller which judgment is not properly appealed or appealable, then Seller shall be entitled to indemnification in an amount sufficient to discharge the Third Party Claim. Each party shall be responsible for its own costs and expenses, including legal fees, incurred in

defending a Third Party Claim except that Buyer shall pay (i) Seller's actual costs and expenses (including legal fees) incurred in connection with defending a claim which is determined adversely to Buyer and which shall be found to have constituted a breach of Buyer's representations, warranties and covenants hereunder.

(c) If Seller asserts a demand for indemnification hereunder, but such demand is not based upon a Third Party Claim, Seller shall notify Buyer thereof in writing, stating in reasonable detail the nature of Seller's claim and the specific representations, warranties and covenants which Seller contend Buyer has breached. Buyer shall have fifteen (15) days after the effective date of such notice to accept or reject Seller's demand for indemnification. If Buyer accepts such demand for indemnification, it shall pay the amount of indemnification claimed by Seller. If no acceptance is received by Seller within such fifteen (15) day period, Buyer shall be deemed to have rejected the demand. In the event Buyer rejects Seller's demand for indemnification or fails to accept such demand within such fifteen (15) day period, the parties shall immediately submit the controversy to arbitration in accordance with the provisions of **Section 10(d)(iv)**. If the arbitrator(s) render an award in the arbitration proceeding in favor of Seller, Seller shall be entitled to indemnification to the extent provided in such award. If the arbitrator(s) render an award in favor of Buyer, Buyer shall have no further liability on Seller's claim.

(d) If there is any disagreement between Seller and Buyer concerning the validity of any demand for indemnification asserted under **Section 10**, then such disagreement shall, as provided by **Section 10(a)(iii)** or otherwise on demand of either party, be referred to arbitration in Denver, Colorado. Buyer and Seller shall attempt to agree on the appointment of a single arbitrator. If they are unable to agree, a panel of three arbitrators shall be appointed: one arbitrator shall be appointed by Buyer, one shall be appointed by Seller, and one shall be appointed by the two so appointed. The determination in writing of such arbitrator(s), signed by at least two of them (if there be more than one), shall be final and binding on the parties. Such determination shall be made as soon as practicable after the reference of the claim to arbitration. The arbitrators shall be governed by the Commercial Arbitration Rules of the American Arbitration Association then in effect, and shall have full power to make such regulations and to give such orders and directions in all respects as they shall deem expedient, as well as in respect to the claims and differences referred to them, and also with respect to the mode and times of executing and performing any of the acts or things which may be awarded or directed to be done. The arbitrators shall also allocate among the parties the fees and expenses of the arbitrators and the actual costs and expenses (including legal fees) incurred by the parties in connection with the arbitration in an equitable manner consistent with the decision of the arbitrator(s) regarding the resolution of the claims and differences referred to them, which allocation shall form part of the arbitrator(s)' written determination.

(e) Buyer's liability for all claims under this **Section 10** (a "Claim") shall be subject to the following limitations: (i) Buyer shall have no liability for Claims until the aggregate amount of the Claims incurred exceeds Ten Thousand Dollars (\$10,000.00) (the "Seller Minimum Loss"); after the Seller Minimum Loss is exceeded, Sellers shall be entitled to be paid the entire amount of the Claims, including the Seller Minimum Loss, subject to the limitations on recovery and recourse set forth in this **Section 10**.

## 11. **Application for FCC Approval.**

(a) **Filing and Prosecution of Application.** Buyer and Seller shall, not later than ten (10) business days from the date hereof, file with the FCC an application requesting its written consent to the assignment of the FCC Authorizations of the Stations from Seller to Buyer. Buyer and Seller shall take all steps necessary to the expeditious prosecution of such application to a favorable conclusion, using their best efforts throughout.

(b) **Expenses.** Each party shall pay its own expenses in connection with the preparation of the applicable sections of the FCC application and in connection with the prosecution of such application. Buyer and Seller shall equally pay any FCC application filing fee due upon submission of the Assignment Application.

