WITNESSETH

WHEREAS, Seller is the licensee of Class A television station W17CI, Claremont, New Hampshire (Facility ID No. 48413) and the permittee of accompanying digital companion channel W47ES-D, Claremont, NH (Facility ID No. 198061) (collectively, the “Station”) pursuant to certain licenses, permits, authorizations and approvals (the “FCC Authorizations”) issued by the Federal Communications Commission (the “FCC”); and

WHEREAS, Seller desires to assign the FCC Authorizations to Buyer and Buyer desires to acquire the FCC Authorizations; and

WHEREAS, Seller is willing to sell to Buyer and Buyer is willing to purchase from Seller substantially all of the assets, business and rights of Seller related to the Station, on the terms and subject to the conditions set forth in this Agreement;

NOW, THEREFORE, taking the foregoing into account, and in consideration of the mutual covenants and agreements set forth herein, the parties, intending to be legally bound, hereby agree as follows:

ARTICLE I **SALE AND PURCHASE**

Section 1.1 Station Assets. Subject to and in reliance upon the representations, warranties and agreements set forth in this Agreement, and subject to the terms and conditions herein contained, Seller shall grant, convey, sell, assign, transfer and deliver to Buyer on the Closing Date (as hereinafter defined), and Buyer shall purchase and accept from Seller, all interests of Seller in the properties, assets, privileges, rights, interests and claims, real and personal, tangible and intangible, described in this **Section 1.1**, including assets listed in Schedules 1.1(a), 1.1(b) and 1.1(c) hereto, along with the business and goodwill of the Station (but not including Excluded Assets as defined in **Section 1.2**) (collectively, the “Station Assets”). Without limiting the foregoing, the Station Assets shall include the following:

(a) Licenses and Authorizations. All of the FCC Authorizations issued with respect to the Station including all of the FCC Authorizations listed and described on Schedule 1.1(a) attached hereto, and all applications therefor, together with any renewals or extensions thereof and additions thereto.

(b) Tangible Personal Property. All interests of Seller as of the date of this Agreement in all personal property listed and described on Schedule 1.1(b) attached hereto (collectively, the “Tangible Personal Property”).

(c) Intellectual Property. All of Seller's right, title and interest in and to the Station's call letters and all trademarks, trade names, service marks, internet domain names, urls, internet website content, copyrights, programs and programming material, franchises, copyrights, jingles, logos, slogans, technology and other intangible property used in the conduct of the business and operation of the Station and either owned by Seller or licensed to Seller on the date hereof, together with any associated goodwill, registrations and applications for registration of any of them and any additions thereto between the date hereof and the Closing Date, including but not limited to those described on Schedule 1.1(c) attached hereto (collectively, the "Intellectual Property").

(d) Station Records. All files, records, and books of account relating to the Station, including, without limitation, technical information and engineering data, lists of advertisers, promotional materials, filings with the FCC, copies of all written contracts to be assigned hereunder, logs, the public inspection files and copies of all software programs used in connection with the operation of the Station.

Section 1.2 Excluded Assets. Notwithstanding anything to the contrary contained herein, the Station Assets shall not include the following assets or any rights, title and interest therein (the "Excluded Assets"):

(a) All cash and cash equivalents of Seller, including without limitation certificates of deposit, commercial paper, treasury bills, marketable securities, money market accounts and all such similar accounts or investments.

(b) All deposits and prepaid expenses.

(c) Seller's right, title and interest in and to the Seller's contracts, agreements and operating leases, including, but not limited, to those relating to the operation of the Station, which will not be assigned to Buyer; and

(d) Seller's internal corporate records and financial records not related to the Station.

Section 1.3 Liabilities. The Station Assets shall be sold and conveyed to Buyer free and clear of all liabilities, debts, mortgages, liens, deeds of trust, security interests, pledges, restrictions, prior assignments, charges, claims, defects in title and encumbrances of any kind or type whatsoever (collectively, "Liens"), except for permitted liens. Buyer shall not assume any of Seller's obligations of any kind, absolute or contingent, known or unknown, unless specifically noted in this Agreement. Buyer shall not assume any of Seller's obligations, including without limitation any obligations incurred by Seller as a result of any report, order or similar instrument issued by the FCC, unless specifically noted in this Agreement.

