Subject: KNME Interference Acceptance Letter – Taos, New Mexico

Date: 7/28/2010

The Regents of the University of New Mexico and the Board of Education of Albuquerque, KNME-TV, licensee of K33BN has received notice that the proposed facility for the new digital channel 33 translator with technical parameters, as described in the FCC construction permit application to which this letter is attached, is predicted to cause interference to FCC file 20050912AAD. By way of this letter, the licensee of K33BN, KNME-TV acknowledges that it will accept any interference caused by the proposed facilities of this application or any amendment thereof.

If you have any questions concerning this acknowledgement, you are welcome to contact me at the phone number listed.

Respectfully,

A handwritten signature in blue ink, appearing to read 'James M. Gale'.

James M. Gale

Director of Engineering

KNME-TV, KNMD-DT

University of New Mexico
