

**OWENS & HOWARD
BROADCAST ENGINEERING CONSULTANTS**

1341 PROVIDENCE WAY, LAWRENCEVILLE GA. 30345

PHONE: 770-963-7467

PAGER: 404-655-0997

This Letter is to certify that the principal owners of Owens & Howard Broadcast Engineering Consultants, have a combined total of 73 years experience in Broadcast Engineering at Georgia Public Broadcasting; each also have completed Electronics Technology Programs at their respective technical institutions.

Recently, Owens & Howard completed the installation of a new FM transmitter and associated equipment at WCLK-FM. The services of other professionals, such as one RF specialist and one surveyor were utilized as necessary.

Professional practices were observed at all times and the installation was completed within the rules and regulations of The Federal Communications Commission.
