(b) The Purchase Price shall be adjusted as follows:

The Sellers’ Providence Adjustment Certificate shall be accompanied by appropriate documentation supporting the estimates contained therein. Subject to the foregoing, the good faith estimate of the net adjustment to the Purchase Price pursuant to Section 2.5(b) with respect to such Channel Share Closing Current Assets and Channel Share Assumed Purchase Price Liabilities in the Sellers’ Providence Subsequent Adjustment Certificate shall be conclusive for the purposes of the payment to be made by Buyers at the Subsequent Channel Share Closing, but shall be

subject to adjustment after the Subsequent Channel Share Closing in accordance with the applicable provisions of Section 2.6.

(f) The Purchase Price, as adjusted pursuant to Section 2.5(b) in accordance with the Sellers' Initial Adjustment Certificate, is referred to herein as the "**Closing Estimated Purchase Price**." The Closing Estimated Purchase Price shall be payable by Buyers at the Closing as follows: (i) Five Million Six Hundred Twenty Five Thousand Dollars (\$5,625,000) of the Closing Estimated Purchase Price shall be deposited into an escrow account with the Escrow Agent, to secure the ZGS Parties' indemnity obligations to Buyers under Section 11.2(a) (such amount, the "**Escrow Amount**"), (ii) an amount necessary to discharge fully the then-outstanding balance of the indebtedness to John Marshall Bank, as evidenced by a payoff letter (including customary releases and arrangements for the termination and release of any liens and other security interests related thereto) in a form reasonably acceptable to Buyers (the "**John Marshall Bank Payoff Letter**") and delivered to Buyers on or prior to the Closing Date, shall be paid to John Marshall Bank, and (iii) the balance of the Closing Estimated Purchase Price shall be paid to Sellers in cash by wire transfer of immediately available funds to such account as Sellers shall designate by written notice to Buyers not fewer than two Business Days prior to the Closing Date (or if not so designated, then by certified or official bank check payable in immediately available funds to the order of Sellers in such amount).

(g) In the event that the Sellers' D.C./Hartford Subsequent Adjustment Certificate sets forth an estimate of Channel Share Closing Net Current Assets that is a positive number, then at the D.C./Hartford Channel Share Closing, Buyers shall pay to Sellers such estimated amount of the Channel Share Closing Net Current Assets set forth in the Sellers' D.C./Hartford Subsequent Adjustment Certificate in cash by wire transfer of immediately available funds to such account as Sellers shall designate by written notice to Buyers not fewer than two Business Days prior to the D.C./Hartford Channel Share Closing Date (or if not so designated, then by certified or official bank check payable in immediately available funds to the order of Sellers in such amount). (i) The release of the Escrow Amount shall be determined in accordance with the terms of the Escrow Agreement, which shall provide that the Escrow Amount, less the amount of any claims paid to or made by Buyer in accordance with the terms of the Escrow Agreement, shall be paid to the Sellers on the first anniversary of the Closing Date (or the first Business Day thereafter, if such date is not a Business Day). If Buyers discover (through receipt of a tax certificate or otherwise) that any taxes were due and unpaid, Buyers may direct the payment thereof from the Escrow Amount unless Sellers give Buyers evidence of such payment within ten days after written demand by Buyers.

Section 2.6 Post-Closing Adjustment.

(a) Within 90 days after the Closing, Buyers shall deliver to Sellers a certificate (the **"Buyers' Initial Adjustment Certificate"**) setting forth Buyers' final determination of the amount of the net adjustments to the Purchase Price with respect to the Closing Current Assets and the Closing Assumed Purchase Price Liabilities (including the amounts of the Closing Current Assets, the Closing Assumed Purchase Price Liabilities, the Closing Net Current Assets or Closing Net Liabilities, as applicable, in each case as of the Closing Date), and indicating in detail the basis for its calculations.

(b) Within 90 days after the D.C./Hartford Channel Share Closing, Buyers shall deliver to Sellers a certificate (the **"Buyers' D.C./Hartford Subsequent Adjustment Certificate"**) setting forth Buyers' final determination of the amount of the net adjustments to the Purchase Price with respect to such applicable Channel Share Closing Current Assets and such applicable Channel Share Closing Assumed Purchase Price Liabilities (including the amounts of such Channel Share Closing Current Assets, such Channel Share Closing Assumed Purchase Price Liabilities, such Channel Share Closing Net Current Assets or such Channel Share Closing Net Liabilities, as applicable, in each case as of the D.C./Hartford Channel Share Closing Date), and indicating in detail the basis for its calculations.

Each party shall provide the other reasonable access to all records in its possession which were used in the preparation of the Sellers' Adjustment Certificates and Buyers' Adjustment Certificates or which may otherwise be necessary for the preparation thereof. Sellers shall review each of the Buyers' Adjustment Certificates and give written notice (an "**Objection Notice**") to Buyers of any objections it has to the calculations shown in such Buyers' Adjustment Certificate within 30 days after Sellers' receipt of such certificate. In an Objection Notice, Sellers may only dispute items contained in such Buyers' Adjustment Certificate to the extent such items differ from the corresponding Sellers' Adjustment Certificate. Any such Objection Notice shall set forth Sellers' proposal as to each item to which it objects together with appropriate support for such objections. If Sellers do not deliver an Objection Notice within any such 30-day period, then the applicable Buyers' Adjustment Certificate shall be deemed to be conclusive, final and binding on the parties. Buyers and Sellers shall endeavor in good faith to resolve any objections within 30 days after any receipt by Buyers of Sellers' timely Objection Notice. If such objections or disputes have not been resolved at the end of any such 30-day period, the disputed portion only of the items contained in the applicable Buyers' Adjustment Certificate shall be determined within the following 30 days by PricewaterhouseCoopers LLP (the "**Arbitrator**"), which shall be the exclusive means for resolution of such dispute. The determination of the Arbitrator shall, with respect to each item in dispute, be within the range for such item as proposed by Buyer in the applicable Buyers' Adjustment Certificate and Sellers in the applicable Objection Notice. The determination of the Arbitrator shall be final and binding upon the parties. Buyers and Sellers shall bear equally the expenses of the Arbitrator incurred in connection with any such determination.

(e) Within two Business Days after the date on which the items contained in each of the Buyers' Adjustment Certificates have been finally determined in accordance with Section 2.6(d), the appropriate party shall pay to the other party in cash the amount by which the finally determined amount under each such Buyers' Adjustment Certificate is in excess of (in which case, Buyers shall pay to Sellers), or less than (in which case, Sellers shall pay to Buyers), as the case may be, the amount as determined under the corresponding Sellers' Adjustment Certificate at the Closing or the applicable Channel Share Closing. Any such payment shall bear interest at the Prime Rate from the Closing Date or the Channel Share Closing Date, as applicable, to the date of payment and shall be paid by wire transfer of immediately available funds to the account designated by the recipient (or if not so designated, then by certified or official bank check in immediately available funds to the order of the recipient). Sellers shall have no liability to Buyers if the FCC denies the requests and does not extend a deadline for a Potential Sharee Station and such Potential Sharee Station is required to discontinue operation and surrender its FCC Authorizations, provided that Sellers timely file the requests pursuant to this Section 2.10(a).

(b) Buyers acknowledge and agree that Sellers will surrender the spectrum of the Potential Sharee Stations in connection with the Incentive Auction and that all proceeds from the Incentive Auction related to the Potential Sharee Stations shall be retained by Sellers. Subject to FCC approval, Sellers and Buyers agree to implement channel share arrangements for the Potential Sharee Stations if host stations can be located, and Sellers and Buyers agree to cooperate in connection with implementing such channel sharing arrangements. If, notwithstanding such efforts, a channel sharing arrangement is not applied for by the Channel Share Application Deadline or implemented by the Channel Share Deadline for a Potential Sharee Station, or the CSA for a Potential Sharee Station terminates, the option to enter into a channel sharing arrangement with respect to such Potential Sharee Station and all provisions in this Agreement relating to such Potential Sharee Station shall terminate without liability to Sellers and with no change to the Purchase Price. the host station, (ii) enter into a TSA between Sellers and Buyers, and (iii) build out the facilities of such station in accordance with any construction permit obtained.

(d) Within five (5) Business Days of the execution of a CSA for a Potential Sharee Station, the appropriate Seller shall file an application on FCC Form 2100, Schedule E to modify the FCC Authorizations of such Station to implement the CSA and obtain a shared status license for such Station as a “sharee station” using the technical facilities of the host station. At the Subsequent Channel Share Closing, the appropriate Seller shall also file an application for a license on FCC Form 2100, Schedule F to cover such construction permit obtained following completion of construction requirements.

(e) An FCC Assignment Application shall be filed by the appropriate Seller and NBC License Buyer for a Potential Sharee Station within five (5) Business Days after the issuance by the FCC of a construction permit for such Station to modify its FCC Authorizations and facilities in order to implement the CSA for such Station and obtain a shared status license.

