To Whom It May Concern,

The translator W300BN was constructed by Light of Life Ministries, at 12 Victoria Lane, Blackstrap Hill, Falmouth, Maine. It was completed July 15, 2007. We are not sure how the ball was dropped concerning the license application. Our operations technician, Ray Bouchard was in Boston at the time undergoing extensive treatments for cancer. He was in the hospital for 12 weeks. We thought we were licensed for this application and was shocked to discover we are not.

Best Regards!

Sincerely,
