

**Exhibit 13**

**Acquisition of Control**

No single person or entity held a controlling (50% or more) voting interest in Meredith Corporation (the “Corporation”) either before or after the death of E.T. Meredith, III. More than 60% of the stock of the Corporation is held by or for the benefit of members of Mr. Meredith’s family. As described in Exhibit 2, Katherine Meredith, Dianne Mell Meredith Frazier, and Edwin Meredith IV together will hold more than 50% of the voting rights in the Corporation stock following the death of Mr. Meredith. The interests in the Corporation held by Katherine Meredith, Dianne Mell Meredith Frazier, and Edwin Meredith IV prior to the death of Mr. Meredith have previously been reported to and approved by the Commission. An example of a recently approved application providing the above-cited members’ interests in the Corporation is the application proposing the assignment of the license for KPTV(TV), Portland, Oregon, from Fox Television Stations, Inc. to the Corporation, which was granted on May 13, 2002, prior to the death of Mr. Meredith. *See* FCC File No. BALCT-20020322ABF.