Within ninety (90) days after the final Channel Share Closing Date, Buyers (after consultation with Sellers) shall deliver to Sellers a certificate setting forth Buyers’ allocation (the “**Proposed Allocation**”), allocating the Final Purchase Price (plus Assumed Liabilities, to the extent properly taken into account under Section 1060 of the Code) among the Assets in accordance with Section 1060 of the Code. Sellers shall have the right to review and comment on the Proposed Allocation, and Buyers shall consider in good faith such changes to the Proposed Allocation as are requested by Sellers, provided that Buyers shall have no obligation to accept any such proposed changes. If Buyers and Sellers agree to an allocation, Buyers and Sellers agree (unless otherwise required by a change in applicable income Tax law or as a result of a good faith resolution of a contest) to (i) be bound by the allocation for all Tax purposes and (ii) act in accordance with the allocation in the preparation, filing and audit of any Tax return (including filing Form 8594 with its federal income Tax Return for the taxable year that includes the date of the Closing). If Sellers and Buyers do not agree to an allocation within one hundred fifty (150) days after the final Channel Share Closing Date, Sellers and Buyers (i) may prepare their own allocation, (ii) may use such allocation in connection with the preparation and filing of any applicable Tax Returns, and (iii) shall have no liability to any other party hereto for any additional Taxes that may be imposed by any Governmental Authority as a result of inconsistencies between their respective allocations. If the parties agree to an allocation, not later than 30 days prior to the filing of their respective Forms 8594 relating to the transactions contemplated by this Agreement, each party shall deliver to the other party a copy of its Form 8594.

Station and Richmond Station. In addition, certain Sellers and certain Buyers may enter into additional TSAs and CSAs as provided herein. Notwithstanding anything contained herein to the contrary, Sellers shall not be deemed to have breached any of their representations, warranties, covenants or agreements contained herein or in any document executed in connection with the transactions contemplated by this Agreement or to have failed to satisfy any condition precedent to Buyers’ obligation to perform under this Agreement (nor shall the Sellers have any liability or responsibility to the Buyers in respect of any such representations, warranties, covenants, agreements or conditions precedent), in each case, to the extent that the inaccuracy of any such representations, the breach of any such warranty, covenant or agreement or the inability to satisfy any such condition precedent arises out of or results from (a) any actions taken by or under the authorization of a Buyer or its Affiliates (or any of their respective officers, directors, employees, agents or representatives) in connection with such Buyer’s performance of its obligations under a CSA, TSA or LMA or (b) the failure of a Buyer to perform any of its obligations under a CSA, TSA or LMA. Buyer’s actions or failures as provided for in (a) and (b) of this Section 2.12 shall hereinafter be referred to as “**Buyer Actions**.” Buyers acknowledge and agree that Sellers shall not be deemed responsible for or to have authorized or consented to any action or failure to act on the part of a Buyer or its Affiliates (or any of their respective officers, directors, employees, agents or representatives) solely by reason of the fact that prior to Closing or the Channel Share Closing, as applicable, Sellers shall have the legal right to control, manage and supervise the operation of a Station.

continues for a continuous period in excess of fourteen (14) Business Days (each such an Interruption Event, a “**Termination Interruption Event**”), Buyers may, at their option and in their sole discretion, terminate this Agreement by written notice to Sellers not later than ten (10) Business Days after receipt of Sellers’ notice with respect to such continuing Termination Interruption Event. Notwithstanding the foregoing, an Interruption Event shall not be a Termination Interruption Event if (i) the Interruption Event is caused by a Specified Exception or (ii) a “good quality” signal (as that term is defined in Sections 76.55(c)(3) and 76.66(g), as applicable, of the FCC Rules) with the interrupted Station’s programming is being delivered by any means to the headend or local receive facility, as applicable, of all MVPDs in such Station’s DMA which are identified on Schedule 6.10 and at least eighty (80%) of the households in such Station’s DMA receiving such Station’s programming prior to the Interruption Event remain capable of receiving such Station’s programming via a 48 dBu signal from other Stations or delivery by cable or direct broadcast satellite or any other means. If Buyers elect not to terminate this Agreement or fail to give written notice within such ten (10) Business Day period with respect to a particular Termination Interruption Event, Buyers shall have no further right to terminate this Agreement by reason of such Termination Interruption Event, and the remaining provisions of this Agreement shall govern. Each Termination Interruption Event shall give rise to a separate right to terminate by Buyers, which shall be subject to the notice procedures and deadlines described in this Section 6.10.

Section 6.11 Copyright Fees. Following the Closing or each Channel Share Closing, as applicable, Sellers shall be responsible for filing any required copyright reports, notices, statements of account, supplemental statements and amendments in proper form and for paying when due any required copyright royalty fee payments relating to each Station’s carriage of television and radio broadcast signals on or prior to the Closing Date or Channel Share Closing Date, as applicable.

Section 6.12 Possession and Control of the Stations. Notwithstanding any other provision of this Agreement, neither the Closing nor any Channel Share Closing shall be consummated prior to the grant of the applicable FCC Consent(s). Sellers and Buyers acknowledge and agree that at all times commencing on the date hereof and ending on the Closing or the Channel Share Closing, as applicable, neither Buyers nor any of their respective employees or Representatives, directly or indirectly, shall, or have any right to, control, direct or otherwise supervise, or attempt to control, direct or otherwise supervise any of the management or operation of any Station, it being understood that the operation, management, control and supervision of all programs, equipment, operations and other activities of each such Station shall be the sole responsibility, and at all times prior to the Closing or the Channel Share Closing, as applicable, remain within the complete control and discretion, of Sellers.

Section 6.13 Make-Goods. Sellers shall use their best efforts to satisfy all make-good obligations pursuant to any Contract with respect to the sale or barter of advertising time that require any commercial inventory make-goods (including any such obligations arising as a result of a breach of such Contract) prior to the LMA Commencement Date, Closing Date or the Channel Share Closing Date, as applicable. To the extent Sellers do not satisfy such obligations prior to the LMA Commencement Date, Closing Date or Channel Share Closing Date, as applicable, so that any such make-good must be aired after the LMA Commencement Date,

Closing Date or Channel Share Closing Date, as applicable, and the liability for such is not an Assumed Purchase Price Liability, Buyers shall be entitled to receive from Sellers within five (5) Business Days after Buyers provides Sellers with an affidavit customary in the broadcast industry evidencing the airing of such make-good all amounts received by Sellers from the advertiser prior to the LMA Commencement Date, Closing or Channel Share Closing, as applicable solely to the extent attributable to the advertisement aired as a make-good after the LMA Commencement Date, Closing or Channel Share Closing, as applicable.

ADDITIONAL COVENANTS

Section 7.1 Commercially Reasonable Efforts; Further Assurances.

(a) Subject to the terms and conditions of this Agreement, including Section 7.1(b), Buyers and Sellers shall each use their respective commercially reasonable efforts to take, or cause to be taken, all actions and to do, or cause to be done, and to assist and cooperate with each other in doing, all things necessary or desirable under applicable Legal Requirements to consummate the transactions contemplated by this Agreement as expeditiously as practicable and to ensure that the conditions set forth in Article 10 are satisfied. Each Buyer and each Seller shall execute and deliver such other documents, certificates, agreements and other writings and take such other actions as may be necessary or desirable in order to consummate or implement expeditiously the transactions contemplated by this Agreement and to vest in Buyers good and marketable title to the Assets and to provide for the applicable Buyers' assumption of the Assumed Liabilities (whether before or after Closing). Subject to the Specified Exceptions, Buyers and Sellers shall comply with the terms of each Contract contemplated as being executed simultaneously with this Agreement or during the period beginning on the date of this Agreement and ending on the Channel Share Closing Date, including the CSAs, TSAs and LMA.

(b) Notwithstanding anything contained in this Section 7.1, Section 7.2, Section 7.3, Section 7.4, or Section 7.5, or in any other provision hereof, unless caused by or the result of a Specified Exception, neither any Buyer nor any Affiliate thereof shall be required to (i) agree to any conditions or limitations on any asset, business or property of any Buyer or any of its Affiliates, on any asset, business or property which any Buyer or any of its Affiliates has or hereafter has an unconsummated contract to acquire or to transfer or on the Assets, (ii) take or refrain from taking any action with respect to the acquisition, divestiture, leasing or other transaction involving, directly or indirectly, any television broadcasting business or other asset, business or property of any Person or in any area or market, including in the El Paso DMA, Tampa DMA, Fort Myers DMA, Orlando DMA, Springfield DMA, Richmond DMA, D.C. DMA, Hartford DMA, Providence DMA or Raleigh DMA or (iii) take any action that may adversely affect any Buyer or its Affiliates, any Station or the Assets (any such requirement described in clauses (i) through (iii) of this Section 7.1(b) not caused by or the result of a Specified Exception, a "**Burdensome Condition**"). For the avoidance of doubt, this Section 7.1(b) does not limit Buyers' liability to Sellers for breach of the representations and warranties in Section 5.6.

(c) Sellers hereby irrevocably constitute and appoint, effective as of immediately following the Closing or the applicable Channel Share Closing, as applicable, to the extent that they may lawfully do so, Buyers and their successors and assigns as the true and lawful attorney of Sellers with full power of substitution in the name of Buyers or in the name of Sellers, but for the benefit of Buyers to (i) demand and enforce payment and performance of any and all obligations, claims and demands of every conceivable kind included among the applicable Assets, (ii) give receipts and releases in respect to the same, (iii) institute, prosecute, defend and compromise any and all proceedings at law, in equity, or otherwise, which Buyers may in their sole discretion deem proper or desirable in order to collect, assert, enforce, defend or enjoy the benefit of any claim, demand, right, title or interest of every conceivable kind with respect to or under the applicable Assets, and (iv) do any and all such acts and things in connection therewith as Buyers shall deem desirable, provided that (A) no such act shall modify the Final Purchase Price by virtue of this Section 7.1(c), and (B) the foregoing shall in no way affect or impair the rights and obligations of Sellers, Buyers and their Affiliates and their respective officers, directors, managers, shareholders, partners, members and employees pursuant to Article 11. Buyers shall be entitled to retain for their own account any amounts collected pursuant to the foregoing powers, including any amounts payable as interest in respect thereof. Sellers hereby declare that the appointment of Buyers so made, and any and all powers so granted to them, are coupled with an interest, shall be irrevocable by Sellers, and shall survive their dissolution or liquidation. Notwithstanding the foregoing, or anything in this Agreement to the contrary, Sellers shall retain all rights and obligations relating to claims and proceedings that are Excluded Assets or Excluded Liabilities.