Section 1.4 Closing. The consummation of the sale and purchase of the Stations Assets provided for in this Agreement (the "Closing") shall take place at a date, time and place as Buyer and Seller shall mutually agree and shall occur no later than ten (10) calendar days after the date the FCC Consent for the Application (as defined in **Section 3.1**) becomes "Final," (or at such other time as the parties may mutually agree in writing), subject in either case to the satisfaction or waiver of the conditions set forth in Articles VII and VIII below (other than those requiring a delivery of a certificate or other document, or the taking of other action, at the Closing). For purposes of this Agreement, the term "Final" shall mean an FCC Consent which has not been

reversed, stayed, enjoined, set aside, annulled or suspended; with respect to which no timely request for stay, petition for rehearing, appeal or certiorari or *sua sponte* action of the FCC with comparable effect shall be pending; and as to which the time for filing any such request, petition, appeal, *certiorari* or for the taking of any such *sua sponte* action by the FCC shall have expired or otherwise terminated. The date on which the Closing is to occur is referred to herein as the “Closing Date.”

ARTICLE II

PURCHASE PRICE

Section 2.1 Purchase Price. The consideration for the sale of the Station Assets shall be Thirty Thousand U.S. Dollars (\$30,000.00) (the “Purchase Price”), which shall be paid in cash at the Closing, subject to any prorations as set forth in **Section 2.2**; and provided further that all conditions to Closing have been satisfied.

Section 2.2 Prorations. The parties agree to prorate all expenses arising out of the operation of the Station which are incurred, accrued or payable, as of 11:59 p.m. local time in Claremont, New Hampshire on the day preceding the Closing Date. On the Closing Date, the prorations shall, insofar as feasible, be determined and paid on the Closing Date, with final settlement and payment to be made within sixty (60) days after the Closing Date.

ARTICLE III

FCC CONSENT

Section 3.1 Application for FCC Consent. As soon as possible (but in no event later than ten (10) calendar days after the date of this Agreement), Seller and Buyer shall file an application with the FCC (the “Application”) requesting the FCC’s written consent to the assignment of the Station’s FCC Authorizations to Buyer. The FCC filing fee for the Application shall be paid by Buyer. Seller and Buyer shall each diligently take all reasonable steps that are necessary, proper or desirable to expedite the prosecution of the Application to a favorable conclusion, provided, however, that neither party will be required to participate in a trial-type hearing or a judicial appeal of an adverse FCC decision. Seller and Buyer shall promptly provide the other with a copy of any pleading, order or other document served on it relating to the Application. The FCC’s initial written consent or “staff grant” of the Application is referred to herein as the “FCC Consent.”

ARTICLE IV

REPRESENTATIONS AND WARRANTIES OF SELLER

Seller represents and warrants to Buyer as follows:

Section 4.1 Status. Seller is a Delaware limited liability company in good standing, and Seller has the capacity to enter into and complete the transactions contemplated by this Agreement (the “Subject Transaction”).

Section 4.2 Authority. This Agreement has been duly and validly authorized, executed, and delivered by Seller and constitutes the legal, valid and binding obligation of Seller, enforceable

against Seller in accordance with its terms, except as may be limited by bankruptcy laws and general principles of equity.

Section 4.3 No Conflict. The execution, delivery and performance of this Agreement by Seller and the consummation of the Subject Transaction by Seller will not conflict with or violate or result in any breach of or any default under, result in any termination or modification of, or cause any acceleration of any obligation under, any contract to which Seller is a party or by which it is bound, or by which the Station or the Station Assets may be affected, or result in the creation of any Lien upon the Station Assets; or violate any judgment, decree, order, statute, law, ordinance, rule or regulation applicable to Seller, the Station or the Station Assets.

