Re: KNZA, Inc. (KNZA)
KAIR(AM), Atchison, KS
Facility Identification Number: 33398
Special Temporary Authority (STA)
BESTA- 20150112ABA

Dear Mr. Oxenford::

This is in reference to the request filed on January 12, 2014. KNZA requests a third extension of the STA granted on July 9, 2013, to operate with emergency antenna facilities pursuant to 73.1680 due to equipment problems.¹ In support of the request, KNZA states that some progress has been made, but additional time is needed to complete all repairs due to winter weather delays.

Requests for extension of STA will be granted only where the licensee can show that one or more of the following criteria have been met:

- Restoration of licensed facilities is complete and testing is underway;
- Substantial progress has been made during the most recent STA period toward restoration of licensed operation; or
- No progress has been made during the most recent STA period for reasons clearly beyond the licensee's control, and the licensee has taken all possible steps to expeditiously resolve the problem.

Accordingly, the request for STA IS HEREBY GRANTED. Station KAIR(AM) may operate with an emergency ND antenna and reduced power not to exceed 0.25 kW. It will be necessary to further reduce power or cease operation if complaints of interference are received. KNZA must use whatever means are necessary to protect workers and the public from exposure

¹ KAIR(AM) is licensed for directional operation on 1470 kHz with 1 kW (day and night).

to radio frequency radiation in excess of the Commission's exposure guidelines. *See* 47 CFR § 1.1310. We anticipate that KZNA will file an FCC Form 302 application before the expiration date shown below to update any operating parameter changes, or a letter in triplicate with the Secretary's office to the attention of supervisory engineer Son Nguyen (with a copy of the most recent license attached to certify resumption with no changes).

This authority expires on **July 5, 2015**.

Sincerely,

A handwritten signature in blue ink, consisting of a large, stylized 'J' followed by a series of loops and a long horizontal stroke.