Section 7.2 Governmental Consents.

(a) Following the execution of this Agreement, Sellers and NBC License Buyer shall jointly prepare and file with the FCC complete and accurate applications for FCC Consent to the assignment of the FCC Authorizations for the El Paso Stations, the Tampa Station, the Orlando Stations, the Fort Myers Station, the Springfield Station, the Richmond Station, the D.C. Station and the Hartford Station, the Raleigh Station and the Providence Station, from Sellers to NBC License Buyer or its permitted assign as contemplated herein (collectively, the “**FCC Assignment Applications**”). The FCC Assignment Applications for the Closing Stations shall be filed within ten (10) Business Days of the execution of this Agreement. The FCC Assignment Applications for the Hartford Station and the D.C. Station shall be filed within five (5) Business Days after the issuance by the FCC of construction permits for both of these Stations to modify their FCC Authorizations and facilities in order to implement the CSAs for these Stations and obtain shared status licenses in accordance with Section 7.3 below. The FCC Assignment Applications for the Raleigh Station and Providence Station shall be filed as provided for in Section 2.10(e). The FCC Assignment Applications shall request that the FCC process the FCC Consent for the D.C. Station, Hartford Station, Raleigh Station and Providence Station separately to avoid delay in the processing of the FCC Consents for the Closing Stations. Sellers and Buyers shall each bear one-half of the amount of all FCC filing fees in connection with the FCC Assignment Applications. NBC License Buyer shall notify Sellers, and Sellers shall notify NBC License Buyer, as the case may be, in the event either becomes aware of any facts, actions, communications or occurrences that might directly or indirectly affect the ability of NBC License Buyer or Sellers to obtain the FCC Consents. Subject to Section 6.1(b), Sellers

and Buyers shall diligently take all necessary, desirable and appropriate actions, provide any additional information reasonably required or requested by the FCC and otherwise use their commercially reasonable efforts to obtain the FCC Consents as expeditiously as practicable. Sellers and Buyers shall oppose any petitions to deny or other objections filed with respect to the FCC Assignment Applications, provided, however, that neither Sellers nor Buyers nor any of their respective Affiliates shall have any obligation to participate in any evidentiary hearing on the FCC Assignment Applications or to pay a third party to obtain an FCC Consent.

(b) Notwithstanding anything contained in Article 5 (other than Section 5.6) or any other section of this Agreement (other than Section 5.6), Buyers do not make any representation or warranty (i) regarding the likelihood that the FCC will consent to the assignment of the FCC Authorizations, (ii) that the current, future or proposed television broadcast holdings of Buyers or any of their Affiliates (whether now known or anticipated or as the same may exist in the future at the sole discretion of Buyers or any of their Affiliates), or any Contract or arrangement which Buyers or any of their Affiliates now has or hereafter have to acquire, transfer or use or otherwise involving television broadcast assets or businesses (whether in the El Paso DMA, Tampa DMA, Fort Myers DMA, Orlando DMA, Springfield DMA, Richmond DMA, Hartford DMA, or D.C. DMA or in any other area or market), in each case will not materially and adversely impact any FCC Consent, cause any FCC Consent to be delayed, cause additional steps in the FCC's processing of the FCC Assignment Applications, or result in failure of the FCC to consent to the assignment of the FCC Authorizations, or (iii) that in connection with the FCC Assignment Applications or applications or Proceedings relating to other FCC Authorizations not involving the ZGS Parties, the FCC will not place or seek to place any Burdensome Condition on Buyers' acquisition of the FCC Authorizations or the other Assets, or that would otherwise cause any of the conditions specified in Article 10 to not be satisfied. For the avoidance of doubt, this Section 7.2(b) does not limit Buyers' liability to Sellers for breach of the representations and warranties in Section 5.6.

(c) As promptly as practicable following any written request by Buyers to do so (which such request may be made unilaterally by Buyers in their sole discretion and delivered before or after Closing), Buyers and Sellers shall, and shall cause their respective applicable Representatives (if any) to, make any filings pursuant to the HSR Act with respect to the transactions contemplated hereby ("**HSR Filings**"), provided that there is no delay in the Closing unless an adjustment certificate delivered by Sellers proposes a Final Purchase Price in excess of Eighty Million Eight Hundred Thousand Dollars (\$80,800,000) (the "**HSR Threshold Amount**"). All Assumed Liabilities set forth in any applicable adjustment certificate delivered by Sellers will be treated as added back into the calculation of a Final Purchase Price for purposes of determining whether such Final Purchase Price exceeds the HSR Threshold Amount. Each of Buyers and Sellers shall use their commercially reasonable efforts to cooperate in all respects with each other in connection with any such HSR Filings. The filing fees associated with any HSR Filings ("**HSR Filing Fees**"), and all costs associated with the preparation of the HSR Filings, shall be borne by Buyers; provided, however, that half of any such HSR Filing Fees shall be borne by Buyers, and the other half of such HSR Filing Fees shall be borne by Sellers in the event that the Final Purchase Price (or the Final Purchase Price proposed in any adjustment certificates delivered by Sellers pursuant hereto) exceeds the HSR Threshold Amount, regardless of whether the Final Purchase Price is determined (or the applicable

adjustment certificates are delivered) prior to or subsequent to the payment of any HSR Filing Fees.

Section 7.3 Relinquishing Stations.

(a) Buyers acknowledge and agree that Sellers will surrender the spectrum of the Relinquishing Stations in connection with the Incentive Auction and that all proceeds from the Incentive Auction related to the Relinquishing Stations shall be retained by Sellers. Subject to FCC approval, Sellers and Buyers agree to implement channel share arrangements for the Relinquishing Stations, and Sellers and Buyers agree to cooperate in connection with implementing such channel sharing arrangements. Buyers shall be responsible for all out-of-pocket expenses of Sellers incurred in connection with this Section 7.3.

(b) As permitted by the FCC, Sellers shall timely file one or more waiver requests to extend the date upon which each of the Relinquishing Stations is required to discontinue broadcast operations on its pre-auction channel. Sellers shall have no liability to Buyers if the FCC denies the requests and does not extend a deadline for a Relinquishing Station and such Relinquishing Station is required to discontinue operation and surrender its FCC Authorizations, provided that Sellers timely file the requests pursuant to this Section 7.3(b). If a channel sharing arrangement is not applied for by the Channel Share Application Deadline or implemented by the Channel Share Deadline for a Relinquishing Station, or the CSA for a Relinquishing Station terminates, the option to enter into a channel sharing arrangement with respect to such Relinquishing Station and all provisions in this Agreement relating to such Relinquishing Station shall terminate without liability to Sellers and with no change to the Purchase Price.

(c) ZGS Hartford/Springfield shall file an application on FCC Form 2100, Schedule E to modify the FCC Authorizations of the Hartford Station to implement the CSA with New England OpCo Buyer and NBC License Buyer and obtain a shared status license for the Hartford Station to operate as a “sharee station” using the technical facilities of WVIT, New Britain, Connecticut by the date that is five (5) Business Days after the execution of this Agreement. At the D.C./Hartford Channel Share Closing, ZGS Hartford/Springfield shall also file an application for a license on FCC Form 2100, Schedule F to cover such construction permit obtained by ZGS Hartford following completion of construction requirements.

(d) ZGS D.C./Richmond shall file an application on FCC Form 2100, Schedule E to modify the FCC Authorizations of the D.C. Station to implement the CSA with Mid-Atlantic OpCo Buyer and NBC License Buyer and obtain a shared status license for the D.C. Station to operate as a “sharee station” using the technical facilities of WRC-TV, Washington, D.C. by the date that is five (5) Business Days after the execution of this Agreement. At the D.C./Hartford Channel Share Closing, ZGS D.C./Richmond shall also file an application for a license on FCC Form 2100, Schedule F to cover such construction permit obtained by ZGS D.C./Richmond following completion of construction requirements.

Section 7.4 Repacking.

(a) Buyers acknowledge and agree that, in connection with the Incentive Auction, the Repacked Stations have been assigned to new channels. Sellers have obtained construction permits for the Repacked Stations' new channels. Sellers have also filed for each Repacked Station an FCC Form 2100, Schedule 399 specifying the estimated reimbursable relocation costs associated with its channel change. Sellers have also established one or more bank accounts into which repacking cost reimbursements will be deposited prior to the Closing.

(b) Sellers shall provide Buyers with copies of all FCC filings previously made in connection with the channel changes and with the reimbursement of actual expenses incurred, and Sellers shall cooperate with Buyers in connection with future FCC filings. Sellers shall provide Buyers with all technical information in Sellers' possession regarding the construction plans for the channel changes including, to the extent available, details about the equipment to be purchased, site surveys, environmental reports, title reports, structural analysis, lease negotiations, and any other engineering or construction activities that need to be accomplished to complete the channel changes. Sellers shall consult and cooperate with Buyers on any FCC filings or Schedule 399 amendments in connection with the channel changes.