Section 4.4 Licenses. Seller is the holder of the respective FCC Authorizations listed and described on Schedule 1.1(a). Such FCC Authorizations constitute all of the licenses, authorizations and approvals required under the Communications Act of 1934, as amended (the “Communications Act”), and the rules and published policies of the FCC for, and used in the operation of, the Station as currently operated. (The Communications Act and the FCC’s rules and published policies are referred to collectively herein as the “Communications Laws.”) The FCC Authorizations are in full force and effect and have not been revoked, suspended, canceled, rescinded or terminated and have not expired. There is not now pending or, to the Seller’s knowledge, threatened any action by or before the FCC to revoke, cancel, rescind, modify or refuse to renew the FCC Authorizations.

Section 4.5 Additional FCC Matters. With respect to the Station, Seller is operating only those facilities for which an appropriate FCC Authorization has been obtained and is in effect, and Seller is meeting the conditions of each such FCC Authorization. The Station is not, to Seller’s knowledge, causing any interference to or receiving interference from any other station beyond what is permitted under the Communications Laws. Seller has operated the Station in all material respects accordance with all Communications Laws, including, without limitation those Communications Laws necessary to maintain the Station’s status as a “Class A” television station, as defined by the FCC. All material reports and filings required to be filed with the FCC by Seller with respect to the Station, including those reports and filings necessary to maintain the Station’s Class A status pursuant to the Communications Laws, have been timely filed. Seller has maintained an appropriate public inspection file at the Station as required by the Communications Laws.

Section 4.6 Certain Station Assets. The Station Assets constitute all of the assets, with the exception of capital and the Excluded Assets, necessary to conduct the present operations of the Station as currently operated. Seller has good, valid and marketable title to all of the Station Assets, and such title will be delivered free and clear of all Liens at the Closing. Schedule 1.1(b) contains a description of all material items of Tangible Personal Property. Schedule 1.1(c) contains a description of all material items of Intellectual Property.

Section 4.7 Brokers. There is no broker or finder or other person entitled to a commission or brokerage fee or payment in connection with this Agreement or the Subject Transaction as a result of any agreement of, or action taken by, Seller.

Section 4.8 Disclosure. No provision of this Agreement (including the Schedules attached hereto), or any document or agreement delivered or made pursuant to the terms of this Agreement, relating to Seller, the Station or the Station Assets, knowingly contains or will contain any untrue statement of a material fact or omits or will omit to state a material fact required to be stated in order to make the statement, in light of the circumstances in which it is made, not misleading.

Section 4.9 Absence of Litigation; Taxes. Seller is not subject to any order, writ, injunction, judgment, arbitration decision or decree having binding effect and affecting the Station or the Station Assets or which restrains or enjoins the transactions contemplated hereby, and no such proceeding is pending. There is no material litigation pending by or against, or to the best of Seller's knowledge, threatened against Seller which relates to the Station or could affect any of the Station Assets. Seller has paid all taxes, of any kind whatsoever, required to be paid by Seller.

Section 4.10 No Other Agreements to Sell the Station; No Undisclosed Liabilities. Seller has no legal obligation, absolute or contingent, to any other person or firm to sell, assign, or transfer the Station Assets (whether through a merger, reorganization or sale of stock or otherwise) or to enter into any agreement with respect thereto. To the knowledge of the Seller, there are no liabilities or obligations of Seller with respect to the Station that will be binding upon Buyer after the Closing Date.

ARTICLE V

REPRESENTATIONS AND WARRANTIES OF BUYER

Buyer represents and warrants to Seller as follows:

Section 5.1 Status. Buyer is a limited liability company, duly organized, validly existing and in good standing under the laws of the State of Delaware and authorized to conduct business in the State of New Hampshire. Buyer has the requisite corporate power to enter into and complete the Subject Transaction.

