          In re: **WVXM(FM), Middlebury, VT**
                  Facility ID No. 174578
                  Silent since March 31, 2014

                  Request for Special Temporary
                  Authority to Remain Silent

Dear Mr. Crigler:

       This letter concerns the request you filed on April 4, 2014, on behalf of Vermont Public Radio ("VPR"), for Special Temporary Authority to permit FM Radio Station WVXM to remain silent.

       VPR's request states that Station WVXM(FM) went silent on March 31, 2014, for technical reasons. The request includes the appropriate certification regarding Section 5301 of the Anti-Drug Abuse Act of 1988.[1]

       VPR's request is granted. Accordingly, Special Temporary Authority is granted to permit Station WVXM(FM) to remain silent not to exceed 180 days from the date of this letter. **Notwithstanding the grant of this Special Temporary Authority, the broadcast license for Station WVXM(FM) will automatically expire as a matter of law if broadcast operations do not commence by 12:01 a.m., April 1, 2015.**[2] *See* Section 312(g) of the Communications Act, 47 U.S.C. § 312(g).

       The station's silent status does not suspend the licensee's obligation to comply with all other relevant Commission rules, including the filing, when appropriate, of applications for renewal of broadcast license. It is imperative to the safety of air navigation that any prescribed painting and illumination of the station's tower shall be maintained until removed. *See* 47 C.F.R. §§ 17.6 and 73.1740(a)(4).

                     Sincerely,

                     Lisa Scanlan
                     Assistant Chief, Audio Division
                     Media Bureau

[1] In the event extension of special temporary authority is sought, please renew the certification in this matter.

[2] In addition to filing electronically with the Commission on the date operations resume, notification of resumption of broadcast operations must be emailed to Denise.Williams@FCC.gov.
