

EXECUTION COPY

PROGRAMMING AGREEMENT

This Programming Agreement (the "*Agreement*"), made as of the 18th day of March, 2005, is between Infinity Broadcasting Corporation, a Delaware corporation ("*Licensee*"), and Family Stations, Inc., a California not-for-profit corporation ("*Programmer*").

RECITALS

Licensee and Programmer are parties to an Asset Purchase Agreement of even date herewith (the "*Purchase Agreement*"), pursuant to which Programmer has agreed to sell and Licensee has agreed to purchase radio station KEAR(FM) (Facility ID No. 20897), San Francisco, California (the "*Station*"). As of the Effective Date, as defined below, Licensee will be the licensee of the Station.

Licensee's affiliate, UPN Stations Group Inc. ("*UPN*"), and Programmer are parties to an Asset Purchase Agreement (the "*KFRC Purchase Agreement*"), dated March 7, 2005, pursuant to which Programmer has agreed to purchase and UPN has agreed to sell Station KFRC(AM) (Facility ID No. 1082), San Francisco, California ("*Station KFRC*").

Pursuant to the KFRC Purchase Agreement, Programmer has agreed to assume, pay and perform all liabilities, obligations and commitments of UPN arising or accruing at or after the effective time under the radio broadcast agreement (the "*Oakland A's Agreement*") by and between The Athletics Investment Group, LLC (the "*Oakland A's*") and Infinity Broadcasting Corporation of Los Angeles, as assigned, dated December 21, 2001, including the broadcast of the regular and pre- and post-season games (the "*Games*") of the Oakland Athletics and the pre-Game and post-Game shows produced by the Oakland A's (together with the broadcast of the play-by-play analysis of the Games, the "*Oakland A's Programs*").

In the event that the Closing under the Purchase Agreement occurs prior to the end of the Programmer's obligation to broadcast the Oakland A's Programs on Station KFRC, Programmer desires to purchase time on the Station for its programming time, subject to the limitations set forth herein and in accordance with the rules, regulations and policies of the Federal Communications Commission (the "*FCC*").

Therefore, for and in consideration of the mutual covenants herein contained, the parties agree as follows:

1. SALE OF TIME

1.1. Broadcast of Programming. During the Term (as defined below), Licensee shall make available broadcast time on the Station for the broadcast of Programmer's programs (the "*Programming*") for up to 168 hours a week except for: (i) downtime occasioned by routine maintenance consistent with prior practice; (ii) times mutually agreeable to Licensee and Programmer during which time Licensee may broadcast programming designed to address the concerns, needs and issues of the Station's listeners; (iii) times when Programmer's programs are not accepted or are preempted by Licensee in accordance with this Agreement; and (iv) times when the Station is not broadcasting because of Force Majeure Events (as defined below).

1.2. Advertising and Programming Revenues. During the Programming it delivers to the Station, Programmer shall have full authority to sell for its own account commercial time on the Station and to retain all revenues from the sale of such advertising.

1.3. Force Majeure. Any failure or impairment of facilities or any delay or interruption in broadcasting the Programming, or failure at any time to furnish the facilities, in whole or in part, for broadcasting, due to acts of God, strikes or threats thereof, force majeure or any other causes beyond the control of Licensee (collectively "*Force Majeure Events*"), shall not constitute a breach of this Agreement by Licensee.

1.4. Delivery of Signal. Programmer shall deliver continuous Programming to the Station's audio rack at the Station's transmitter facility. Licensee will at all times have control of the routing of Programming from the audio rack to the input of the transmitter via an audio routing system and the ability to replace the Programming with the Licensee's audio. Licensee will control the audio routing system via remote control.

1.5. Payments. In consideration of the rights granted under this Agreement, Programmer shall pay to Licensee the fee as provided in Schedule 1.5 hereto.

1.6. Effective Date and Term. Notwithstanding any other provision of this Agreement, this Agreement and the parties' obligations hereunder shall not be effective until the Closing Date (as defined in the Purchase Agreement) (the "*Effective Date*"), provided that on the Effective Date, Programmer's obligation to broadcast the Oakland A's Programs on Station KFRC pursuant to the Oakland A's Agreement is in effect. The term of this Agreement (the "*Term*") shall commence on the Effective Date, and, unless terminated earlier pursuant to Section 5, shall terminate automatically at 11:59 p.m. on the last date Seller is obligated to broadcast the Oakland A's Programs under the Oakland A's Agreement.