Section 5.2 Authority. All corporate actions necessary to be taken by or on the part of Seller in connection with the Subject Transaction have been duly and validly taken, and this Agreement has been duly and validly authorized, executed, and delivered by Buyer and constitutes the legal, valid and binding obligation of Buyer, enforceable against Buyer in accordance with its terms, except as may be limited by bankruptcy laws and general principles of equity.

Section 5.3 No Conflict. The execution, delivery and performance of this Agreement by Seller and the consummation of the Subject Transaction by Buyer will not (a) conflict with or violate the organizational documents of Buyer; (b) conflict with or violate or result in any breach of or any default under, result in any termination or modification of, or cause any acceleration of any obligation under, any contract to which Buyer is a party or by which it is bound or (c) violate any judgment, decree, order, statute, law, ordinance, rule or regulation applicable to Buyer.

Section 5.4 Qualifications. Buyer is legally, financially and otherwise qualified to be the licensee of, own and operate a broadcast station under the Communications Laws, without any waiver of the Communications Laws. There are no facts that would, under existing law, including the Communications Laws, disqualify Buyer as licensee, owner and operator of a station or require

such a waiver. There is no action, suit or proceeding pending or threatened against Buyer which questions the legality of the Subject Transaction or could adversely affect the ability of Buyer to perform its obligations hereunder.

Section 5.5 Brokers. There is no broker or finder or other person entitled to a commission or brokerage fee or payment in connection with this Agreement or the Subject Transaction as a result of any agreement of, or action taken by, Buyer.

ARTICLE VI

COVENANTS OF SELLER

Seller covenants and agrees that from the date hereof until the completion of the Closing:

Section 6.1 Operation of the Business.

(a) Seller shall operate the Station in accordance with the terms of the FCC Authorizations and in compliance in all material respects with all applicable laws, including the Communications Laws. Seller shall maintain the FCC Authorizations in full force and effect and shall timely file and prosecute any necessary applications for renewal of the FCC Authorizations. Seller will deliver to Buyer, within ten (10) business days after filing, copies of any reports, applications or responses to the FCC related to the Station which are filed after the date hereof until the Closing Date.

(b) Seller shall not, by any act or omission, knowingly cause any of the representations and warranties set forth in Article IV to become untrue or incorrect in any material respect, and Seller shall use commercially reasonable efforts to cause the conditions to Closing set forth in Article VIII to be satisfied, and ensure that the Subject Transaction shall be consummated as set forth herein.

(c) Seller will continue to operate the Station in accordance with all Communications Laws, including, without limitation those necessary to maintain the Station's status as a Class A television station, as such term is defined by the FCC. Seller will not take any action that would reasonably be expected to impair the FCC Authorizations or the Seller's qualifications as the licensee of a Class A television station. All reports and filings required to be filed with the FCC by Seller with respect to the Station will be timely filed. Seller will continue to maintain an appropriate public inspection file at the Station as required by the Communications Laws.

Section 6.2 Representations and Warranties. Seller shall give written notice in reasonable detail to Buyer promptly upon learning of the occurrence of any event that would cause or constitute a material breach, or that would have caused a material breach had such event occurred or been known to Seller prior to the date hereof, of any of Seller's representations or warranties contained in this Agreement.

Section 6.3 Consummation of Agreement. Seller shall not take any action that would make the consummation of the Subject Transaction contrary to the Communications Laws or require a waiver of the Communications Laws.

Section 6.4 Insurance. Seller shall maintain in full force and effect through the Closing Date adequate property damage, liability and other insurance with respect to the Station Assets.

Section 6.5 Access. Seller shall provide Buyer with access to the Station, upon reasonable notice and during normal business hours, for Buyer's inspection and assessment of the Station Assets.

Section 6.6 Contracts. Seller will not enter into any new contracts pertaining to the Station, other than those necessary in the ordinary course of business and contracts terminable on the Closing Date with no liability or obligation on the part of Buyer.

