

I, Scott Tikalsky, hereby state that I am a surveyor licensed by the state of California.

On August 14, 2008, I surveyed the installation of the directional FM antenna for KKRO, Redding, CA. I found that the antenna has been installed in accordance with the manufacturer's instructions in that it is oriented at a true azimuth of 190°.

A handwritten signature in blue ink, appearing to read "S. R. Tikalsky", is written over a horizontal line.