2. OBLIGATIONS AND RIGHTS OF LICENSEE

Programmer acknowledges and agrees and Licensee is and shall remain responsible for operating the Station in the public interest and controlling the day-to-day operations of the Station in

conformance with its FCC licenses, permits and authorizations. Without limiting the generality of the foregoing, Licensee and Programmer agree as follows:

2.1. Licensee's Absolute Right to Reject Programming. Licensee shall have the absolute right to reject any Programming, including advertising announcements or other material, which Licensee in its sole discretion deems contrary to the public interest, the Communications Act of 1934, as amended (the "*Communications Act*"), or the FCC's rules, regulations and policies (the "*Rules*," and together with the Communications Act, the "*Communications Laws*"). Licensee reserves the right to refuse to broadcast any Programming containing matter that Licensee in its sole discretion believes is, or may be determined by the FCC or any court or other regulatory body with authority over Licensee or the Station to be, violative of any right of any third party or indecent, obscene or profane. Licensee may take any other actions necessary to ensure the Station's operation complies with the laws of the United States, the laws of the State of California, the Communications Laws (including the prohibition on unauthorized transfers of control), and the rules, regulations and policies of other federal government authorities, including the Federal Trade Commission and the Department of Justice. Licensee may suspend, cancel or refuse to broadcast any portion of the Programming pursuant to this Section 2.1 without reduction or offset in the payments due Licensee under this Agreement.

2.2. Licensee's Right to Preempt Programming for Special Events and Public Interest Programming. Licensee shall have the absolute right to preempt Programming in order to broadcast a noncommercial or emergency program deemed by Licensee, in its sole discretion, to be of greater national, regional, or local public interest or significance, and to use part or all of the hours of operation of the Station for the broadcast of events of special importance. In all such cases, Licensee will use its best efforts to give Programmer reasonable advance notice of its intention to preempt any regularly scheduled programming. Licensee may preempt the Programming under this Section 2.2 without reduction or offset in the payments due Licensee under this Agreement.

2.3. Licensee's Public Service Programming. Licensee may broadcast public service programming as set forth in Section 1.1 hereof.

2.4 Political Advertising, Public File, Etc. The parties acknowledge that Licensee is ultimately responsible for complying with the Communications Laws with respect to (a) the carriage of political advertisements and programming (including, without limitation, the rights of candidates and, as appropriate, others to equal opportunities, lowest unit charge and reasonable access); (b) the broadcast and nature of public service programming; (c) the maintenance of political and public inspection files and the Station's logs; (d) the ascertainment of issues of community concern; and (e) the preparation of all quarterly issues/programs lists.

2.5. Maintenance and Repair of Transmission Facilities. Licensee shall use commercially reasonable efforts to maintain the Station's transmission equipment and

facilities, including the antennas, transmitters and transmission lines, in good operating condition, and Licensee shall continue to contract with local utility companies for the delivery of electrical power to the Station's transmitting facilities at all times in order to ensure operation of the Station. Licensee shall undertake such repairs as are necessary to maintain full-time operation of the Station with its maximum authorized facilities as expeditiously as reasonably possible following the occurrence of any loss or damage preventing such operation.

2.6. Licensee's Responsibility to Pay Certain Expenses. Subject to Schedule 1.5 hereto, Licensee shall be responsible for timely paying: (a) all costs associated with the transmitter site, including any taxes; (b) all utility costs (telephone, electricity, etc.) relating to the transmitter site; (c) the salaries, taxes, benefits, insurance and related costs for Licensee's personnel; and (d) all FCC regulatory or filing fees.

3. OBLIGATIONS AND RIGHTS OF PROGRAMMER

Programmer shall not take any action, or omit to take any action, inconsistent with Licensee's obligations under the Communications Laws to retain ultimate responsibility for the programming and technical operations of the Station. Whenever on the Station's premises, all of Programmer's personnel shall be subject to the supervision and the direction of the Licensee's employees. Without limiting the generality of the foregoing, Programmer agrees as follows:

3.1. Compliance with Laws and Station Policies. Programmer has advised Licensee of the nature of its Programming. Programmer will make no material changes in the Programming after the Effective Date without the prior written consent of Licensee, which shall not be unreasonably withheld. All Programming shall conform in all material respects to all applicable provisions of the Communications Laws, all other laws or regulations applicable to the broadcast of programming by the Station, and the programming regulations prescribed in Schedule 3.1 hereto. At no time during the Term shall Programmer or its employees or agents represent, hold out, describe or portray Programmer as the licensee of the Station.

