

**Multiple Ownership Compliance Study**  
**Hochman Hawaii Five, Inc.**  
Haiku, Hawaii  
October 2010

This Multiple Ownership Compliance Study was conducted to determine if Hochman Hawaii Five, Inc. could acquire KRYL (FM) on Channel 293C at Haiku, Hawaii and still be in compliance with §73.3555 of the Commission's rules. Because Haiku is not located in any BIA Metro, this study utilizes the Commission's Interim Contour-Overlap methodology.

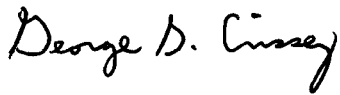

The applicant also has attributable interest with KONI (FM) at Lanai City, HI; KRKH (FM) on Channel 247C2 at Wailea-Makena, HI; a new AM station (Application File No. BNP-20051031ADD) at Kahului, HI; KPHI (AM) at Honolulu, HI; KORL-FM at Waianae, HI; KITH (FM) at Kapaa, HI and KTOH (FM) at Kalaheo, HI. These stations with common attributable interest are shown in Exhibit #1. KRYL (FM) has common overlap with KONI (FM), KRKH (FM) and AM Application BNP-20051031ADD, forming one distinct radio market.

The subject stations are KRYL (FM), KONI (FM), KRKH (FM) and Application BMPH-20071221ADD. These subject stations are shown in Exhibit #2. All FM services to the subject area are shown in Exhibit #3 and all AM services to the subject area are shown in Exhibit #4. Exhibit #5 is a tabulation of all services to the subject area. The combined contour maps show 19 services including the 4 subject stations (1 AM and 3 FM). §73.3555 (a) (1) (iii) states that a person or single entity (or entities under common control) may have a cognizable interest in licenses for AM or FM radio broadcast stations

*In a radio market with between 15 and 29 (inclusive) full-power, commercial and noncommercial radio stations, not more than 6 commercial radio stations in total and not more than 4 commercial stations in the same service (AM or FM);*

Based on these findings, it is believed that the acquisition of KRYL (FM) by Hochman Hawaii Five, Inc. is in compliance with §73.3555 of the Commission's rules.