Section 6.7 No Other Bids. Seller shall not, and shall not authorize or permit any officer, director or employee of Seller, or any investment banker, attorney, accountant or other advisor or representative retained by Seller to, solicit, initiate, encourage (including by way of furnishing information), endorse or enter into any agreement with respect to, or take any other action to facilitate, any inquiries or the making of any proposal that constitutes, or may reasonably be expected to lead to, any proposal to purchase, directly or indirectly, the Station.

ARTICLE VII **COVENANTS OF BUYER**

Section 7.1 Buyer shall give written notice in reasonable detail to Seller promptly upon learning of the occurrence of any event that would cause or constitute a material breach, or that would have caused a material breach had such event occurred or been known to Buyer prior to the date hereof, of any of Buyer's representations or warranties contained in this Agreement.

Section 7.2 Buyer shall not take any action that would make the consummation of the Subject Transaction contrary to the Communications Laws or require a waiver of the Communications Laws.

ARTICLE VIII **CONDITIONS TO THE OBLIGATIONS OF SELLER**

The obligations of Seller under this Agreement are, at its option, subject to the fulfillment of the following conditions prior to or on the Closing Date:

Section 8.1 Representations, Warranties and Covenants.

(a) Each of the representations and warranties of Buyer contained in this Agreement shall have been true and correct in all material respects as of the date when made and shall be deemed to be made again on and as of the Closing Date and shall then be true and correct in all material respects.

Section 8.2 Proceedings.

(b) In the event such a restraining order or injunction is in effect, this Agreement may not be abandoned by Seller pursuant to this **Section 8.2** prior to the Closing Date, but the Closing shall be delayed during such period. Seller shall take all commercially reasonable steps to have any such order dissolved or terminated in order to effectuate the Closing.

Section 8.3 FCC Consent. The FCC Consent shall have been issued without any condition materially adverse to Seller, and shall have become Final, unless such condition shall have been waived by Buyer.

Section 8.4 Deliveries. Buyer shall have complied with each and every one of its obligations set forth in **Section 10.2**.

(b) Seller shall have performed, and complied with, in all material respects, each and every covenant and agreement required by this Agreement to be performed or complied with by it prior to or on the Closing Date.

Section 9.2 Proceedings.

(a) Neither Seller nor Buyer shall be subject to any restraining order or injunction restraining or prohibiting the consummation of the Subject Transaction.

(b) In the event such a restraining order or injunction is in effect, this Agreement may not be abandoned by Buyer pursuant to this **Section 9.2** prior to the Closing Date, but the Closing shall be delayed during such period. Buyer shall take all commercially reasonable steps to have any such order dissolved or terminated in order to effectuate the Closing.

(c) The Station shall be a licensed Class A television station and shall have all of the rights and responsibilities of Class A television stations as conferred upon such stations by the Communications Laws.

(d) There shall be no pending or non-Final: (i) Orders, Orders to Show Cause or similar letters from the FCC or any of its Bureaus or Offices; or (ii) FCC or Bureau proceedings affecting the broadcast television industry generally that, in either case, have a material adverse impact on the ability of the Station to operate as a Class A low power television station.

For purposes of this Agreement, "Material Adverse Effect" means any event, state of facts, circumstance, development, change, effect or occurrence (an "Effect") that, individually or in the aggregate with any other Effect, has had or could reasonably be expected to have a materially adverse effect on the business, properties, assets, financial condition or results of operations of the Station, taken as a whole, or on the ability of Seller to consummate the transactions contemplated hereby.

(b) An Assignment and Assumption of the Station's FCC Authorizations.

(c) Such other documents, instruments and agreements necessary to consummate the transactions contemplated by this Agreement or as Buyer shall reasonably request, each in form and substance reasonably satisfactory to Buyer and its counsel.

- (c) Such other documents, instruments and agreements necessary to consummate the transactions contemplated by this Agreement or as Seller shall reasonably request, each in form and substance reasonably satisfactory to Seller and its counsel.