(c) **Designation for Hearing.** If, for any reason, with respect to the application for assignment of the FCC Authorizations any objection to the sale is filed by a third party, or the staff of the FCC advises that designation for hearing will be required, either party, if not then in default, shall have the right, by written notice within sixty (60) days of such notification, to terminate this Agreement, in which event neither party shall have any rights or liabilities hereunder.

(d) **Time of FCC Consent.** If approval of the assignment of the FCC Authorizations has not become final (all protests and appeals having been decided or dismissed, or barred by the expiration of time and the period for review by the FCC on its own motion of a grant by the FCC staff on delegated authority having expired without the initiation of such review or else such review having been undertaken and an affirmance of the grant of consent having become final) within twelve (12) months from the date of filing the applications for assignment with the FCC, either party, if not then in default, may terminate this Agreement by giving written notice to the other. Upon such termination, neither party shall have any further right or liability hereunder. Either party may likewise terminate, if said party is not in default, if Closing has not occurred within twelve (12) months from the date of filing the application for assignment with the FCC.

(e) **Control of Stations.** This Agreement shall not be consummated until the FCC has given its written consent to the assignment of the FCC Authorizations of the Stations to the Buyer and operation of the Stations prior to Closing shall remain the responsibility of Seller as holder of the FCC Licenses. The risk of any interruption in the Stations' normal broadcast transmission, shall remain with Seller at all times until 12:01 a.m. local time on the day of Closing, and prior to Closing Seller shall repair and replace any lost or damaged Assets and restore any interrupted transmission.

## 12. **Conditions to Parties' Obligations.**

(a) **Conditions to Buyer's Obligations.** The obligations of Buyer to complete the transactions provided for herein shall be subject, at its election, to satisfaction on or before the Closing Date of each of the following conditions:

(i) All representations and warranties of Seller contained in this Agreement shall be true and correct in all material respects as of the date hereof and as of the Closing Date as though made on and as of the Closing Date (except as may be otherwise provided in this

(B) Assignment Agreement from the Landlord consenting to the assignment of the lease for the tower/transmitter site of the stations and estoppel certificates from the Landlord.

(C) Any and all other documents reasonably requested by Buyer.

(vii) Except as otherwise expressly provided herein, all taxes, assessments, prepaid expenses and utilities shall have been prorated between Buyer and Seller to the Closing Date.

(viii) Seller shall have delivered to Buyer actual possession of the Assets.

(ix) Each of the landlords under the Leases shall have consented to the assignment thereof to Buyer and shall have released Seller from all liability thereunder.

(x) Seller shall have released Buyer from all outstanding payment obligations under the LMA with respect to the Stations.

(b) **Conditions to Seller's Obligations.** The obligations of Seller to complete the transactions provided for herein shall be subject, at its election, to satisfaction on or before the Closing Date of each of the following conditions:

(i) All representations and warranties of Buyer contained in this Agreement shall be true and correct in all material respects as of the date hereof and as of the Closing Date as though made on and as of the Closing Date (except as may be otherwise provided in this Agreement), and Seller shall have received a certificate to that effect, dated the Closing Date, signed by an officer of Buyer;

(ii) Buyer shall have performed all obligations required to be performed by it hereunder, the performance of which has not been waived by Seller, and Seller shall have received a certificate to that effect, dated the Closing Date, signed by an officer of Buyer;

(iii) Buyer's execution and delivery of this Agreement, its compliance with the provisions hereof and the consummation of all of the transactions contemplated hereby shall have been duly and validly authorized by all necessary action on the part of Buyer, and Seller shall have received a duly certified copy of all required consents effecting the same;

(iv) There shall not be in effect any judgment, decree or order of, or position taken by, any court or administrative body of competent jurisdiction, nor shall there have been any action, suit, proceeding or known investigation instituted or threatened, nor shall any law or regulation have been enacted or any action taken thereunder, which would, in Seller's reasonable judgment, restrain or prohibit, make illegal, or subject Seller to material damage as a result of, the consummation of the transactions contemplated hereby;

(v) The FCC shall have given the consent contemplated by **Section 11** which consent has become final and non-appealable;

(vi) Buyer shall have delivered to Seller the following documents and instruments:

(A) Delivery of the Note and Security Agreement substantially in the forms set forth in **Exhibit A** and **Exhibit B**, respectively.