(c) Sellers shall not incur any expenses with respect to the channel changes for the Repacked Stations that have not been agreed to by Buyers. Sellers may seek reimbursement for expenses that they incur with respect to the channel changes from the TV Broadcaster Relocation Fund. If any such expenses are not reimbursed by the FCC, and if Buyers have approved such expenses, then Buyers shall reimburse Sellers for such unreimbursed amounts. The party that incurs an expense related to the channel changes for the Repacked Stations shall be entitled to receipt of FCC reimbursement funds for such expenses, regardless of when such funds are received. Accordingly, if Sellers receive FCC reimbursement funds to which Buyers are entitled, then Sellers shall immediately pay such funds over to Buyers without offset, and if Buyers receive reimbursement funds to which Sellers are entitled, then Buyers shall immediately pay such funds over to Sellers without offset.

(d) At Sellers' request, and under Sellers' supervision and control prior to the Closing, Buyers shall, at Buyers' expense, undertake construction in accordance with the construction permits for the Repacked Stations. Sellers shall assist with such construction prior to the Closing as reasonably requested by Buyers, including providing Buyers with access to a Station's transmitter site to effect such construction. Prior to the Closing, Buyers shall provide Sellers with the use of any installed and operational equipment purchased by Buyers for the Repacked Stations.

(e) Buyers shall be responsible for all repacking construction activities and compliance for the Repacked Stations arising after the Closing at their expense. Buyers shall be solely responsible for seeking reimbursement from the TV Broadcaster Relocation Fund for eligible expenses incurred by Buyers. Sellers shall cooperate with Buyers upon the Closing to file one or more new FCC Forms 1876 to designate a Buyer, or Buyers' designee, as an entity eligible to receive reimbursements from the TV Broadcaster Relocation Fund of eligible expenses related to the channel changes and to establish one or more new accounts for such

reimbursements. If Sellers incurred repacking expenses for which they have not sought reimbursement prior to the Closing, or if Sellers submitted reimbursement requests that remain pending at the Closing, then following the Closing Buyers shall submit or resubmit such requests on behalf of Sellers to the extent requested by Sellers, and upon receipt of payments, Buyers shall pay over to Sellers the portion attributable to Sellers' eligible expenses.

Section 7.5 LPTV/Translator Stations. The LPTV/Translator Stations have been displaced and will be required to discontinue operation on their existing channels, potentially prior to the Closing. Sellers and Buyers agree to cooperate in an attempt to continue the operation of the LPTV/Translator Stations by pursuing alternate available channels and channel sharing arrangements. Buyers shall assist Sellers by identifying potential available channels for the LPTV/Translator Stations and attempting to find host stations for channel sharing arrangements for the LPTV/Translator Stations. To the extent Buyers identify an available channel for any of the LPTV/Translator Stations acceptable to Sellers, Sellers shall timely file a displacement application seeking such new channel for such LPTV/Translator Station. If Buyers find a host station for a channel sharing arrangement for any of the LPTV/Translator Stations acceptable to Sellers, Sellers and Buyers shall, for any such Station, cooperate to (i) enter into a CSA, (ii) file an application to modify the facilities of such station to implement the CSA, (iii) enter into a TSA, (iv) build out the facilities of such station in accordance with any construction permit obtained, and (v) file an application for a shared channel license to cover the construction permit. Notwithstanding anything to the contrary herein, in the event that a LPTV/Translator Station is off the air due to displacement on the date otherwise scheduled for the Closing due to displacement, the Closing shall proceed with such LPTV/Translator Station as displaced with the representations, warranties and covenants of Sellers hereunder modified to take into account such displacement. Buyers shall reimburse Sellers' reasonable and documented expenses in connection with this Section 7.5.

Section 7.6 Public Announcements. Unless otherwise required by federal or state securities laws, no party hereto shall make any public announcements or otherwise communicate with any news media with respect to this Agreement or any of the transactions contemplated hereby without the prior consultation and approval of the other parties as to the timing and content of any such announcement; *provided, however*, that nothing contained herein shall prevent any party from promptly making all filings with Governmental Authorities as may, in its reasonable judgment, be required or advisable in connection with the execution and delivery of this Agreement or the consummation of the transactions contemplated hereby, so long as such party, promptly upon learning of such requirement, notifies the other party of such requirement and consults with the other party in good faith with respect to the wording of such announcement. Each of the parties hereto shall use its respective commercially reasonable efforts to insure that such party's agents comply with this Section 7.6.

Section 7.7 Confidentiality. Unless otherwise required by federal or state securities laws, any non-public information that any ZGS Party may have prior to the Closing as a result of Sellers' ownership and operation of the Stations or have obtained from Buyers or their Representatives in connection with this Agreement shall be confidential until the second anniversary of the Closing Date, and no Seller shall (i) disclose any such information to any third party other than its Representatives whose knowledge thereof is necessary in order to facilitate

the consummation of the transactions contemplated hereby, or (ii) use such information to the detriment of Buyers; *provided, however*, that (a) a Seller may use and disclose any such information that has been publicly disclosed (other than by a Seller in breach of its obligations under this Section) or that has rightfully and without duty of confidentiality come into the possession of the Seller (other than from Buyer or its Representatives or any such information that such Seller had prior to a Closing as a result of Sellers' ownership and operation of the Stations), and (b) a Seller may disclose any such information to the extent legally compelled to do so, in which case such Seller shall promptly notify Buyers and, use its commercially reasonable efforts, and shall afford Buyers a reasonable opportunity, to obtain an appropriate protective order or other satisfactory assurance of confidential treatment, for the information compelled to be disclosed.

Section 7.8 Warn Act. The parties shall cooperate to determine whether any notification may be required under the Worker Adjustment and Retraining Notification Act and/or any similar state law (collectively, the "**Warn Act**") as a result of the transactions contemplated by this Agreement. Sellers shall be responsible for providing any notification that may be required under the Warn Act with respect to its employees.

Section 7.9 Use of Seller's Name. For a period up to six months after the Closing Date, Buyers may use Sellers' d/b/a names and their corporate names and all derivations and abbreviations of such names and related marks, in order to effectively transfer title or other rights to use and operate all Assets and the Stations to Buyers. Within six months after the Closing Date, Buyers shall discontinue using such names or marks.

Section 7.10 Intentionally Omitted.

Section 7.11 Non-Competition. Each ZGS Party (each, a "**Restricted Party**") agrees with Buyers as set forth below.

(a) Each Restricted Party agrees that for the Restricted Period, neither such Restricted Party nor any of its Affiliates will, directly or indirectly, whether as principal, agent, consultant, stockholder or investor, alone or in association with any Person:

(i) manage, operate, finance, participate in, enter into, engage in, assist or own any interest in, assign or license its name to, or otherwise allow its name to be used by, or be employed by any business or Person that engages in the Restricted Business within the Restricted Area; or

(ii) employ or solicit for employment (including as an independent contractor) any employee of Buyers on or following the Closing Date (each a "**Retained Employee**"); provided, that the Restricted Parties may employ or solicit (i) any Retained Employee who is terminated by Buyer or (ii) any Retained Employee whose employment with Buyer otherwise ceases, provided that in the case of clause (ii), the Restricted Parties may not employ or solicit any such Retained Employee until after the six-month anniversary of the date of such Retained Employee's separation from Buyer.

(b) As used in this Section 7.11:

(i) the term “**Restricted Period**” means in respect of each Restricted Party, the period from the Closing Date until the second anniversary from the Closing Date;

(ii) the term “**Restricted Business**” means (i) the Spanish-language television broadcast media business or (ii) broadcasting television programming in the Spanish language, in each case, operating primarily in a Restricted Area; provided, however, that Permitted Activities (as defined below) shall not constitute a Restricted Business.

(c) As used in this Section 7.11, the term “**Restricted Area**” means each of El Paso DMA, the Orlando DMA, the Fort Myers DMA and the Tampa DMA.

(d) As used herein, the term “**Permitted Activities**” means the ownership and operation of *holaciudad!* and ZGS Radio, Inc.

(e) Notwithstanding anything herein to the contrary, nothing contained in this Agreement shall prevent any Restricted Party, or any Affiliate of any Restricted Party, from owning up to a five percent (5%) interest in any Person the securities of which are publicly traded.

(f) Each Restricted Party agrees that its covenants set forth in this Section 7.11 (each a “**Non-Competition Covenant**” and collectively the “**Non-Competition Covenants**”) are appropriate and reasonable when considered in light of the nature and extent of the transactions contemplated by this Agreement. Without limiting the generality of the foregoing, each Restricted Party specifically agrees that prohibitions on the employment or solicitation for employment (including as an independent contractor) of any Retained Employee, as set forth in Section 7.11(a)(ii), are appropriate and reasonable in all respects. Each Restricted Party further agrees that the Non-Competition Covenants are of the essence of this Agreement; that each such Non-Competition Covenant is reasonable and necessary to protect and preserve the interests and properties of Buyers; that irreparable loss and damage will be suffered by Buyers should any Restricted Party breach any such Non-Competition Covenant; that Buyers will not have any adequate remedy at law if a Restricted Party violates the terms hereof or fails to perform any of its obligations hereunder; that, in addition to other remedies available to it, Buyers shall be entitled to both temporary and permanent injunctions to prevent a breach or contemplated breach by any Restricted Party of any Non-Competition Covenant; and that each Restricted Party hereby waives any requirements for the posting of a bond or any other security by Buyers in connection therewith.

(g) Buyers and each Restricted Party agree that each Non-Competition Covenant is separate, distinct and severable not only from any other such covenant but also from the other and remaining provisions of this Agreement. If any of the provisions of or covenants contained in this Agreement are hereafter construed to be invalid or unenforceable in any jurisdiction, the same shall not affect the remainder of the provisions or the enforceability thereof in any other jurisdiction, which shall be given full effect, without regard to the invalid portions or the unenforceability in such other jurisdiction. If any of the provisions of or covenants contained in this Agreement are held to be unenforceable in any jurisdiction because of the duration and/or scope (whether geographic or otherwise) thereof, the parties agree that

such provision shall be deemed to be reduced to the maximum duration and/or scope permitted in said jurisdiction, provided, however, that such reduction shall not affect the enforceability of this Agreement in any other jurisdiction.

