

TIME BROKERAGE AGREEMENT

This TIME BROKERAGE AGREEMENT, is entered into as of this 30th day of September, 2011, (this "Agreement"), by and between BROADY MEDIA GROUP, LLC, a Tennessee limited liability company (the "Programmer") and WENO, INC., a Tennessee not-for-profit corporation ("Licensee").

RECITALS:

WHEREAS, Licensee owns and operates the following AM radio station (the "Station") licensed by the Federal Communications Commission (the "FCC"):

WENO (AM) Nashville, Tennessee, FCC Facility ID# 71507

WHEREAS, Licensee desires to obtain a regular source of programming and income for the Station; and

WHEREAS, Programmer desires to purchase time for the broadcast of programming on the Station and for the sale of advertising time included in that programming; and

WHEREAS, Programmer and Licensee have entered into an Option Agreement of even date herewith (the "Option Agreement") whereby Licensee has agreed to provide Programmer with an option to purchase substantially all of the assets of the Station, upon fulfillment of Programmer's obligations under this Agreement.

NOW, THEREFORE, in consideration of the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto hereby agree as follows:

1. (a) Sale of Time. Subject to the provisions of this Agreement and to applicable rules, regulations and policies of the FCC, Licensee agrees to make the Station's broadcasting transmission facilities available to Programmer for the entirety of its broadcast day for broadcast of Programmer's programs on the Station originating either from Programmer's studio, from Licensee's studio or otherwise. Programmer will have the right to broadcast on the Station during the Term (as defined in Section 2 below). Notwithstanding the foregoing, Programmer agrees to cooperate with Licensee regarding completion of existing programming commitments for the Station and to broadcast those programming commitments through their termination date, not to exceed 30 days.

(b) (i) Reservation of public interest time. In the event that Programmer does not broadcast programming sufficient to meet FCC requirements for public affairs programming or fails to provide Licensee with records sufficient to meet the FCC's requirements for public affairs programming, Licensee reserves one hour per week of the Station's time for its own use in order to air such programming.

(ii) Downtime for maintenance. Licensee may perform maintenance on the Station's facilities, including taking the Station dark, as necessary to meet FCC and FAA requirements, manufacturer recommendations, and good engineering practice standards, provided that Licensee shall use reasonable efforts to schedule such maintenance during the overnight hours. No allowance shall be made for a Station's downtime for up to three hours of maintenance per month.

2. Term. Subject to earlier termination as set forth in Section 10 below, the initial term of this Agreement shall begin at 12:01 A.M., local Station time, on October 1, 2011 (the "Effective Date"); and shall continue until June 30, 2013 (the "Term"), unless terminated as provided herein.

3. Consideration. As consideration for the airtime made available hereunder during the Term, Programmer shall pay to Licensee the amounts described in Schedule A hereto.

4. Licensee's Authority. Notwithstanding anything to the contrary in this Agreement, Licensee shall have full authority and power over the operation of the Station during the Term. Licensee shall be responsible for all programming it furnishes for broadcast on the Station and for the payment of the salaries of all of its employees, all of whom shall report solely to and be accountable solely to the Licensee. Licensee shall retain the right to interrupt or preempt Programmer's programming at any time if Licensee determines the programming is not in the public interest or violates this Agreement, or in case of an emergency or Emergency Alert ("EAS") activation, or for the purpose of providing programming which Licensee in its sole discretion determines to be of greater national, regional or local importance, provided that Licensee shall promptly pay to Programmer any revenues received by Licensee as a result of such interruption or preemption. Programmer will properly prepare and furnish to Licensee such information, records and reports in sufficient detail as is necessary to enable Licensee to comply with all rules and policies of the FCC or any other government agency.

5. Advertising and Programming Revenues. Programmer shall retain all revenues from the sale of advertising time on the programming it broadcasts, or causes to be broadcast, on the Station.

6. Compliance with FCC Requirements

(a) Programmer will provide, make available to and shall sell time to political candidates from the time it purchases from Licensee in compliance in all material respects with the Communications Act of 1934, as amended (the "Act"), and the rules, regulations and policies of the FCC.

(b) Upon request by Licensee, Programmer shall use commercially reasonable efforts to provide Licensee with payola affidavits in the form reasonably acceptable to Licensee, signed by such of Programmer's employees and at such times as Licensee may reasonably request in writing, and shall notify Licensee promptly of any violations it learns of relating to the Act, including Sections 317 and 508 thereof.

(c) Programmer shall maintain and deliver to the Station and Licensee such records and information required by the FCC to be placed in the public inspection file of the Station relating to the broadcast of political programming and advertisements, in accordance with the provisions of Sections 73.1943 and 73.3526 of the FCC's rules, and pertaining to the broadcast of sponsored programming addressing political issues or controversial issues of public importance, in accordance with the provisions of Section 73.1212 of the FCC's rules. In particular, and without limitation, Programmer shall promptly provide to Licensee complete records of all requests for broadcast time made by or on behalf of any candidate for public office, together with information concerning the disposition of such requests and the charges made. Programmer also shall consult with Licensee concerning the Programming to ensure that the Station are compliant with the Act and all other applicable statutes and the rules, regulations and policies of the FCC, as announced from time to time, with respect to the carriage of political advertisements and programming and the charges permitted therefore, including without limitation the equal time and lowest unit rate provisions of the Act. In the event that it is necessary for Licensee to make time directly available to political candidates in order to comply with the provisions of the Act, Programmer shall immediately relinquish such amounts of time as Licensee shall reasonably require, and Licensee shall promptly pay to Programmer all advertising revenues realized thereby.

(d) Licensee shall maintain a main studio for the Station pursuant to the rules and regulations of the FCC and shall employ such employees as shall be necessary or advisable for the operations of the Station (the "Station Employees") and the maintenance of the Station's main studio pursuant to the rules and regulations of the FCC. The Station Employees shall be solely accountable to Licensee.
