

MAIN STUDIO LOCATION

The original construction permit (BPED-19980512MF) authorized WRTJ to operate as a “satellite” station of WRTI, Philadelphia, PA with a waiver of the main studio rule (47 CFR §73.1125). The underlying construction permit (BMPED-20070907ADR) for which this application for license is filed likewise contains a special operating condition (#2) which reaffirms the main studio waiver and authorization for WRTJ to operate as a satellite of WRTI. Temple University of the Commonwealth System of Higher Education continues to be the licensee of both WRTI and WRTJ. WRTJ will operate from the WRTI main studio of record at 1509 Cecil B. Moore Avenue, Philadelphia, PA.