Section 8.2 **Tax Representations.** The Sellers, jointly and severally, hereby represent and warrant to Buyers as of the date hereof and as of the Closing Date that, with respect to the Stations and the Assets, except as set forth on Schedule 8.2:

(a) Sellers have timely filed with the appropriate Governmental Authorities all Tax Returns required to be filed by or on behalf of a Seller prior to the date hereof.

(b) Sellers have timely paid all Taxes and all interest and penalties due thereon payable by them which arise from or with respect to the Assets or the operation of a Station and are incurred in or attributable to the Pre-Closing Tax Period which will have been required to be paid on or prior to the date hereof, the non-payment of which could result in a Lien on any Asset, could otherwise adversely affect a Station or could result in a Buyer or any Affiliate of a Buyer becoming liable or responsible therefor.

(c) Sellers have established, in accordance with GAAP, adequate reserves for the payment of, and shall timely pay all Tax Liabilities, assessments, interest and penalties which arise from or with respect to the Assets or the operation of the Stations and are incurred in or attributable to the Pre-Closing Tax Period, the non-payment of which could result in a Lien on any Asset, could otherwise adversely affect a Station or could result in a Buyer or any Affiliate of a Buyer becoming liable therefor.

(d) Sellers have not received any written notice of audit, deficiency or assessment with respect to any Tax, the nonpayment of which could result in a Lien on any Asset, could otherwise adversely affect a Station or could result in a Buyer or any Affiliate of a Buyer becoming liable therefor.

(e) Schedule 8.2 sets forth the jurisdictions with which a Seller has filed any Tax Return relating to any Station.

(f) The purchase and sale of the Assets contemplated by this Agreement is not subject to sales and use taxes, whether by virtue of payment obligation, withholding obligation or otherwise.

Section 8.3 Tax Cooperation and Other Tax Matters.

(a) Buyers and the Sellers shall furnish or cause to be furnished to each other, upon request, as promptly as practicable, such information and assistance relating to the Stations and the Assets (including access to books and records) as is reasonably necessary for the filing of all Tax Returns, the making of any election related to Taxes, the preparation for any audit by any taxing authority, and the prosecution or defense of any claim, suit or proceeding relating to any Tax Return. Buyers and the Sellers shall retain all books and records with respect to Taxes pertaining to the Assets for a period of at least six years following the Closing Date. Buyers and the Sellers shall cooperate with each other in the conduct of any audit or other proceeding related to Taxes involving a Station or the Assets for any Pre-Closing Tax Period. In particular, the Sellers shall, at their expense and in accordance with all applicable Legal Requirements:

(b) All real property taxes, personal property taxes and similar ad valorem obligations levied with respect to the Assets for a taxable period which includes (but does not end on) the Closing Date, shall be apportioned between Sellers and Buyers as of the Closing Date based on the number of days of such taxable period included in the Pre-Closing Tax Period and the number of days of such taxable period included in the Post-Closing Tax Period. Sellers shall be liable for the proportionate amount of such taxes that is attributable to the Pre-Closing Tax Period, and Buyers shall be liable for the proportionate amount of such taxes that is attributable to the Post-Closing Tax Period; provided, however, that Buyers shall have no obligation to apportion Taxes attributable to the Pre-Closing Tax Period or otherwise make payments to any ZGS Party with respect to such Taxes to the extent such Taxes are included in the calculation of Current Assets, and that Seller shall have no obligation to apportion Taxes attributable to the Post-Closing Tax Period or otherwise make payments to Buyer with respect to such Taxes to the extent such Taxes are included in the calculation of Assumed Purchase Price Liabilities.

(c) In the case of any Taxes (other than any real property taxes, personal property taxes and similar ad valorem obligations) that are payable for a taxable period that includes (but does not end on) the Closing Date, the amount of such Taxes attributable to the Pre-Closing Tax Period shall be deemed equal to the amount which would be payable if the relevant taxable period ended on the Closing Date.

“**ERISA**” means the Employee Retirement Income Security Act of 1974.

“**ERISA Affiliate**” means (i) a member of any “controlled group” (as defined in Section 414(b) of the Code) of which a Seller is a member, (ii) a trade or business, whether or not incorporated, under common control (within the meaning of Section 414(c) of the Code) with a Seller, or (iii) a member of any affiliated service group (within the meaning of Section 414(m) of the Code) of which a Seller is a member.

Section 9.2 Employee Benefit Representations. The Sellers, jointly and severally, hereby represent and warrant to Buyers as of the date hereof and as of the Closing Date that, except as set forth on Schedule 9.2:

(a) Neither any Seller nor any ERISA Affiliate of any Seller has ever been a party to, contributed to, or had any Liability to a multiemployer plan (as that term is defined in ERISA Section 3(37)). No Employee Benefit Plan of Sellers is subject to Title IV of ERISA. Neither any Seller nor any of any Seller’s ERISA Affiliates has incurred any liability under Title IV of ERISA that could become, after a Closing Date, an obligation of any Buyer or any of its Affiliates.

(b) Each Employee Benefit Plan of Sellers that is intended to be qualified under Section 401(a) of the Code is so qualified and has been so qualified during the period from its adoption to date, and each trust forming a part thereof is exempt from tax pursuant to Section 501(a) of the Code.

(c) Each Employee Benefit Plan of Sellers complies and has been administered in all material respects in accordance with its terms and all Legal Requirements, including ERISA and the Code and all applicable reporting, disclosure, fiduciary and tax qualification requirements thereunder. All statements and disclosures made on documents or forms filed or distributed pursuant to the applicable reporting and disclosure requirements under ERISA and the Code have been true and complete in all material respects and have been filed or distributed in a timely manner. No excise tax liability has been incurred with respect to any Employee Benefit Plan of Sellers. Each Employee Benefit Plan of Sellers is, and has been, operated and administered in material compliance with the appropriate written plan documents.

(d) Schedule 9.2 sets forth a list of each Employee Benefit Plan of Sellers.

(e) Except as set forth on Schedule 9.2, to Seller's Knowledge, no Seller has made any representations or promises among its employees regarding any compensation, benefits or payments from any Buyer or any plan or arrangement maintained by any Buyer.

Section 9.3 Employee Benefit Plans.

(a) Sellers shall retain all obligations and liabilities under or relating to the Employee Benefit Plans of Sellers, and Buyers shall assume none thereof.

(b) Sellers shall be responsible for satisfying obligations under Part 6 of Subtitle B of Title I of ERISA and Section 4980B of the Code, to provide continuation coverage and notice of such coverage to employees of each Station and their eligible dependents who suffer a "qualifying event" on or before the applicable Employment Commencement Date, including the closing of the transactions contemplated by this Agreement.

(c) On or before the applicable Employment Commencement Date, Sellers shall pay to each Transferred Employee all liabilities relating to accrued and unused paid time off days accumulated by such employee prior to the applicable Employment Commencement Date, and Buyers shall have no responsibility for any such liabilities. Each Transferred Employee shall be permitted to participate in the Employee Benefit Plans sponsored, maintained or contributed to by the applicable Buyer on the same terms and conditions as similarly situated employees of such Buyer, except that each such Buyer shall give each such Transferred Employee full credit for his or her past continuous service with the applicable Seller and its predecessors and affiliates, for purposes of eligibility to participate and any waiting periods, benefit eligibility, and vesting (but not benefit accrual) under Sellers' Employee Benefit Plans.

(d) Sellers shall be responsible for: (i) claims for medical and dental benefits, disability benefits, life insurance benefits and workers compensation that are incurred prior to the Employment Commencement Date and (ii) claims related to "COBRA" coverage attributable to "qualifying events" occurring prior to the Employment Commencement Date, in each case with respect to any Transferred Employee and beneficiaries and dependents. Buyers and their Affiliates shall be responsible for: (i) claims for medical and dental benefits, disability benefits, life insurance benefits and workers compensation that are incurred on or after the Employment Commencement Date and (ii) claims related to "COBRA" coverage attributable to "qualifying events" occurring on or after the Employment Commencement Date, in each case with respect to

any Transferred Employee and beneficiaries and dependents. For purposes of the foregoing, a medical/dental claim shall be considered incurred when the medical services are rendered or medical supplies are provided, and not when the condition arose. A life insurance or workers compensation claim shall be considered incurred prior to a particular date if the injury or condition giving rise to the claim occurs prior to such date. A disability claim shall be deemed to be incurred when the employee is declared disabled under the terms of the applicable disability plan.

Section 9.4 Employee Matters.

(a) Prior to the applicable Employment Commencement Date, a Buyer or an Affiliate thereof shall interview those employees of Sellers employed primarily in the conduct and operation of the D.C. Station, Hartford Station, Providence Station, holaciudad! or the Parent that are listed on Schedule 9.4(a); and consider in good faith offering employment to such employees to the extent consistent with Buyers' operational needs.

