Association Statement of: Saint Joseph Radio

5/27/09

Who we are:

Saint Joseph Radio is a Montana not-for-profit educational organization formed on May 27, 2009 to provide prayer and education in the Catholic faith to the public through radio broadcasts, cd's, and brochures.

Saint Joseph Radio plans to incorporate and comply with section 501(C) (3) of the internal revenue code for "charitable, religious educational and scientific purposes."

What we do:

Saint Joseph Radio plans to broadcast prayer and educational programming produced by or in conjunction with Roman Catholic educational institutions, community, and family organizations for the edification of all in the "Truth."

Saint Joseph Radio may distribute religious and educational material to aid those interested in deepening their education and prayer.

How we will do it:

Saint Joseph Radio plans to operate a commercial-free FM station. Our financial support will come from the generosity of those who listen and appreciate our educational mission. When not providing local programming, Saint Joseph Radio will provide programming from other radio services such as Eternal Word Television Network (EWTN), whose programming has been found by the FCC to further educational purposes, in the case of other broadcast applicants. Saint Joseph Radio will operate 24 hours per day, 365 days per year to serve central Montana.
