

EXHIBIT 10

This exhibit demonstrates Horizon Christian Fellowship's ("Horizon") compliance with the following provisions of the Commission's rules governing competitive bidding procedures:

1. Section 1.2107(d)- Horizon certifies that it entered into one agreement in connection with Auction 62, as disclosed in its application form FCC 175. By this agreement, World Radio Link, Inc. ("WRL") agreed to assist Horizon in conducting due diligence and identifying markets of interest to Horizon. WRL also placed the bids for Horizon during the bidding process, but all strategic decisions were made by Horizon and all funds for the auction were provided solely by Horizon. WRL performed this service for a nominal fee and received no other consideration. The agreement comported in all respects with the Commission's rules prohibiting collusion as set forth in 47 C.F.R. §1.2105.
2. Section 1.2110(j)- Horizon is not a designated entity within meaning of Section 1.2110 of the Commission's rules.
3. Section 1.2112(a) and (b)- Horizon certifies that it has provided the names of all parties to the application in Exhibit 2, and disclosed all such parties in its short-form application FCC 175 for participation in the bidding process.
