Re: Permit # BXPB-20080219AWL
KTCL (FM), Denver, Colorado (Facility ID 68684)

This letter certifies that I have witnessed proper installation, in accordance with engineering guidelines provided by Electronic Research, Inc., of the KTCL (FM) antenna, at the site defined in the construction permit. The antenna is an ERI 1181-2CP-DA directional FM antenna. The center of radiation height is 1864 meters or 6,115.49 feet above mean sea level. The orientation is 170 degrees True. This information is true and correct to the best of my knowledge and belief.