(b) Effective as of the applicable Employment Commencement Date, a Buyer or an Affiliate thereof shall offer employment to those employees of Sellers (i) employed primarily in the conduct and operation of the El Paso Stations, the Fort Myers Station, the Orlando Stations, the Richmond Station, the Tampa Stations or national sales for the Stations and set forth on Schedule 9.4(b)(i), or (ii) to whom a Buyer or an Affiliate thereof desire to offer employment pursuant to Section 9.4(a); provided, however, that in no event shall Buyers or an Affiliate thereof be required to offer employment to any person who fails to meet the required conditions of employment under Buyers' and its Affiliates policies and procedures of a nature described on Schedule 9.4(b)(ii). For the purposes hereof, all employees who accept an offer of employment from Buyers or an Affiliate thereof made pursuant to the first sentence of this Section 9.4(b) are hereinafter referred to collectively as the "**Transferred Employees,**" and the "**Employment Commencement Date**" as referred to herein shall mean: (A) as to those Transferred Employees not listed on Schedule 9.4(b)(iii) who are Active Employees at the D.C. Station, the Hartford Station or the Providence Station, the LMA Commencement Date; (B) as to those Transferred Employees who are Active Employees at the Closing Stations or Parent, the Closing Date, (C) [intentionally omitted], (D) as to those Transferred Employees listed on Schedule 9.4(b)(iii), the date listed on Schedule 9.4(b)(iii), and (E) as to those Transferred Employees who are Inactive Employees, the date on which the Transferred Employee begins employment with Buyers. Buyers shall employ at-will those Transferred Employees who do not have employment agreements, account executive term sheets or bonus schedules that are Assumed Contracts at a monetary compensation (consisting of base salary, commission rate and normal bonus opportunity) and on terms and conditions that are at least as favorable as those provided by Sellers immediately prior to the Employment Commencement Date. The initial terms and conditions of employment for those Transferred Employees who have employment agreements, account executive terms sheets or bonus schedules that are Assumed Contracts shall be as dictated by such agreements, term sheets and schedules.

(c) On or before the applicable Employment Commencement Date, Seller shall terminate the employment of all Transferred Employees. Sellers shall be solely responsible

for any severance or other obligations to all employees not hired by a Buyer or an Affiliate pursuant to the provisions of this Section 9.4.

(d) Nothing in this Section 9.4 or elsewhere in this Agreement shall be deemed to make any employee of a Seller a third-party beneficiary of this Agreement.

(b) Buyers and Sellers shall have received all Required Consents listed on Schedule 10.1, each free from any adverse conditions (in the reasonable judgment of Buyers) and otherwise in form and substance reasonably acceptable to Buyers, and no such Required Consent shall have been revoked. (i) Any Person, other than Buyers or their Affiliates, that has a Station Option with respect to a Station shall have duly and properly waived its rights to exercise such Station Option in respect of this Agreement and the transactions contemplated hereby, and each such Station Option shall have ceased to be applicable to any future sale or other transaction involving such Station.

(j) Sellers shall have timely paid all Taxes and all interest and penalties due thereon payable by them which arise from or with respect to the Assets or the operation of an applicable Station incurred in or attributable to the Pre-Closing Tax Period which will have been required to be paid on or prior to the Closing Date, the non-payment of which could result in a Lien on any Asset, could otherwise adversely affect an applicable Station or could result in any Buyer or any Affiliate of any Buyer becoming liable or responsible therefor. Each applicable Seller shall have timely delivered a Sale Notice to each State and shall have delivered a copy of each such Sale Notice and all related correspondence to Buyers to the extent required by Section 8.3(h).

(k) If a Closing Interruption Event has occurred, seven (7) Business Days shall have passed since the Closing Interruption Event has ceased.

Section 10.2 Conditions to Obligation of the Sellers with respect to the Closing.

The obligation of the Sellers to consummate the Closing is subject to the satisfaction, or waiver by Sellers in their absolute discretion, of the following conditions:

(a) (i) Buyers shall have performed in all material respects all of their obligations hereunder required to be performed by them at or prior to the Closing Date; (ii) the representations and warranties of Buyers contained in this Agreement and in any certificate or other writing delivered by Buyers pursuant hereto shall have been true and correct as of the date hereof and shall be true and correct at and as of the Closing Date in all material respects as if made at and as of such date; and (iii) Sellers shall have received a certificate signed by an appropriate executive officer of Buyers to the foregoing effect.

(g) [intentionally omitted.]

(h) Any Person other than Buyers that has a Station Option with respect to such Relinquishing Station shall have duly and properly waived its rights to exercise such Station Option in respect of this Agreement and the transactions contemplated hereby, and each such Station Option shall have ceased to be applicable to any future sale or other transaction involving such Station.

(i) Sellers shall have ceased operation of such Relinquishing Station on its pre-auction channel.

ARTICLE 11

SURVIVAL; INDEMNIFICATION

Section 11.1 Survival. The representations and warranties of the parties hereto contained in this Agreement or in any certificate or other writing delivered pursuant hereto or in connection herewith shall survive the Closing until the date that is twelve (12) months following the Closing Date (or the first Business Day thereafter, if such date is not a Business Day), except that (i) the representations and warranties set forth in Sections 3.1, 3.2, 3.3, 3.7(b), 5.1, 5.2 and 5.3 shall survive indefinitely and (ii) the representations and warranties set forth in Articles 8 and 9 shall survive until the later of the second anniversary of the Closing Date (or the first Business Day thereafter, if such date is not a Business Day) or 60 days following the expiration of the applicable statutory period of limitations (giving effect to any waiver, mitigation or extension thereof). Notwithstanding the preceding sentence, any representation or warranty in respect of which indemnity may be sought under this Agreement shall survive the time at which it would otherwise terminate pursuant to the preceding sentence, if a claim under this Article 11 shall have been made against the party from whom such indemnity may be sought prior to such time. All covenants and agreements of the parties hereunder that contemplate performance prior

to or at the Closing shall not survive. All covenants and agreements of the parties hereunder that contemplate performance after the Closing shall survive until performed. The indemnification obligations of the parties set forth in Section 11.2(a)(ii), (iii) and (iv) and Section 11.2(b)(ii), (iii) and (iv), subject to the limits herein, shall survive the Closing indefinitely.

Section 11.2 Indemnification.

(a) The Sellers, jointly and severally, hereby indemnify Buyers and their Affiliates and their respective officers, directors, managers, shareholders, partners, members and employees (each of the foregoing, a “**Buyer Indemnatee**” and collectively, the “**Buyer Indemnitees**”) against, and shall hold each of them harmless from, any and all damage, loss, Liability and expense (including reasonable expenses of investigation and reasonable attorneys’ fees and expenses in connection with any action, suit or proceeding) (collectively, “**Loss**” or “**Losses**”) incurred or suffered by any of the foregoing arising out of, resulting from, or related to:

(i) any misrepresentation or breach of warranty made by any of the Sellers pursuant to this Agreement or any document executed in connection with the transactions contemplated by this Agreement (disregarding, in each case for purposes of determining the existence of such misrepresentation or breach or the amount of Losses arising therefrom, any “materiality” or “Material Adverse Effect” or similar qualifications included in any such representation or warranty);

(ii) any breach of covenant or agreement made or to be performed by the ZGS Parties pursuant to this Agreement or any document executed in connection with the transactions contemplated by this Agreement;

(iii) any Excluded Liability or Excluded Asset; *provided, however*, that if any such Liability is also a misrepresentation or breach of warranty made by any of the Sellers as described in Section 11.2(a)(i), the indemnification obligations set forth in this Section 11.2(a)(iii) shall apply exclusively with respect thereto; or

(iv) the failure of any Seller to comply with any applicable bulk sales laws.

(b) Buyers hereby indemnify the Sellers and their respective Affiliates and their respective officers, directors, managers, shareholders, partners, members and employees against, and shall hold each of them harmless from, any and all Loss incurred or suffered by any of the foregoing arising out of, resulting from, or related to:

(i) any misrepresentation or breach of warranty made by Buyers pursuant to this Agreement or any document executed in connection with the transactions contemplated by this Agreement (disregarding, in each case for purposes of determining the existence of such misrepresentation or breach or the amount of Losses arising therefrom, any “materiality” or similar qualifications included in any such representation or warranty);

(ii) any breach of covenant or agreement made or to be performed by Buyers pursuant to this Agreement or any document executed in connection with the transactions contemplated by this Agreement;

(iii) any Assumed Liability, including the failure of the applicable Buyer to perform or satisfy any such Assumed Liability; or

(iv) any Buyer's ownership or operation of a Station after the Closing, except to the extent that such Loss relates to any matter for which Buyer is entitled to indemnification under Section 11.2(a).

(c) The Escrow Amount shall be security for the payment of the Sellers' indemnification obligations hereunder, but, except as otherwise set forth in Section 11.5, the Buyer Indemnitees' rights to indemnification shall not be limited to the Escrow Amount.

Section 11.3 Claim Procedures.

(a) Any party seeking indemnification pursuant to this Section (the "**Indemnified Party**") shall promptly notify in writing (an "**Indemnity Notice**") the other party or parties from whom such indemnification is sought (the "**Indemnifying Party**") of the Indemnified Party's assertion or a third party's assertion of any claim with respect to which the indemnification provisions set forth in this Article relate, providing in reasonable detail the facts giving rise to such claim, a statement of the Indemnified Party's Loss to the extent then known, and an estimate of the amount of Losses that the Indemnified Party reasonably anticipates it will suffer or incur; *provided, however*, that no delay on the part of the Indemnified Party in giving the Indemnity Notice shall relieve the Indemnifying Party from any obligation hereunder unless (and solely to the extent) the Indemnifying Party is prejudiced thereby.