3.2. Cooperation with Licensee. Programmer, on behalf of Licensee, shall furnish within the Programming all Station identification announcements required by the Communications Laws, and shall, upon request by Licensee, provide (a) information about Programming that is responsive to the public needs and interests of the area served by the Station so as to assist Licensee in the preparation of any required programming reports and (b) other information to enable Licensee to prepare other records, reports and logs required by the FCC or other local, state or federal governmental agencies. Programmer shall maintain and deliver to Licensee all records and information required by the FCC to be placed in the public inspection files of the Station pertaining to the broadcast of political programming and advertisements, in accordance with the provisions of Sections 73.1943 and 73.3526 of the Rules and The Bipartisan Campaign Reform Act of 2002. Programmer additionally agrees that broadcasts of sponsored programming addressing political issues or controversial subjects of public importance will comply with the provisions of Section 73.1212 of the Rules.

Programmer shall consult with Licensee and adhere strictly to all applicable provisions of the Communications Laws, with respect to the carriage of political advertisements and political programming (including, without limitation, the rights of candidates and, as appropriate, other parties, to “equal opportunities”) and the charges permitted for such programming or announcements. Programmer shall cooperate with Licensee to ensure compliance with the Rules regarding Emergency Alert System tests and alerts.

3.3. Payola and Plugola. Programmer shall provide to Licensee in advance any information known to Programmer regarding any money or other consideration which has been paid or accepted, or has been promised to be paid or to be accepted, for the inclusion of any matter as a part of any programming or commercial material to be supplied to Licensee by Programmer for broadcast on the Station, unless the party making or accepting such payment is identified in the program as having paid for or furnished such consideration in accordance with the Communications Laws. Commercial matter with obvious sponsorship identification will not require disclosure beyond the sponsorship identification contained in the commercial copy. Programmer shall at all times endeavor to proceed in good faith to comply with the requirements of Sections 317 and 507 of the Communications Act and the related Rules.

3.4. Handling of Communications. Programmer shall provide Licensee with the original or a copy of any correspondence from a member of the public relating to the Programming to enable Licensee to comply with the requirements of the Communications Laws, including those regarding the maintenance of the public inspection file. Licensee shall not be required to receive or handle mail, facsimiles, emails or telephone calls in connection with the Programming unless Licensee has agreed to do so in writing. Licensee shall promptly forward to Programmer all correspondence, payments, communications or other information and/or documents which it receives and which relate to the Programming, including without limitation, invoices, billing inquiries, checks, money orders, wire transfers, or other payments for services or advertising.

3.5. Compliance with Copyright Act. Programmer shall not broadcast any material on the Station in violation of the Copyright Act or the rights of any person. All music supplied by Programmer shall be (a) licensed by a music licensing agent such as ASCAP, BMI, or SESAC; (b) in the public domain; or (c) cleared at the source by Programmer. Licensee shall not be obligated to pay any music licensing fees or other similar expenses required in connection with the material broadcast by Programmer on the Station.

3.6. Programmer’s Employees. Programmer shall be responsible for the artistic personnel and material for the production of the Programming to be provided under this Agreement. Programmer shall employ and be responsible for the salaries, taxes, insurance and related costs for all of its own personnel and facilities used in fulfillment of its rights and obligations under this Agreement.

3.7 Programmer Responsibility to Pay Certain Expenses.

Programmer shall pay for all costs associated with production and listener responses, including telephone costs, fees to ASCAP, BMI and SESAC, any other copyright fees, and all other costs or expenses attributable to the Programming that is delivered by Programmer for broadcast on the Station.

