Re: Anastos Media Group, Inc.
WUAM (AM), Saratoga Springs, New York
Facility Identification Number: 72620
Special Temporary Authority

Dear Counsel:

This is in reference to the request filed March 10, 2008, on behalf of Anastos Media Group, Inc. ("AMG"), licensee of Station WUAM (AM), Saratoga Springs, New York, for further extension of the special temporary authority ("STA") granted July 28, 2006, for continued operation of Station WUAM with an emergency long wire antenna.

Our review indicates that, subsequent to the filing of the extension request, AMG completed construction of modified facilities for Station WUAM authorized by Construction Permit BP-20070119AEY, and that License BL-20080319AEC, to cover the permit, was granted on July 18, 2008. In view of the foregoing, STA is no longer necessary.

Accordingly, the request for extension of STA IS HEREBY DISMISSED.

Sincerely,

Charles N. Miller, Engineer
