FCC Office of the Secretary

Ms. Marlene H. Dortch, Secretary  
Federal Communications Commission  
445 12<sup>th</sup> Street, S.W.  
Washington, D.C. 20554

**Re: AM Radio Station WMYR, Fort Myers, Florida (Facility No. 56984)  
FM Translator W294AN, Fort Myers Beach, Florida (Facility No. 139046)  
Location of Control Points**

Dear Ms. Dortch:

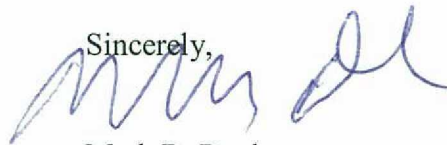

J&B WMYR, LLC ("J&B"), the licensee of AM station WMYR, Fort Myers, Florida ("WMYR") and FM translator station W294AN, Fort Myers Beach, Florida ("W294AN" and together with WMYR, the "Stations"), pursuant to Section 73.1350(h) of the Commission's rules, by its attorney, hereby notifies the Commission that over the next few weeks, J&B will be operating the Stations from a control point, on a secondary basis, at the following address:

1061 Collier Center Way  
Naples, Florida 34110

The signal of WMYR is rebroadcast on W294AN. J&B is in the process of permanently relocating the WMYR main studio and public inspection file to the address set forth in the preceding paragraph and will notify the Commission when such work has been completed. In the meantime, while the relocation work is ongoing, J&B expects to operate the Stations from their existing control point (5043 E. Tamiami Trail, Naples, FL 34113) on a primary basis and from the Collier Center Way control point on a secondary basis.

Please direct any questions regarding this matter to the undersigned.

Sincerely,

Mark B. Denbo  
Counsel to J&B WMYR, LLC
