

TRUE LIGHT BROADCASTING, INC.  
LPFM (New) - Minot, ND

ENGINEERING STATEMENT  
Proposed Antenna Structure

The following data and information are submitted in response to the Commission's deficiency letter of 30 September 2003. As shown graphically in the attached antenna sketch, the proposed LPFM antenna and its supporting pipe would not extend more than 6.1 meters above an existing water tower (not an antenna structure).

It is submitted that this arrangement conforms to the provisions of Section 17.14(b) of the Commission's Rules such that it is specifically exempted from notification to the Federal Aviation Administration.
