**Subject:** Fw: petition to deny BNPDTT 20090825BDN

Dear Sir:

After receiving a letter from Juab County dated April 19, 2010, that assures Iron County that Juab County will not operate facilities that interfere with signals received at the Levan Utah television site, Iron County requests that our objection to construction of proposed facilities represented in file number BNPDTT 20090825BDN be withdrawn.

Dennis C. Johnson  
Iron County Television Director
