EXHIBIT 14

Channel 19, Plus Offset  
Central States Communications  
Camp Verde, Arizona

The original LPTV station K18DD, channel 18, plus offset of Camp Verde, Arizona was constructed and is operating on air as authorized by the Commission.

The Digital TV table of allotments includes channel 18, Flagstaff Arizona for which KTFL-DT has applied for and received a construction permit. As a result K18DD has applied for a displacement channel. This process is still pending awaiting receipt of a construction permit. Therefore Channel 19, plus offset has not been constructed.

FCC 302-CA  
EXHIBIT 15

The original LPTV station K18DD, channel 18, plus offset of Camp Verde, Arizona was constructed in compliance with all special operating conditions, terms, and obligations described in the construction permit.

The displacement application is pending. Refer to Exhibit 14 above.