4. INDEMNIFICATION

4.1. Indemnification. From and after the Effective Date, Programmer shall indemnify, defend, protect and hold harmless Licensee and Licensee's Affiliates (as defined in the Purchase Agreement), officers, directors, shareholders, employees and agents from and against all claims, damages, liabilities, costs and expenses, including reasonable attorneys' fees and expenses (collectively "*Damages*") arising from Programmer's provision of Programming hereunder, or any breach of any warranty, covenant or other agreement hereunder. Without limitation of the generality of the preceding sentence, Programmer will indemnify and hold Licensee and Licensee's Affiliates, officers, directors, shareholders, employees and agents harmless from and against Damages arising from any claim for libel, slander, infringement of copyright or other intellectual property right, or violation of any right of privacy or proprietary right, and for any other claims of any nature, including any investigation initiated or fines or forfeitures imposed by the FCC, as a result of the broadcast on the Station of the Programming.

4.2. Procedure for Indemnification. The procedure for indemnification shall be as follows:

(a) Licensee shall give notice to Programmer of any claim reasonably specifying (i) the factual basis for the claim, and (ii) the amount of the claim if then known. If the claim relates to an action, suit or proceeding filed by a third party against Licensee, notice shall be given by Licensee within fifteen (15) days after written notice of the action, suit or proceeding was given to Licensee. In all other circumstances, notice shall be given by Licensee within thirty (30) days after Licensee becomes aware of the facts giving rise to the claim. Notwithstanding the foregoing, Licensee's failure to give Programmer timely notice shall not preclude Licensee from seeking indemnification from Programmer if Licensee's failure has not materially prejudiced Programmer's ability to defend the claim or litigation.

(b) With respect to claims between the parties, following receipt of notice from Licensee of a claim, Programmer shall have thirty (30) days to make any investigation of the claim that Programmer deems necessary or desirable. For the purposes of this investigation, Licensee agrees to make available to Programmer and/or its authorized representatives the information relied upon by Licensee to substantiate the claim. If Licensee and Programmer cannot agree as to the validity and amount of the claim within the 30-day period (or any mutually agreed upon extension thereof), Licensee may seek appropriate legal remedy.

(c) With respect to any claim by a third party as to which Licensee is entitled to indemnification hereunder, Programmer shall have the right at its own expense to participate in or assume control of the defense of the claim with counsel reasonably acceptable to Licensee, and Licensee shall cooperate fully with Programmer, subject to reimbursement for reasonable expenses incurred by Licensee as the result of a request by Programmer. If Programmer elects to assume control of the defense of any third-party claim, Licensee shall have the right to participate in the defense of the claim at its own expense. If Programmer does not elect to assume control or otherwise participate in the defense of any third party claim, Licensee may, but shall have no obligation to, defend or settle such claim or litigation in such a manner as it deems appropriate, and in any event Programmer shall be bound by the results obtained by Licensee with respect to the claim (by default or otherwise) and shall promptly reimburse Licensee for the amount of all expenses (including the amount of any judgment rendered), legal or otherwise, incurred in connection with such claim or litigation.

5. EARLY TERMINATION

5.1. Termination Upon Default. Upon the occurrence of an Event of Default (as defined below) and the expiration of the applicable cure period as described in this Section 5, the non-defaulting party may terminate this Agreement. All amounts accrued or payable to Licensee up to the date of termination which have not been paid shall immediately become due and payable, and Licensee shall be under no further obligation to make available to Programmer any broadcast time or broadcast transmission facilities on the Station. An “*Event of Default*” means (a) Programmer’s failure to pay when due the payments payable under Section 1.5; and (b) the non-terminating party’s failure to comply with any provision that is material to the non-terminating party’s performance of the terms and conditions of this Agreement. An Event of Default shall not be deemed to have occurred until five (5) days after the non-defaulting party has provided the defaulting party with written notice specifying the event or events that, if not cured, would constitute an Event of Default and specifying the actions necessary to cure the default(s) within such period; provided that Programmer will be entitled to only two cure periods during any 12-month period with respect to failure to pay when due the payments payable under Section 1.5. A cure period shall extend for a reasonable period of time if the defaulting party is acting in good faith to cure and such delay is not materially adverse to the non-defaulting party.

5.2. Termination for Change in FCC Rules or Policies. Either party may terminate this Agreement upon written notice to the other if there has been a material change in the Communications Laws that would cause this Agreement to be in violation thereof, or in the event that the FCC determines that this Agreement does not comply with the Communications Laws, and such change in the Communications Laws or FCC determination is in effect and not the subject of an appeal or further administrative review; provided, however, that in such either event the parties shall first have negotiated in good faith and attempted to agree to an amendment to this Agreement that will provide the parties with a valid and enforceable agreement that conforms to the Communications Laws. In particular, if the FCC raises an objection to this Agreement, then the parties will attempt in good faith to address the FCC’s concern, provided that neither party will be required to modify the basic terms of this Agreement. If the parties are unable to agree to a modification that addresses the FCC’s concerns,

then this Agreement shall be terminated, and the Closing under the Purchase Agreement shall not take place until the end of the Programmer's obligation to broadcast the Oakland A's Programs on Station KFRC as provided in Section 1.1 of the Purchase Agreement.

