Dear Applicant:

This letter refers to the above-captioned minor change application to modify the community of license from Wilcox, AZ to Tanque Verde, AZ and to change effective radiated power, transmitter location, class, and directional antenna pattern.

An engineering study reveals that the proposal violates 47 CFR § 73.3573(g)(4). Specifically, the applications must demonstrate the existence of a suitable assignment site that fully complies with § 73.207. The proposed assignment site is short-spaced by 4 kilometers to the 2<sup>nd</sup>-adjacent Channel 283A vacant allotment in Vail, AZ. The required spacing pursuant to § 73.207 is 31 kilometers while the actual spacing proposed in the application is 27 kilometers. This deficiency constitutes an acceptance defect. Therefore, the application must be amended.

Pursuant to 47 C.F.R. § 73.3522, "... an applicant whose application is found to meet the minimum filing requirements but nevertheless is not complete and acceptable shall have the opportunity in the 30-day period specified in the FCC staff's deficiency letter to correct all deficiencies in the tenderability and acceptability of the underlying application, including any deficiency not specifically identified by the staff." Additionally, 47 C.F.R. § 73.3564 states that "[a]pplications with uncorrected tender and/or acceptance defects remaining after the opportunity for corrective amendment will be dismissed with no further opportunity for amendment." See Appendix B in the Report and Order in MM Docket No. 91-347. This letter constitutes your opportunity for corrective amendment pursuant to 47 C.F.R. § 73.3522.

Further action on the subject application will be withheld for a period of thirty days from the date of this letter to provide the KWCX-FM opportunity to respond. Failure to correct all tender and acceptance defects within the thirty days from the date of this letter will result in the dismissal of the application with no further opportunity for corrective amendment pursuant to 47 C.F.R. § 73.3564. Please note, any amendment must be submitted in the same manner as the original application.

Sincerely,