(B) Any and all other documents reasonably requested by Seller; and

(vii) Each of the landlords under the Leases shall have consented to the assignment thereof to Buyer and shall have released Seller from all liability thereunder.

(c) **Conditions to Both Parties' Obligations.** The parties shall have agreed on the forms of Note and Security Agreement.

13. **Closing.** Subject to the terms and conditions herein stated, the parties agree as follows:

(a) **Closing Date.** Subject to satisfaction of the conditions set forth at Section 12 herein, the closing of the transaction provided for in this Agreement (the "Closing") shall be held not later than fifteen (15) business days following the date upon which the order of the FCC approving the assignment of the FCC Authorizations for the Stations from Seller to Buyer has

become final (i.e., no action, request for stay, petition for rehearing or reconsideration, or appeal is pending and the time for filing such request, petition, or appeal has expired and the period for review by the FCC on its own motion of a grant by the FCC staff on delegated authority having expired without the initiation of such review or else such review having been undertaken and an affirmance of the grant of consent having become final), (the “Closing Date”). Such Closing shall take place at the law offices of Buyer, or by mail, at 10:00 a.m. on the Closing Date, or such other place and time as mutually agreed.

(b) **Failure to Close; Termination.** This Agreement may be terminated at any time prior to the Closing Date, as follows:

- (i) by the mutual consent of Seller and Buyer; or
- (ii) by Seller, upon notice to Buyer, if on the Closing Date, without any breach by Seller of its obligations hereunder, Buyer has not complied with one or more of the conditions set forth in **Section 12(b)** (and such compliance is not waived by Seller) and/or Buyer is in default hereunder; or
- (iii) by Buyer, upon notice to Seller, if on the Closing Date, without any breach by Buyer of its obligations hereunder, Seller has not complied with one or more of the conditions set forth in **Section 12(a)** (and such compliance is not waived by Buyer) and/or Seller is in default hereunder; or
- (iv) by either party upon notice to the other if Closing does not occur within one year from the date of this Agreement.

In the event of any termination as provided by this **Section 13(b)(i)**, this Agreement shall thereupon become void and of no effect, without any further liability on the part of any party. In the event that there is a termination pursuant to this **Section 13(b)(ii) or (iii)**, the parties shall have the remedies provided for in **Section 14**.

(c) A party shall “default” under this Agreement if it knowingly makes any material misrepresentation to the other party in connection with this Agreement, or materially breaches or fails to perform any of its representations, warranties, conditions or covenants contained in this Agreement. Non-material breaches or failures shall not be grounds for declaring a party to be in default, postponing the Closing, or terminating this Agreement.

(d) If either party believes the other to be in default hereunder, the former party shall provide the other with written notice specifying in reasonable detail the nature of such default. If the default is not curable or has not been cured within ten (10) days after delivery of that notice (or such additional reasonable time as the circumstances may warrant provided the party in default undertakes diligent, good faith efforts to cure the default within such ten (10) day period and continues such efforts thereafter), then the party giving such notice may exercise the remedies available to such party pursuant to this Agreement, subject to the right of the other party to contest such action through appropriate proceedings.