5.3. Survival. No expiration or termination of this Agreement shall terminate the obligation of Programmer to indemnify Licensee for claims of third parties under Section 4 of this Agreement or limit or impair any party's right to receive payments due and owing hereunder on or before the date of such termination.

6. REPRESENTATIONS AND WARRANTIES

6.1. Representations and Warranties of Licensee. Licensee hereby represents and warrants that:

6.1.1. Organization, Qualification and Standing. Licensee is a corporation duly incorporated, validly existing and in good standing under the laws of the state of its incorporation and has all corporate powers and all governmental licenses, authorizations, permits, consents and approvals required to carry on its business as now conducted. Licensee is duly qualified to do business as a foreign corporation and is in good standing in each jurisdiction where such qualification is necessary, except for those jurisdictions where failure to be so qualified would not have a material adverse effect on Licensee or on Licensee's ability to perform its obligations under this Agreement. Licensee has the requisite corporate power and authority to carry on its business as now conducted.

6.1.2. Authorization and Binding Obligation. Licensee has all necessary power and authority to enter into and perform under this Agreement and the transactions contemplated hereby, and Licensee's execution, delivery and performance of this Agreement has been duly and validly authorized by all necessary action on its part. This Agreement has been duly executed and delivered by Licensee and constitutes its valid and binding obligation, enforceable in accordance with its terms, except as limited by laws affecting creditors' rights or equitable principles generally.

6.1.3. Absence of Conflicting Agreements or Required Consents. Neither the execution and delivery by Licensee of this Agreement, the consummation by Licensee of the actions contemplated hereby nor compliance by Licensee with or fulfillment by either of them of the terms, conditions and provisions hereof will conflict with, or result in a violation or breach of, or default (with or without notice or lapse of time, or both) under, or give rise to a right of termination, amendment, cancellation or acceleration of any obligation or loss of a material benefit under, or to increased, additional, accelerated or guaranteed rights or entitlements of any person under, or result in the creation of any Lien (as defined in the Purchase Agreement) upon any of the properties or assets of Licensee under, (i) the certificates of incorporation or by-laws of Licensee, (ii) any of the terms, conditions or provisions of any note, bond, mortgage, indenture, lease, contract, agreement, obligation, understanding, commitment

or other legally binding arrangement or of any license applicable to Licensee or its respective properties or assets, or (iii) any judgment, order, decree, statute, law, ordinance, rule or regulation applicable to Licensee, or its respective properties or assets.

6.2. Representations and Warranties of Programmer. Programmer hereby represents and warrants that:

6.2.1. Organization, Qualification and Standing. Programmer is a corporation duly incorporated, validly existing and in good standing under the laws of the state of its incorporation and has all corporate powers and all governmental licenses, authorizations, permits, consents and approvals required to carry on its business as now conducted. Programmer is duly qualified to do business as a foreign corporation and is in good standing in each jurisdiction where such qualification is necessary, except for those jurisdictions where failure to be so qualified would not have a material adverse effect on Programmer or on Programmer's ability to perform its obligations under this Agreement. Programmer has the requisite corporate power and authority to carry on its business as now conducted.

6.2.2. Authorization and Binding Obligation. Programmer has all necessary power and authority to enter into and perform under this Agreement and the transactions contemplated hereby, and Programmer's execution, delivery and performance of this Agreement has been duly and validly authorized by all necessary action on its part. This Agreement has been duly executed and delivered by Programmer and constitutes its valid and binding obligation, enforceable in accordance with its terms, except as limited by laws affecting creditors' rights or equitable principles generally.