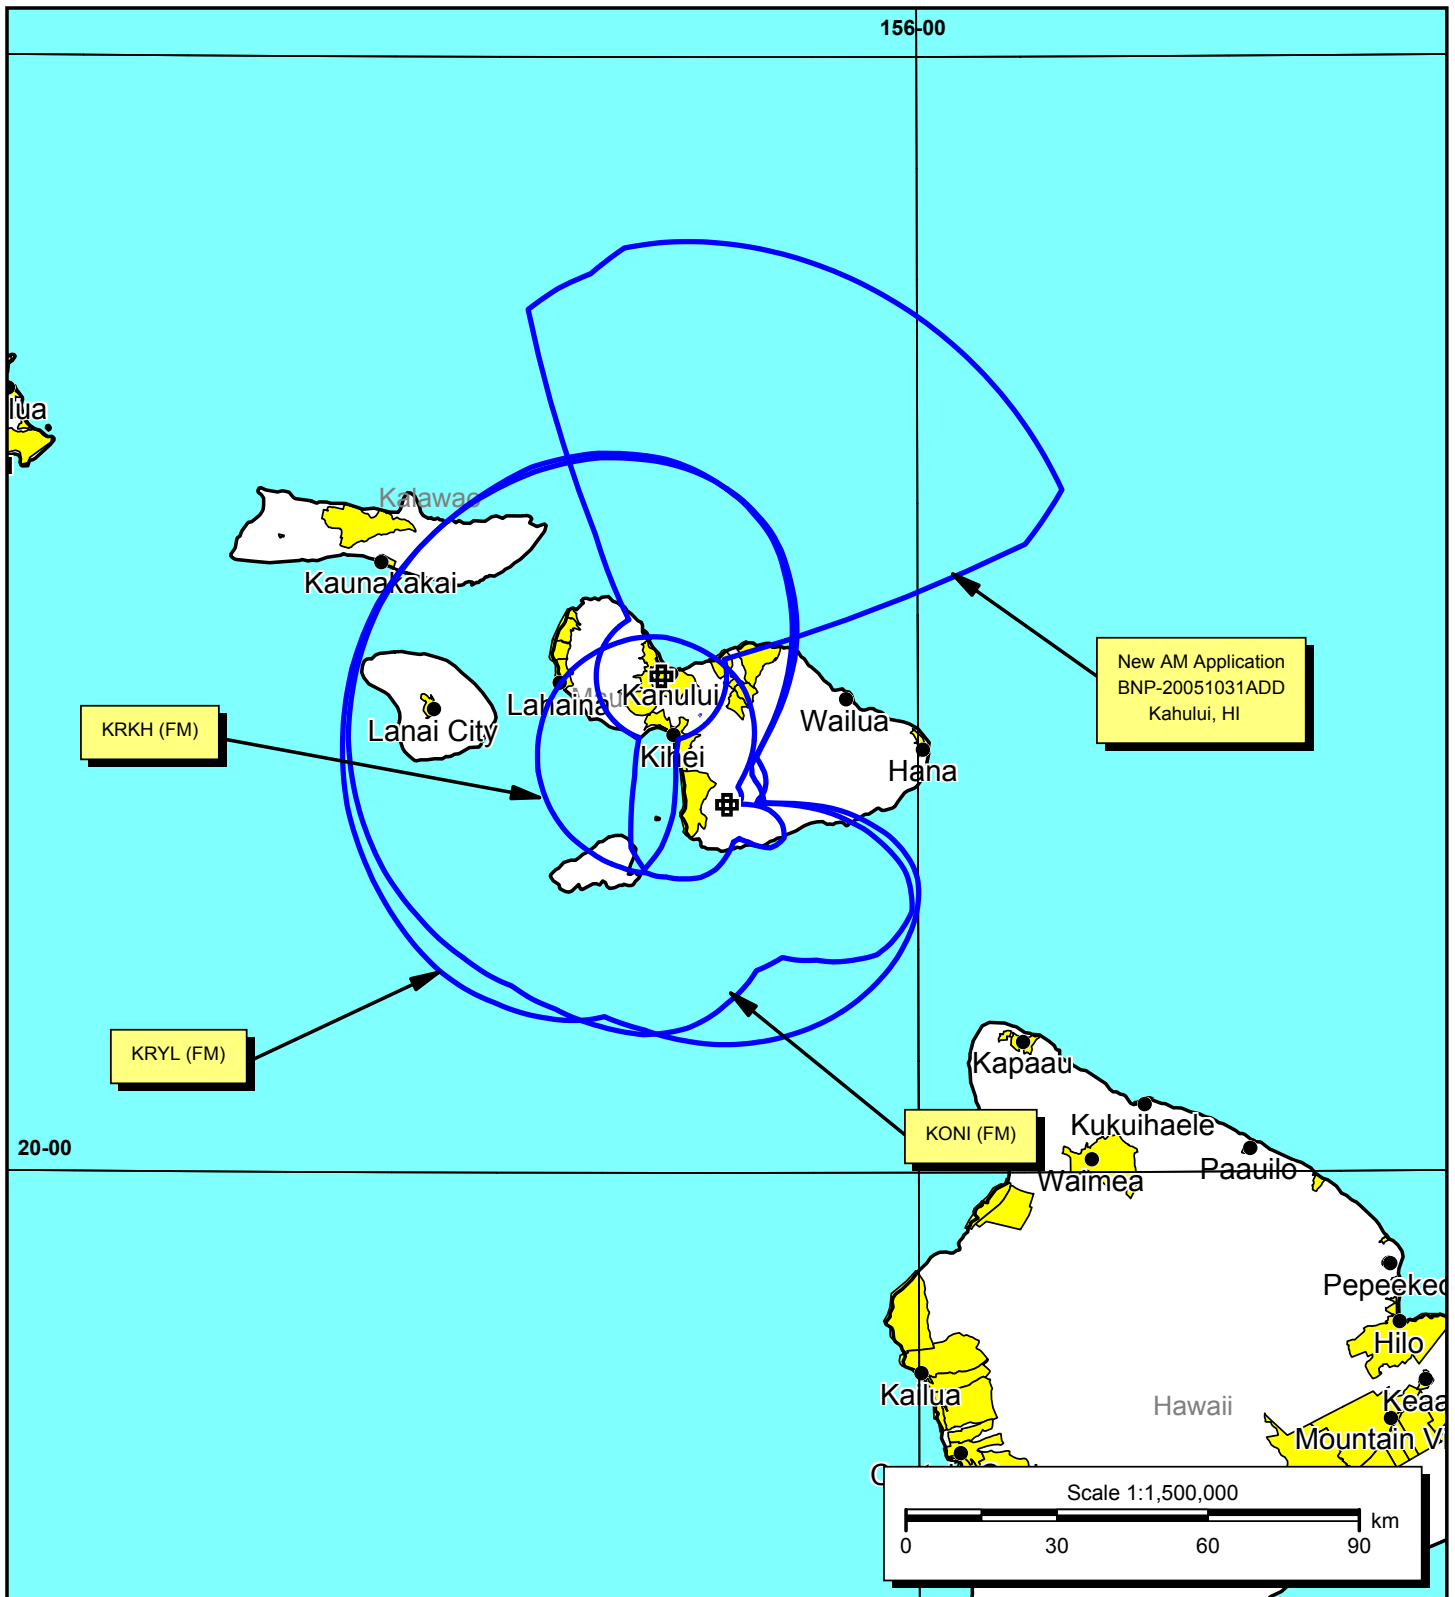

All statements contained herein are thought to be accurate and correct to the knowledge of the undersigned.