14. **Remedies.** Seller’s sole and exclusive remedy at law and equity for material breach by the Buyer pursuant to **Section 13(b)(ii)** shall be retention of the Deposit. Buyer shall be entitled to specific performance for any breach by Seller under this Agreement. If any action is brought

by Buyer to enforce this Agreement through equitable relief, Seller shall waive the defense that there is an adequate remedy at law, and hereby expressly acknowledges and agrees that the Assets include unique property that cannot be readily obtained on the open market. The terms of this **Section 14** shall survive indefinitely beyond the execution date of this agreement. Nothing herein shall limit either parties ability to enforce their respective rights to indemnification as provided herein

**15. Further Covenants.**

(a) **Taxes.** All taxes originating from this transaction shall be paid by the party responsible by law to pay such tax.

(b) **Expenses of the Parties.** Except as otherwise expressly provided in this Agreement, all expenses involved in the preparation, negotiation, authorization and consummation of this Agreement and the transactions contemplated hereby, including all fees and expenses of agents, representatives, counsel and accountants, shall be borne solely by the party who shall have incurred the same, and no other party shall have any responsibility with respect thereto.

(c) **Confidentiality.** Except for necessary disclosure to such party's directors, officers, members, immediate family, employees, counsel, accountants, lenders and other agents, and except for the disclosure contemplated by **Section 11** and such disclosure as may be required by law, each party shall keep the provisions of this Agreement which are not public record confidential both prior and subsequent to the Closing Date. Without limiting the generality of the foregoing, no party shall make any press release or advertisement with respect to the transactions contemplated hereby without the prior consent of the other party, unless the disclosing party determines, upon the advice of counsel, that such action is required by law, and then the disclosing party shall promptly notify the other party of such disclosure.

(d) **Further Assurances.** Each party shall cooperate with the other, take such further action, and execute and deliver such further documents, as may be reasonably requested by any other party in order to carry out the terms and purposes of this Agreement. Without limiting the generality of the foregoing, from and after the Closing Date:

(i) each party shall file all tax returns consistent with the allocation of the Purchase Price as set forth in **Section 5**, and no party shall take any position on audit or in litigation which is inconsistent with such allocation if such position would result in the payment of any additional tax by, or the disallowance of any deduction or credit to, any other party; and

(ii) upon request, each party shall take such action and deliver to the requesting party such further instruments of assignment, conveyance or transfer and other documents of further assurance as in the opinion of counsel to the requesting party may be reasonably desirable to assure, complete and evidence the full and effective transfer, conveyance and assignment of the Assets and possession thereof to Buyer, its successors and assigns, and the performance of this Agreement by Seller and Buyer in all respects.

**16. Survival of Representations, Warranties and Covenants.** The several representations, warranties and covenants of the parties herein contained, and the provisions hereof which by their terms are to be performed after the Closing Date, shall survive the Closing Date for the

periods set forth herein, and shall be effective regardless of any investigation which may have been or may be made at the time by or on behalf of the party to whom such representations, warranties, covenants and agreements are made. Seller's representations and warranties shall survive no more than one year after Closing.

17. **Amendment and Waiver.** This Agreement may be amended only by a writing executed by each of the parties hereto. No waiver of compliance with any provision or condition hereof, and no consent provided for herein, shall be effective unless evidenced by an instrument in writing duly executed by the party sought to be charged therewith. No failure on the part of any party to exercise, and no delay in exercising, any of its rights hereunder shall operate as a waiver thereof, nor shall any single or partial exercise by any party of any right preclude any other or future exercise thereof or the exercise of any other right.

18. **Assignment.** No party shall assign or attempt to assign any of its rights or obligations under this Agreement without the prior written consent of the other party hereto.

19. **Notices.** All notices, requests, demands or other communications hereunder shall be in writing and deemed given when delivered personally, when sent via e-mail, when deposited to be sent via a nationally-recognized overnight courier keeping receipts of delivery, service prepaid or billed to sender, or on the day said communication is deposited in the U.S. mail, by registered or certified mail, return receipt requested, postage prepaid, addressed as follows:

While notice given by courier service or mail shall be effective when deposited with the courier service or in the mails, properly addressed and postage paid or shipping charges paid or billed to the sender, all as aforesaid, the period in which a response to such a notice must be given or taken shall run from the date of receipt by the addressee. Rejection, refusal to accept delivery or inability to deliver due to changed address of which no notice has been given shall be deemed receipt by the addressee.

