4.3 **Seller's Liability.** Seller shall remain liable for, and covenants to pay, satisfy, or discharge when due, and to indemnify and hold Buyer harmless from any and all Excluded Obligations and all liabilities, payments, obligations, and duties under the Agreements or other instruments transferred or assigned to Buyer hereunder, accruing prior to or by reason of events occurring prior to the Closing.

## **SECTION 5**

### **REPRESENTATIONS WARRANTIES AND COVENANTS OF SELLER**

5.1 **Seller's Best Knowledge.** "To the best of Seller's knowledge" shall mean the actual knowledge of Seller after (i) due inquiry of all managers, department heads or other similar employee or agent of Seller and all attorneys and accountants employed by Seller having responsibility for or holding a position that reasonably could be expected to involve substantial knowledge about the subject matter to which such Seller's best knowledge relates; and (ii) due examination of any documents, correspondence, or other items contained in the files of Seller or the Stations pertaining to such subject matter.

#### **5.2 Standing.**

5.2.1 Seller is a resident of the State of Texas. Seller has the full power to own the Station Assets.

5.2.2 Seller has the full power and authority to enter into this Agreement and to execute all of Seller's Closing Documents that require Seller's signature. The execution, delivery, and performance of this Agreement (as of the date of execution of this Agreement and on the Closing Date) and the Seller's Closing Documents (on the Closing Date) are or will be authorized by all necessary actions of the Seller.

5.3 **Binding Effect of Agreement.** This Agreement constitutes a valid and binding obligation of Seller enforceable against Seller in accordance with the terms of this Agreement. Upon execution, the Seller's Closing Documents will constitute valid and binding obligations of Seller enforceable against Seller in accordance with their terms except as may be limited by laws affecting the enforcement of creditor's rights or equitable principles generally. The execution, delivery, and performance of this Agreement or any of the Closing Documents do not violate any contract provision or other commitment to which Seller or the Stations is a party or under which he or his property is bound, or any judgment or order of which Seller has received notice, and will not result in the creation or imposition of any lien, charge, security interest, or encumbrance

of any nature whatsoever upon any of the Assets. Nor will Seller's performance hereunder give rise to any claim by any third party against Buyer or the Station Assets.

5.4 **Authorization.** Seller is the authorized legal holder of the Station Assets and all licenses, permits, and authorizations necessary to allow operation of the Stations, none of which are subject to any restrictions or conditions which limit in any respect the operation of the Stations as authorized except as stated therein. The Commission Authorizations are validly existing authorizations for the operation of the facilities described therein under the Communications Act of 1934, as amended. There is no action or investigation pending or to the best of Seller's knowledge threatened before the FCC or other body to revoke, refuse to renew, suspend, condition, or modify any of the Commission Authorizations, or any action which may result in the denial of any pending applications, the issuance of any cease and desist orders, Notice of Apparent liability, forfeiture, or the imposition of any administrative sanctions whatsoever with respect to the Stations. The licenses, permits and authorizations as issued are final and no longer subject to administrative or judicial appeal.

5.5 **Litigation.**

5.5.1 **Litigation; Compliance With Law.** Except for proceedings affecting segments of the broadcasting industry in general, there is no complaint, claim, litigation, investigation, or judicial, administrative, or other proceeding of any nature including, without limitation, a grievance, arbitration, or insolvency or bankruptcy proceeding, pending or, to the best of Seller's knowledge, threatened against either of the Stations, the Commission Authorizations, Seller, or any of the Assets being sold or transferred to Buyer, which may (a) adversely affect the Assets or the Commission Authorizations to be assigned hereunder, or the operation of the Stations in substantially the same manner as it is currently authorized, or the ability of Buyer to own and operate the Stations in substantially the same manner as it is currently authorized, (b) restrain or enjoin the Closing or the consummation of the transactions contemplated hereby, or (c) result in the revocation, modification, or suspension of the Commission Authorizations, or the issuance or imposition of any administrative sanction or order that might adversely affect the Assets or the Commission Authorizations, or the operation of the Stations in substantially the same manner as it is currently authorized or the ability of Buyer to own and operate the Stations in substantially the same manner as it is currently authorized. Seller will give Buyer prompt notice of its discovery of any such basis or the institution or the threat of any such litigation, investigation, or proceeding.

In addition, to Seller's knowledge, no such litigation, investigation, or proceeding has been threatened which would result in a material adverse effect upon the Stations. Seller is not in default in respect to any judgment, order, writ, injunction, decree, rule, or regulation of any applicable court or governmental body, which default could have a materially adverse effect on the Commission Authorizations or the Stations or Station Assets.

5.5.2 **No Liabilities Attaching to Buyer.** Except as expressly provided in this Agreement, there are no other contracts, obligations, leases, liabilities of any kind or nature whatsoever of Seller that attach or will, after the consummation of the transaction contemplated hereby, attach to Buyer.

5.6 **No Untrue Statements or Omission.** No representation or warranty made by Seller in this Agreement or any Schedule, exhibit, statement, certificate, or other document heretofore or hereafter furnished by Seller, or on her behalf, to Buyer and pursuant to this Agreement or in connection with the transactions contemplated hereby contains or will contain any knowingly untrue statement or knowingly omits to state a material fact necessary to make the statements contained therein not misleading. All representations and warranties of Seller set forth in this Agreement shall be true, complete, and accurate in all material respects as of the Closing Date as if made on that date.

## **SECTION 6**

### **WARRANTIES, REPRESENTATIONS, AND COVENANTS OF BUYER**

Buyer covenants, represents, and warrants as follows:

6.1 **Standing.** Buyer is a not-for-profit corporation organized under the laws of the State of Texas. Buyer has the full power and authority to enter into this Agreement and to execute all of Buyer's Closing Documents that require Buyer's signature in order to effectuate this transaction. The execution, delivery, and performance of this Agreement (as of the date of execution of this Agreement and on the Closing Date) and the Buyer's Closing Documents (on the Closing Date) are or will be authorized by all necessary actions of the Buyer.

