

TECHNICAL STATEMENT  
RADIO MULTIPLE OWNERSHIP ANALYSIS  
CAPSTAR TX LIMITED PARTNERSHIP

This statement and the attached figures were prepared on behalf of Capstar TX Limited Partnership ("CTLTP"), a licensee subsidiary of Clear Channel Communications, Inc. ("CCC"). CTLTP proposes the minor modification of a construction permit for WRDU(FM), Knightdale, NC. A multiple ownership analysis was prepared considering the following radio stations under present or proposed common ownership, time brokerage or joint sales.<sup>1</sup>

Table 1: Proposed Commonly Owned, Brokered or Jointly-Sold Stations  
Studied and Associated Arbitron Metro<sup>2</sup> Information

Calls	Fac ID	Band	Community	County	State	Geographic Arbitron Market	Declared Arbitron Market
WDCG	53597	FM	Durham	Durham	NC	Raleigh-Durham, NC	Raleigh-Durham, NC
WKSL	53596	FM	Burlington	Alamance	NC	Greensboro-Winston Salem-High Point, NC	Raleigh-Durham, NC
WRDU	73936	FM	Knightdale	Wake	NC	Rocky Mount-Wilson, NC moving to Raleigh-Durham, NC	Raleigh-Durham, NC
WRVA-FM	74125	FM	Rocky Mount	Nash	NC	Rocky Mount-Wilson, NC	Raleigh-Durham, NC

Since certain of these stations have overlapping principal community contours (5 mV/m for AM stations, 3.16 mV/m for FM stations), or are located in, or home to, the same Arbitron Metro Markets, an ownership study has been prepared in accordance with the Federal Communications Commission's local radio ownership rule.<sup>3</sup>

CCC does not have an attributable interest in any other station with a principal community contour that overlaps or intersects the principal community contour of WRDU(FM) as proposed, or which is located in the same Arbitron Metro<sup>4</sup> as WRDU(FM)). The community of license of WRDU has been modified by "Report and Order RM-11197, MB Docket No. 05-121" from Wilson, North Carolina, to Knightdale, North Carolina. Knightdale, NC is located in Wake County, NC, which is geographically within the Raleigh-Durham, NC Arbitron Metro. It is anticipated that WRDU will be reported by BIA as being "Home" to the Raleigh-Durham, NC Arbitron Metro. Contour overlap of the station to be modified also occurs with commonly-owned stations whose

<sup>1</sup> None of the following stations are attributable by virtue of a time brokerage agreement or joint sales agreement.

<sup>2</sup> Arbitron data presented herein is obtained from BIA's "Media Access Pro."

<sup>3</sup> See 47 C.F.R. § 73.3555(a).

<sup>4</sup> A station is considered to be "located in an Arbitron Metro" if the station's community of license is located within the boundaries of that Metro, or, the station is listed as "Home" to that Metro by BIA.

communities of license are located in the Raleigh-Durham, NC, the Greensboro-Winston Salem-High Point, NC and the Rocky Mount-Wilson, NC Arbitron Metro markets..

#### Arbitron Market Study

WRDU(FM) is presently reported by BIA as being "Home" to the Raleigh-Durham, NC Arbitron Metro, and as licensed to Knightdale will be geographically located within the Raleigh-Durham, NC Arbitron Metro. This proposal is in compliance with the local radio ownership rules for that Arbitron Metro, as evidenced by Table 2 below:

Table 2 - Stations Considered to be in the  
Raleigh-Durham, NC Arbitron Metro<sup>5</sup>

#### Interim Contour-Overlap Analysis

Because the principal community of the station to be modified, and the communities of all commonly-owned or attributable stations with overlapping principal contours with the station to be modified, are located in an Arbitron Metro, an interim contour-overlap analysis is not required.

#### Conclusions

In the Raleigh-Durham, NC Arbitron Radio Market studied herein, there are at least 44 radio stations, including the subject commonly-owned 4-FM stations, which are home to the Raleigh-Durham, NC Metro.

Based on the above, it is concluded that the proposed modification complies with Section 73.3555(a) of the FCC Rules.

Respectfully submitted,

Lance Nelms  
FCC Engineer