20. **Adjustment Time.** The "Adjustment Time" as used herein shall be 12:01 A.M. current local time on the Closing Date.

21. **Adjustment Items.** The following items (the "Adjustment Items") shall be prorated as of the Adjustment Time, assuming a 365-day year or a 30-day or 31-day month, as appropriate, and monies shall be paid or prorated at Closing with respect to any of the Assets:

(a) Personal property taxes and assessments (including sewerage assessments and fees), levied or assessed against or otherwise paid or payable.

(b) Charges for utilities, if any.

(c) Security deposits, if any.

(d) If the amount of any personal property tax to be prorated is not known on the Closing Date, such tax shall be apportioned on the basis of the most recent tax assessment.

22. **Adjustments After Closing Date.** If the amount of any items to be adjusted cannot be readily ascertained or agreed upon on the Closing Date, proration of such items shall be determined within thirty (30) days after the Closing Date and payment therefor shall be made to the party entitled thereto within five (5) days after notice of such determination thereof has been given to Buyer or Seller, as the case may be. In the event of any disputes between the parties as to adjustments, the amounts not in dispute shall nonetheless be paid at the time provided in this Section and such disputes shall be determined by an independent certified public accountant mutually acceptable to the parties. The accountant's resolution of the dispute shall be final and binding on the parties, and a judgment may be entered thereon in any court of competent jurisdiction. The fees and expenses of such accountant shall be paid one-half by Seller and one-half by Buyer.

23. **Binding Effect.** This Agreement shall be binding upon and shall inure to the benefit of the parties and their respective successors and permitted assigns. This Agreement creates no rights of any nature in any person not a party hereto.

24. **Governing Law.** This Agreement shall be governed by and construed in accordance with the laws of the State of Colorado. Any dispute by the parties shall be resolved by

arbitration to be conducted in Denver, Colorado by a sole arbitrator under the rules of the American Arbitration Association.

25. **Effect of Agreement.** This Agreement sets forth the entire understanding of the parties, and supersedes any and all prior agreements, arrangements and understandings, written or oral, relating to the subject matter hereof.

26. **Headings; Counterparts.** The Article and Section headings of this Agreement are for convenience of reference only and do not form a part hereof and do not in any way modify, interpret or construe the intention of the parties. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery of an executed counterpart of a signature page to this Agreement by facsimile shall be effective as delivery of a manually executed counterpart of this Agreement. Any party who delivers such a signature page by facsimile agrees to deliver later an original counterpart to any party that requests it.

27. **Recovery of Attorneys' Fees.** In any litigation instituted by either party alleging that the other party has committed a breach of this Agreement, the prevailing party shall be entitled to recover, its reasonable attorneys' fees and other costs incurred in connection with the conduct or defense of such litigation.

28. **Miscellaneous.**

(a) **Waiver.** Failure of either Buyer or Seller to exercise any right given hereunder or to insist upon strict compliance with regard to any term, condition or covenant specified herein, shall not constitute a waiver of Buyer's or Seller's right to exercise such right or to demand strict compliance with any term, condition or covenant under this Agreement.

(b) **Counterparts.** This Agreement may be executed in several counterparts, each of which may be deemed an original, and all of such counterparts together shall constitute one and the same Agreement.

(c) **Captions.** All captions, headings, paragraph and subparagraph numbers and letters are solely for reference purposes and shall not be deemed to be supplementing, limiting, or otherwise varying the text of this Agreement.

(d) **Severability.** The invalidity or unenforceability of a particular provision of this Agreement shall not affect the other provisions hereof, and this Agreement shall be construed in all respects as if such invalid or unenforceable provision were omitted.