(b) With respect to any third party claim for which an Indemnified Party is seeking indemnification hereunder:

(i) The Indemnifying Party shall have the right, upon written notice to the Indemnified Party within ten Business Days after its receipt of any Indemnity Notice, to undertake (at its expense) the defense of such claim with counsel reasonably satisfactory to the Indemnified Party; *provided, however*, that the Indemnifying Party shall not have the right to assume the defense of such claim if (A) the Indemnifying Party is also a party to such claim and the Indemnified Party determines in good faith that joint representation would be inappropriate, or (B) the Indemnifying Party fails to provide reasonable assurance to the Indemnified Party of its financial capacity to defend such claim and provide indemnification with respect to such claim, whereupon the Indemnified Party shall be entitled (but not obligated) to undertake the defense of such claim at the expense of the Indemnifying Party. The failure of the Indemnifying Party to give such notice and to undertake the defense of such a claim shall constitute a waiver of the Indemnifying Party's rights under this Section 11.3(b) and shall entitle (but not obligate) the Indemnified Party to undertake such defense at the expense of the Indemnifying Party. If the Indemnified Party undertakes the defense of any such claim, whether due to the Indemnifying Party's failure to assume such defense or the Indemnifying Party not having the right to assume such defense for one of the reasons set forth in clauses (A) and (B)

above, then, in the absence of gross negligence or willful misconduct on the part of the Indemnified Party, the Indemnifying Party shall be precluded from disputing the manner in which the Indemnified Party conducted the defense of such claim or the reasonableness of any amount paid and any agreement made by the Indemnified Party in settlement of such claim.

(ii) If the Indemnifying Party has undertaken the defense of any such claim as provided in clause (i) above, the Indemnifying Party may not agree to any settlement or compromise of such claim without the prior written consent of the Indemnified Party unless (A) prior to such settlement or compromise, the Indemnifying Party acknowledges in writing its obligation to pay in full the amount of the settlement or compromise and all associated expenses, (B) the Indemnified Party is furnished with security satisfactory to the Indemnified Party that the Indemnifying Party will in fact pay such amount and expenses, (C) the settlement or compromise does not involve anything but the one-time payment of money and has no adverse impact on a Station or its operations, and (D) the Indemnifying Party obtains, at no cost to the Indemnified Party, a release executed and delivered by the claiming third party or parties of all claims against the Indemnified Party, which release shall be acceptable in form and substance to the Indemnified Party. The Indemnified Party may, through counsel selected and paid by it, participate in (but not control) the defense of any claim undertaken by the Indemnifying Party.

(c) Unless, within ten Business Days following the Indemnifying Party's receipt of an Indemnity Notice, the Indemnifying Party gives written notice to the Indemnified Party announcing its intent to contest the assertion of such indemnification claim (the "**Contest Notice**"), such claim shall be deemed accepted by the Indemnifying Party. Notwithstanding the foregoing, if the Indemnifying Party assumes the defense of any third party claim pursuant to subsection (b), such claim shall be deemed accepted by the Indemnifying Party whether or not a Contest Notice has been or is later delivered. In the event that a Contest Notice is given to the Indemnified Party, then the parties shall endeavor to settle and compromise such contested claim as between them. If the parties are unable to agree on a settlement or compromise of such claim within 30 days after the Indemnified Party's receipt of the Contest Notice, such contested claim shall be settled by arbitration to be held in Philadelphia, Pennsylvania in accordance with the rules of the American Arbitration Association. The determination of the arbitrator(s) shall be delivered in writing to the Indemnifying Party and the Indemnified Party and shall be conclusive and binding upon all parties, and the amount to be paid by the Indemnifying Party shall be deemed established thereby. In the event that the claim relates to a third party claim that has not yet been resolved, the final amount to be paid shall be determined upon such resolution.

Section 11.4 Payment of Losses. Any Losses subject to indemnification under this Article 11 shall bear interest, in the case of a Loss attributable to a third party claim, from the date of the Indemnity Notice, and in all other cases, from the Closing Date, in each case until the date paid at a rate equal to the lesser of (i) two percent (2%) over Prime Rate, or (ii) the highest legal rate permitted by applicable Legal Requirements. The Indemnifying Party shall pay the amount of established Losses (including interest calculated pursuant to this Section 11.4) to the Indemnified Party in cash within five Business Days after establishment thereof (except to the extent a claim and disbursement for such Loss (including applicable interest) has been made

pursuant to the Escrow Agreement, in which case the time frames under the Escrow Agreement shall apply).

Section 11.5 Limitations on Indemnification Obligations.

(a) In the absence of Intentional Fraud, no Indemnifying Party shall have any obligation to indemnify any Indemnified Party or any other person claiming through any such Indemnified Party against any Losses pursuant to Section 11.2(a)(i) or 11.2(b)(i), as applicable, of this Agreement arising out of or based upon any inaccuracy in or breach of any representation or warranty made in or pursuant to this Agreement unless and until the Losses incurred with respect to the matter giving rise to such inaccuracy or breach exceed Ten Thousand Dollars (\$10,000) (the “**Mini-Basket**”), and then, in such case, the entire amount of such Losses shall count towards the Deductible (as defined below); *provided, however*, that the above limitation shall not be applicable to any claim for Losses (i) pursuant to Sections 11.2(a)(ii), (iii) or (iv) or 11.2(b)(ii), (iii) or (iv) or (ii) based upon a breach of a representation or warranty made in Sections 3.1, 3.2, 3.3, 3.7(b), 5.1, 5.2 , 5.3, 8.2. or 9.2.

(b) In the absence of Intentional Fraud, no Indemnifying Party shall have any obligation to indemnify any Indemnified Party or any other person claiming through any such Indemnified Party against any Losses pursuant to Section 11.2(a)(i) or 11.2(b)(i), as applicable, of this Agreement arising out of or based upon any inaccuracy in or breach of any representation or warranty made in or pursuant to this Agreement unless and until the aggregate amount of all such Losses suffered or incurred by such Indemnified Party and other persons claiming through such Indemnified Party exceeds Five Hundred Thousand Dollars (\$500,000) (the “**Deductible**”), in which event such Indemnified Party and such persons claiming through such Indemnified Party shall be entitled to indemnification for the amount of all Losses suffered or incurred in amounts greater, in the aggregate, than the Deductible; *provided, however*, that the above limitation shall not be applicable to any claim for Losses pursuant to Sections 11.2(a)(ii), (iii) or (iv) or 11.2(b)(ii), (iii) or (iv), or (ii) based upon a breach of a representation or warranty made in Sections 3.1, 3.2, 3.3, 3.7(b), 5.1, 5.2 , 5.3, 8.2. or 9.2.

(c) In the absence of Intentional Fraud, no Indemnifying Party shall have any obligation to indemnify any Indemnified Party or any other person claiming through any such Indemnified Party against any Losses pursuant to Section 11.2(a)(i) or 11.2(b)(i), as applicable, of this Agreement arising out of or based upon any inaccuracy in or breach of any representation or warranty made in or pursuant to this Agreement, to the extent that payments thereof by or on behalf of such Indemnifying Party to the Indemnified Party or persons claiming through such Indemnified Party or reasonably paid to third parties for the benefit of such Indemnified Party or persons claiming through such Indemnified Party pursuant to this terms of this Agreement exceed, in the aggregate, the Escrow Amount; *provided, however*, that the above limitation shall not be applicable to any claim for Losses (x) pursuant to Sections 11.2(a)(ii), (iii) or (iv) or 11.2(b)(ii), (iii) or (iv), or (y) based upon a breach of a representation or warranty made in Sections 3.1, 3.2, 3.3, 3.7(b), 5.1, 5.2 , 5.3, 8.2. or 9.2, and for the avoidance of doubt, none of the Losses described in clauses (x) or (y) hereof shall be included in determining the limitation in the amount of the Escrow Amount applicable under this Section 11.5(c).

(d) In the absence of Intentional Fraud, no Indemnifying Party shall have any obligation to indemnify any Indemnified Party or any other person claiming through any such Indemnified Party against any Losses pursuant to Section 11.2(a)(i) or 11.2(b)(i), as applicable, of this Agreement arising out of or based upon a breach of a representation or warranty made in Sections 3.1, 3.2, 3.3, 3.7(b), 5.1, 5.2, 5.3, 8.2. or 9.2, to the extent that payments thereof by or on behalf of such Indemnifying Party to the Indemnified Party or persons claiming through such Indemnified Party or reasonably paid to third parties for the benefit of such Indemnified Party or persons claiming through such Indemnified Party pursuant to this terms of this Agreement exceed, in the aggregate, the Final Purchase Price.

(e) In no event shall any Indemnifying Party be liable to any Indemnified Party for any punitive or exemplary damages, other than with respect to amounts paid or payable to third parties.

Section 11.6 Guaranty.

(a) In order to induce Buyers to enter into this Agreement and consummate the transactions contemplated hereby, and in consideration of the benefits to be received by the Principals pursuant to the transactions contemplated hereby, each Principal, severally and not jointly, hereby irrevocably, absolutely and unconditionally guarantees the prompt and full discharge by Sellers of the Sellers' indemnification obligations (i) under Section 11.2(a)(i) based upon a breach of a representation or warranty made in Sections 3.1, 3.2, 3.3, 3.7(b), 8.2. or 9.2; (ii) under Section 11.2(a)(ii) based upon any breach of covenant or agreement made or to be performed by any Seller pursuant to this Agreement other than those pursuant to Sections 6.1, 6.2 or 6.3 of this Agreement; or (iii) under Section 11.2(a)(iii) (the "**Guaranteed Indemnification Obligations**"); provided, however, that each Principal's respective guaranty pursuant to this Section 11.6 shall be subject to the limitations set forth on Schedule 11.6.