6.2.3. Absence of Conflicting Agreements or Required Consents. Neither the execution and delivery by Programmer of this Agreement, the consummation by Programmer of the actions contemplated hereby nor compliance by Programmer with or fulfillment by either of them of the terms, conditions and provisions hereof will conflict with, or result in a violation or breach of, or default (with or without notice or lapse of time, or both) under, or give rise to a right of termination, amendment, cancellation or acceleration of any obligation or loss of a material benefit under, or to increased, additional, accelerated or guaranteed rights or entitlements of any person under, or result in the creation of any Lien (as defined in the Purchase Agreement) upon any of the properties or assets of Programmer under, (i) the certificates of incorporation or by-laws of Programmer, (ii) any of the terms, conditions or provisions of any note, bond, mortgage, indenture, lease, contract, agreement, obligation, understanding, commitment or other legally binding arrangement or of any license applicable to Programmer or its respective properties or assets, or (iii) any judgment, order, decree, statute, law, ordinance, rule or regulation applicable to Programmer, or its respective properties or assets.

7. REQUIRED FCC CERTIFICATIONS

7.1. Programmer's Certification. Programmer hereby certifies that this Agreement complies with the provisions of subsections (a) and (c) of Section 73.3555 of the FCC's rules and regulations.

7.2. Licensee's Certification. Licensee hereby certifies that it shall maintain ultimate control over the Station's facilities, including specifically control over Station's finances, personnel, and programming.

8. MISCELLANEOUS

8.1. Amendment, Modification or Waiver. No amendment, modification or waiver of any provision of this Agreement shall be effective unless made in writing and signed by the party adversely affected, and any such waiver and consent shall be effective only in the specific instance and for the purpose for which such consent was given.

8.2. No Waiver; Remedies Cumulative. No failure or delay on the part of Licensee or Programmer in exercising any right or power under this Agreement shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the parties to this Agreement are cumulative and are not exclusive of any right or remedies which either may otherwise have.

8.3. Governing Law; Waiver of Jury Trial. The construction and performance of this Agreement shall be governed by the laws of the State of New York without regard to its principles of conflict of law. All actions and proceedings arising out of or relating to this Agreement shall be heard and determined in a New York state or federal court sitting in the City of New York, and the parties hereto irrevocably submit to the exclusive jurisdiction of such courts in any such action or proceeding and irrevocably waive the defense of an inconvenient forum to the maintenance of any such action or proceeding. Each party agrees not to bring any action or proceeding arising out of or relating to this Agreement in any other court. THE PARTIES HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVE TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING IN ANY WAY TO THIS AGREEMENT, INCLUDING WITH RESPECT TO ANY COUNTERCLAIM MADE IN SUCH ACTION OR PROCEEDING, AND AGREE THAT ANY SUCH ACTION OR PROCEEDING SHALL BE DECIDED SOLELY BY A JUDGE. The parties hereto hereby acknowledge that they have each been represented by counsel in the negotiation, execution and delivery of this Agreement and that their lawyers have fully explained the meaning of the Agreement, including in particular the jury-trial waiver.

8.4. Construction. Any question of doubtful interpretation shall not be resolved by any rule providing for interpretation against the party who causes the uncertainty to exist or against the drafter of this Agreement.

8.5. No Partnership or Joint Venture. This Agreement is not intended to be and shall not be construed as a partnership or joint venture agreement between the parties. Except as otherwise specifically provided in this Agreement, no party to this Agreement shall be authorized to act as agent of or otherwise represent any other party to this Agreement.

8.6. Entire Agreement. This Agreement, and the exhibits and schedules hereto, embody the entire agreement and understanding of the parties hereto and supersede any and all prior agreements, arrangements and understandings relating to the matters provided for herein.

8.7. Benefit and Assignment. This Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns. Programmer may not assign its rights under this Agreement without Licensee's prior written consent, which consent may be withheld in Licensee's sole discretion. Licensee may, without Programmer's consent, assign any or all of its rights and obligations under this Agreement to any of its Affiliates (as defined in the Purchase Agreement).

8.8. Headings. The headings set forth in this Agreement are for convenience only and will not control or affect the meaning or construction of the provisions of this Agreement.

8.9. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original and all of which together shall constitute one and the same instrument. Faxed copies of the Agreement and faxed signature pages shall be binding and effective as to all parties and may be used in lieu of the original Agreement, and, in particular, in lieu of original signatures, for any purpose whatsoever.

8.10. Notices. Any notice, demand or request required or permitted to be given under the provisions of this Agreement shall be in writing, addressed to the following addresses, or to such other address as any party may request.
