EXHIBIT A

This Statement was prepared on behalf of Lamad Ministries, Inc. ("Lamad"), licensee of radio station WGNP, Channel 214A, Albany, Georgia. Lamad holds an outstanding construction permit for WGNP (BMPED-20010129ADF). This application seeks a license to cover this outstanding construction permit.

The WGNP facilities have been constructed as authorized in the underlying permit. Further, the only condition placed on the permit was to require the power of the authorized facility be lowered or operation ceased to ensure that persons having access to the site were not exposed to radio frequency electromagnetic fields in excess of the FCC guidelines. Lamad herein restates that it will lower the power of WGNP or cease operation, as necessary, to ensure that no one is exposed to fields in excess of the FCC limits.