ARTICLE XI
[Reserved]

ARTICLE XII
MISCELLANEOUS

Section 12.1 Termination. This Agreement may be terminated at any time prior to Closing, subject to the last sentence of this **Section 12.1**: (a) by the mutual consent of Seller and Buyer; (b) by Buyer or Seller, if the FCC has denied or dismissed the approvals contemplated by this Agreement in an order which has become Final, provided the terminating party has not, through breach of a representation, warranty or covenant, prevented or impeded the Closing from occurring on or before such date; (c) by Buyer or Seller, if the Closing has not taken place within 270 days of the date of this Agreement (the "Final Closing Date") for reasons other than through the failure of the party seeking to terminate this Agreement to comply in all material respects with its obligations under this Agreement; (d) by Buyer, if within the time period prescribed in **Section 1.4**, Seller has failed to satisfy the conditions set forth herein; (e) by Buyer, if Seller has failed to cure a material breach of any of its representations, warranties or covenants under this Agreement by the earlier of (x) the time period prescribed in **Section 1.4**, or (y) fifteen (15) business days after it receives notice from Buyer of such breach; (f) by Seller, if within the time period prescribed in **Section 1.4**, Buyer has failed to satisfy the conditions set forth herein; or (g) by Seller, if Buyer has failed to cure a material breach of any of its representations, warranties or covenants under this Agreement by the earlier of (x) the time period prescribed in **Section 1.4**, or (y) within fifteen (15) business days after it receives notice from Seller of such breach. Any termination pursuant to any provision of this **Section 12.1** shall not relieve any party of any liability it would otherwise have for a breach of this Agreement occurring prior to termination.

Section 12.2 Buyer's Remedy of Specific Performance. The parties acknowledge that the Station is of a special, unique and extraordinary character, and that damages are an inadequate remedy for a breach of this Agreement. In the event of a breach or threatened breach by Seller of any representation, warranty, covenant or agreement under this Agreement, Buyer shall be entitled to an injunction restraining any such breach or threatened breach and, subject to obtaining any requisite approval of the FCC, to enforcement of this Agreement by a decree of specific performance requiring Seller to fulfill its obligations under this Agreement. In any action to enforce the provisions of this Agreement, Seller shall waive the defense that there is an adequate remedy at law or equity and agree that Buyer shall have the right to obtain specific performance of the terms of this Agreement without being required to provide actual damages, post bond or furnish other security. As a condition to seeking specific performance, Buyer shall not be required to have tendered the consideration specified in this Agreement, but shall be ready, willing and able to do so.

Section 12.3 Expenses. Except as otherwise stated in this Agreement, each party hereto shall bear all of its expenses incurred in connection with the Subject Transaction, including, without limitation, accounting and legal fees incurred in connection herewith. Any transfer taxes, sales taxes, or other governmental fees applicable to, imposed upon or arising out of the Subject Transaction shall be paid by Buyer.

Section 12.4 Risk of Loss. The risk of loss to any of the Station Assets on or prior to the Closing Date shall be upon Seller. Seller shall use all commercially reasonable efforts to repair or replace any damaged or lost Station Assets, provided, however, that in the event that such repair or replacement has not occurred as of the date otherwise scheduled for Closing, Buyer may, at its option, either (i) postpone Closing for a period of up to sixty (60) days while Seller repairs or replaces such Station Assets, or (ii) elect to close with the Station Assets in their current condition, in which case Seller shall assign all proceeds from insurance on such lost or damaged Station Assets to Buyer, and Buyer shall have the responsibility to repair or replace the Station Assets, or (iii) terminate this Agreement without penalty on written notice to Seller.

Section 12.5 Further Assurances. From time to time prior to, on and after the Closing Date, each party hereto will execute all such instruments and take all such actions as any other party shall reasonably request, without payment of further consideration, in connection with carrying out and effectuating the intent and purpose hereof and the Subject Transaction, including, without limitation, the execution and delivery of any and all confirmatory and other instruments in addition to those to be delivered on the Closing Date, and any and all actions which may reasonably be necessary to complete the Subject Transaction. The parties shall cooperate fully with each other and with their respective counsel and accountants in connection with any steps required to be taken as part of their respective obligations under this Agreement.