(b) The obligations of the each Principal pursuant to this Section 11.6 are unconditional and absolute and, without limiting the generality of the foregoing, shall not be released, discharged or otherwise affected by any change in the corporate existence, structure or ownership of Sellers, or any insolvency, bankruptcy, reorganization or other similar proceeding affecting Sellers or their assets. The obligations of the Principals pursuant to this Section 11.6 shall not be subject to any right of setoff, recoupment, deduction or counterclaim, or any other defense that the Principals may now or hereafter have against Sellers.

Section 11.7 Exclusive Remedy. In the absence of Intentional Fraud, and except (i) with respect to the availability of specific performance or other equitable remedies for breach or non-compliance, and (ii) for the enforcement of rights under the documents and instruments executed and delivered by the parties at the Closing or a Channel Share Closing, following the Closing, the indemnification provided by this Article 11 shall be the sole remedy of the parties hereto with respect to the transactions contemplated by this Agreement.

ARTICLE 12

TERMINATION

Section 12.1 Grounds for Termination Prior to Closing. This Agreement may be terminated at any time prior to the Closing:

- (a) by mutual written agreement of Sellers and Buyers;
- (b) by either Sellers or Buyers if the Closing shall not have been consummated on or before the Outside Date, provided that such failure to close by such date shall not have been the result of a material breach of any representation, warranty, covenant or other agreement contained herein by the parties seeking termination;
- (c) by Sellers in the event that Buyers shall be in material breach or default under this Agreement and shall have failed to cure such breach or default within 30 days after receiving written notice from Sellers, provided that no Seller is then in material breach of any representation, warranty, covenant or other agreement contained herein (provided that the obligation of the Buyers to pay the balance of the Closing Estimated Purchase Price at the Closing pursuant to Section 2.5(e) shall not be capable of cure);
- (d) by Buyers in the event that any Seller shall be in material breach or default under this Agreement and shall have failed to cure such breach or default within 30 days after Seller receiving written notice from Buyers, provided that Buyers are not then in material breach of any representation, warranty, covenant or other agreement contained herein;
- (e) by Buyers if the FCC designates any of the FCC Assignment Applications for an evidentiary hearing, provided that Buyers are not then in material breach of any representation, warranty, covenant or other agreement contained herein;
- (f) by Buyers under the circumstances set forth in Section 6.9(b) (Condemnation);
- (g) by Buyers under the circumstances set forth in Section 6.10(c) (Broadcast Transmission Interruption); and
- (h) by either Sellers or Buyers if there shall be any Legal Requirement that makes the Closing illegal or otherwise prohibited or if the Closing would violate any nonappealable, final Judgment of any Governmental Authority, provided that the party seeking termination is not then in material breach of any representation, warranty, covenant or other agreement contained herein.

The party desiring to terminate this Agreement pursuant to subsections (b), (c), (d), (e), (f), (g), or (h) shall give written notice of such termination to the other parties.

Section 12.2 Effect of Termination prior to Closing. If this Agreement is terminated as permitted by Section 12.1, such termination shall be without liability of any party (or any

shareholder, partner, member, director, officer, manager, employee, agent, consultant or representative of such party) to the other parties to this Agreement, and each party shall bear its own costs and expenses incurred in connection with the transactions contemplated hereby; *provided, however*, that, notwithstanding the foregoing, the non-terminating parties (and their Affiliates that are parties hereto, if any) shall be fully liable for any and all Losses incurred or suffered by the terminating parties if such termination is pursuant to (i) Section 12.1(b), (e) or (h) and the failure to close is the result of a material breach by the non-terminating parties, or (ii) Section 12.1(c) or Section 12.1(d). The provisions of Section 7.6 (Confidentiality), Section 13.3 (Expenses), and this Section 12.2 shall survive any termination hereof pursuant to Section 12.1.

Section 12.3 Grounds for Termination as to a Relinquishing Station. The provisions of this Agreement applicable to any Channel Share Closing may be terminated as to such applicable Relinquishing Station at any time:

- (a) by mutual written agreement of Sellers and Buyers;
- (b) by either Sellers or Buyers if there shall be any Legal Requirement that makes the applicable Channel Share Closing illegal or otherwise prohibited or if the applicable Channel Share Closing would violate any nonappealable, final Judgment of any Governmental Authority; or
- (c) by Buyers, for convenience, at their sole discretion.

The party desiring to terminate this Agreement pursuant to subsections (b) and (c) of this Section 12.3 shall give written notice of such termination to the other parties.

Section 12.4 Effect of Termination as to a Relinquishing Station. If the provisions of this Agreement applicable to any Channel Share Closing are terminated pursuant to Sections 12.3(a) or (b), such termination shall be without liability of any party (or any shareholder, partner, member, director, officer, manager, employee, agent, consultant or representative of such party) to the other parties to this Agreement. If the provisions of this Agreement applicable to such Channel Share Closing are terminated pursuant to Sections 12.3(c) during any time when (x) any Seller shall be in material breach of the Channel Share Representations or in material default of the provisions relating to the applicable Channel Share Closing or applicable Relinquishing Station under this Agreement and shall have failed to cure such breach or default within 30 days after Sellers receiving written notice from Buyers and (y) Buyers are not in material breach or default of any representation, warranty, covenant or other agreement contained herein, then notwithstanding the foregoing the Sellers shall be fully liable for any and all Losses incurred or suffered by the terminating party relating to such termination. Notwithstanding the foregoing, any termination pursuant to Section 12.3 shall not affect any rights or obligations of the parties hereto set forth herein with respect to the Closing Stations and the Closing, including, for the avoidance of doubt, Article 11. If the provisions of this Agreement applicable to all Channel Share Closings not earlier consummated are terminated, all references to the “final Channel Share Closing”) in this Agreement shall be deemed references to the effective date of such termination.

Section 13.2 Amendments and Waivers; Severability.

(a) Any provision of this Agreement may be amended or waived if, but only if, such amendment or waiver is in writing and is signed, in the case of an amendment, by each party to this Agreement, or in the case of a waiver, by the party against whom the waiver is to be effective.

(b) No failure or delay by any party in exercising any right, power or privilege hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

(c) If any provision of this Agreement is hereafter construed to be invalid or unenforceable (including in any particular jurisdiction), the same shall not affect the remainder of the provisions or the enforceability thereof in any other jurisdiction, which shall be given full effect, without regard to the invalid portions or unenforceable provisions.

Section 13.3 Expenses. Except as otherwise provided herein, all costs and expenses incurred in connection with this Agreement shall be paid by the party incurring such cost or expense.

Section 13.4 Successors and Assigns. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns; *provided, however*, that no party may assign, delegate or otherwise transfer any of its rights or obligations under this Agreement without the consent of each other party hereto except that any Buyer may, without the consent of Sellers, transfer or assign to one or more Affiliates, in whole or from time to time in part, the right to purchase all or a portion of the Assets, provided that no such assignment shall be permitted if it will materially delay processing of the FCC Application.

Section 13.5 Governing Law. This Agreement shall be governed by and construed in accordance with the law of the State of Delaware (and United States law, to the extent applicable), without regard to the conflicts of law rules of such state.

Section 13.6 Jurisdiction. Except as otherwise expressly provided in this Agreement, the parties hereto agree that any suit, action or proceeding seeking to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement or the transactions contemplated hereby may be brought in the United States District Court for the District of Delaware or any other Delaware state court sitting in New Castle County, and each of the parties hereby consents to the jurisdiction of such courts (and of the appropriate appellate courts therefrom) in any such suit, action or proceeding and irrevocably waives, to the fullest extent permitted by law, any objection which it may now or hereafter have to the laying of the venue of any such suit, action or proceeding in any such court or that any such suit, action or proceeding which is brought in any such court has been brought in an inconvenient forum. Process in any such suit, action or proceeding may be served on any party anywhere in the world, whether within or without the jurisdiction of any such court. Without limiting the foregoing, each party agrees that service of process on such party in the manner provided in Section 13.1 shall be deemed effective service of process on such party.

Section 13.7 WAIVER OF JURY TRIAL. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATED TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

Section 13.8 Specific Performance; Remedies Cumulative.

(a) The Sellers recognize that each Station is a unique asset that cannot be readily obtained in the open market and that Buyers will be irreparably injured if this Agreement is not specifically enforced. Therefore, each Buyer shall be entitled in such event, in addition to bringing suit at law or equity for money or other damages, to obtain specific performance of the terms of this Agreement and to such other equitable relief as such Buyer deems appropriate. In any action to enforce the provisions of this Agreement, the Sellers shall waive the defense that there is an adequate remedy at law or equity and hereby agree that each Buyer shall have the right to obtain specific performance of the terms of this Agreement.

(b) The remedies provided in this Agreement shall be cumulative and, except as otherwise set forth in this Agreement, shall not preclude the assertion by any party hereto of any other rights or the seeking of any other remedies against the other party hereto.

Section 13.9 Counterparts; Effectiveness. This Agreement may be signed in any number of counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. This Agreement shall become effective when each party hereto shall have received a counterpart hereof signed by the other party hereto, which counterparty may be delivered via facsimile, PDF or other electronic means.

Section 13.10 Entire Agreement; Third Party Beneficiaries. This Agreement (including the Schedules and Exhibits attached hereto) constitutes the entire agreement among

the parties with respect to the subject matter hereof and supersedes all prior agreements and understandings, both written and oral, among the parties with respect to the subject matter of this Agreement. The ROFR Exercise Notice is hereby terminated and superseded in its entirety by this Agreement. No provision of this Agreement is intended to confer upon any Person other than the parties hereto any rights or remedies hereunder.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed by their respective authorized officers as of the day and year first above written.
