

AMENDMENT

This amendment is filed pursuant to the FCC's Public Notice DA 19-1305 dated December 20, 2019 requiring pending license assignment applicants for commercial stations to amend their applications to certify compliance with the multiple ownership rules reinstated by FCC Order DA 19-1303 dated December 20, 2019 and now reflected in revised 47 CFR 73.3555.

The Applicants herein certify that all parties to the application currently comply, and will comply after consummating this transaction, with the FCC's multiple ownership and joint ownership rules as reinstated in revised 47 CFR 73.3555.

This amendment is also filed to reflect that KJJC, Murray, Utah (FID 58303) will be the primary station for FM translator K260DR, Bluffdale, Utah (FID 202893).

No other changes are made to the application.
