In Re: K286CC, Corpus Christi, TX
Facility ID # 141554
BMPFT-20160129AAG

Dear Applicant:

This letter refers to the above-captioned application for K286CC, Corpus Christi, Texas.

An engineering study has revealed the application violates 47 C.F.R. § 74.1232(b). The applicant has not demonstrated the technical need for an additional translator serving substantially the same area. Both K286CC, specified in BMPFT-20160129AAG, and K277BL, specified in BLFT-20081229ACD, propose to rebroadcast KSIX(AM). The application fails to discuss this violation.

In light of the above, Application BMPFT-20060129AAG is unacceptable for filing pursuant to 47 C.F.R. § 73.3566(a) and IS HEREBY DISMISSED. This action is taken pursuant to 47 C.F.R. § 0.283.

Sincerely,

James D. Bradshaw
Deputy Chief