ARTICLE XIII

GENERAL PROVISIONS

Section 13.1 Successors and Assigns. Except as otherwise expressly provided herein, this Agreement shall be binding upon and inure to the benefit of the parties hereto, and their respective representatives, heirs, successors and assigns. Neither party may assign any of its rights or delegate any of its obligations hereunder without the prior written consent of the others; provided however, Buyer may assign its rights and obligations under this Agreement to another entity under common control, provided that such assignment will not relieve Buyer of its obligations hereunder to the extent not performed by its assignee.

Section 13.2 Amendments; Waivers. The terms, covenants, representations, warranties and conditions of this Agreement may be changed, amended, modified, waived, or terminated only by a written instrument executed by the party waiving compliance or against which enforcement of an amendment is sought. The failure of any party at any time or times to require performance of any provision of this Agreement shall in no manner affect the right of such party at a later date to enforce the same. No waiver by any party of any condition or the breach of any provision, term, covenant, representation or warranty contained in this Agreement, whether by conduct or otherwise, in any one or more instances shall be deemed to be or construed as a further or continuing waiver of any such condition or of the breach of any other provision, term, covenant, representation or warranty of this Agreement.

Section 13.3 Notices. All notices, requests, demands and other communications required or permitted under this Agreement shall be in writing and shall be deemed to have been duly made and received when personally served, or on the first business day of attempted delivery by Federal Express or a similar overnight courier service, expenses prepaid, addressed as set forth below:

Section 13.4 Captions; References. The captions of Articles and Sections of this Agreement are for convenience only and shall not control or affect the meaning or construction of any of the provisions of this Agreement. References to an “Article” or “Section” when used without further attribution shall refer to the particular article or section of this Agreement.

Section 13.5 Governing Law. This Agreement and all questions relating to its validity, interpretation, performance and enforcement shall be governed by and construed in accordance with the Communications Laws and otherwise in accordance with the laws of the State of New York, without giving effect to principles of conflict of laws.

Section 13.6 Entire Agreement. This Agreement, together with all Schedules attached hereto and the Letter of Intent, constitutes the full and entire understanding and agreement between the parties with regard to the subject matter hereof, and supersedes all prior agreements, understandings, inducements or conditions, express or implied, oral or written, relating to the subject matter hereof. The express terms hereof control and supersede any course of performance and/or usage of trade inconsistent with any of the terms hereof.

Section 13.7 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original as against any party whose signature appears thereon, and all of which shall together constitute one and the same instrument. This Agreement shall become binding when one or more counterparts hereof, individually or taken together, shall bear the signatures of all of the parties reflected hereon as the signatories.

Section 13.8 Litigation Expenses. If a formal legal proceeding is instituted by a party to enforce that party's rights under this Agreement, the prevailing party in the proceeding shall be reimbursed by the other party for all reasonable costs incurred thereby, including but not limited to reasonable attorney's fees and costs.

Section 13.9 Neutral Construction. Buyer and Seller agree that this Agreement was negotiated at arm's-length and that the final terms hereof are the product of the parties' negotiations. This Agreement shall be deemed to have been jointly and equally drafted by Buyer and Seller, and the provisions hereof should not be construed against a party on the grounds that the party drafted or was more responsible for drafting the provision.

Section 13.10 Partial Invalidity. Wherever possible, each provision hereof shall be interpreted in such manner as to be effective and valid under applicable law, but in case any provision contained herein shall, for any reason, be held to be invalid or unenforceable, such provision shall be ineffective to the extent of such invalidity or unenforceability without invalidating the remainder of such provision or any other provisions hereof, unless such a construction would unreasonably deprive a party of its intended benefits hereunder or impose significant additional burdens on a party.

Section 13.11 Announcements. Prior to filing the Application with the FCC except as may be required by the Communications Laws, neither party shall, without the prior written consent of the other, issue any press release or make any other public announcement concerning the transactions contemplated by this Agreement. Any press release or public announcement will be coordinated by both parties prior to release.