6.2 **Binding Effect of Agreement.** This Agreement constitutes a valid and binding obligation of Seller enforceable against Buyer in accordance with the terms of this Agreement. Upon execution, the Buyer's Closing Documents will constitute valid and binding obligations of Buyer enforceable against Buyer in accordance with their terms except as may be limited by laws affecting the enforcement of creditor's rights or equitable principles generally. The execution, delivery, and performance of this Agreement or any of the Closing Documents do not or else will not violate any contract provision or other commitment to which Buyer is a party or under which it or its property is bound, or any judgment or order of which Buyer has received notice, and will not result in the creation or imposition of any lien, charge, security interest, or encumbrance of any nature whatsoever upon any of the Assets.

6.3 **Litigation.** Except for administrative rule making or other proceedings of general applicability to the broadcast industry, there is no litigation, proceeding, judgment, claim, action, investigation, or complaint threatened against or affecting it which would affect Buyer's authority or ability to carry out this Agreement.

6.4 **Buyer's Qualifications.** As of the time of filing the Assignment Application for consent to assignment of license there shall exist no fact that would, under present law (including the Communications Act of 1934, as amended) and the present rules and regulations of the FCC, disqualify Buyer from being the assignee of the Commission Authorizations. Buyer is, or at the time of Closing will be, financially qualified to fully and timely consummate the transaction contemplated herein.

6.5 **No Untrue Statements or Omission.** No representation or warranty made by Buyer in this Agreement or any Schedule, exhibit, statement, certificate, or other document heretofore or hereafter furnished to Seller and pursuant to this Agreement or in connection with the transaction contemplated hereby contains or will contain any knowingly untrue statement or knowingly omits to state a material fact necessary to make the statement contained therein not misleading. All representations and warranties of Buyer set forth in this Agreement shall be true, complete, and accurate in all material respects as of the Closing Date as if made on that date. Buyer acknowledges that (i) it has performed its own due diligence investigation of the Station Assets and its current engineering specifications and the power and coverage limitations expected for the Stations, and (ii) that he has been made aware of the rules and policies of the FCC, and that he is accepting the Stations with full knowledge of that information. Buyer acknowledges that he is aware that Buyer is required to acquire rights to a transmitter site or space on an existing tower in order to continue operations. Buyer agrees that following Closing, all responsibility to operate the Stations in a timely and legal manner shall be the sole responsibility of Buyer, and that any difficulty or failure on the part of Buyer to satisfy such construction deadline or any other construction requirement contained in the current or any future construction permit or in any other law or regulation (whether local, state, or federal) shall in no manner constitute breach of the representations or warranties contained in this Agreement or affect Buyer's obligations under this Agreement.

## **SECTION 7**

### **SELLER'S AND BUYER'S COVENANTS**

7.1 **Buyer's Covenants.** From the date of this Agreement until the Closing Date, Buyer covenants that it will take no action, or fail to take any action, that would disqualify it from becoming the licensee of the Stations or delay the grant of the Assignment Application by the FCC. Furthermore, Buyer shall give prompt notice to Seller of any occurrence that comes to Buyer's attention that may constitute a misrepresentation, breach of warranty, or non-fulfillment of any covenant or condition on the part of Buyer contained in this Agreement. Buyer shall deliver to Seller within ten (10) business days after filing thereof with the FCC copies of any and all reports, applications, and/or responses relating to the Stations which are filed by the Buyer with the FCC on or prior to the Closing Date, including a copy of any FCC inquiries to which the filing is responsive, and in the event of an oral FCC inquiry, Buyer will furnish a written summary thereof.

7.1 **Seller's Covenants.** From the date of this Agreement until the Closing Date, Seller covenants that he will take no action, or fail to take any action, that would hinder Buyer from becoming the licensee of the Stations or delay the grant of the Assignment Application by the FCC. Furthermore, Seller shall give prompt notice to Buyer of any occurrence that comes to Seller's attention that may constitute a misrepresentation, breach of warranty, or non-fulfillment of any covenant or condition on the part of Seller contained in this Agreement. Seller shall deliver to Buyer within ten (10) business days after filing thereof with the FCC copies of any and all reports, applications, and/or responses relating to the Stations which are filed by the Seller with the FCC on or prior to the Closing Date, including a copy of any FCC inquiries to which the filing is responsive, and in the event of an oral FCC inquiry, Seller will furnish a written summary thereof.

7.3 **Modification of Authorized Transmitter Site.** Seller agrees to cooperate with Buyer in the filing of any modification application (FCC Form 349) for modification of the Stations to specify a new transmitter site (a "Modification Application") as may be requested by Buyer prior to Closing. All costs and expenses incurred by Seller in conjunction with the preparation and filing of such Modification Application shall be the responsibility of Buyer.

## **SECTION 8** **CONDITIONS FOR CLOSING**

8.1 **Closing.** The Closing of the transactions contemplated by this Agreement (the "Closing") shall take place within five (5) business days after the FCC's action (the "Order") granting the Assignment Application becomes a Final Order, defined as an FCC action which is no longer subject to administrative or judicial appeal and no longer subject to rescission by the FCC on its own motion.

8.2 **Conditions Precedent to Obligations of Buyer.** The obligations of the Buyer under this Agreement are subject to the satisfaction of the following express conditions precedent (*provided, however*, that Buyer may, at his election, waive any of such conditions on the Closing Date, notwithstanding that such condition is not fulfilled) on the Closing Date:

8.2.1 Seller shall have delivered to Buyer the Seller's Closing Documents as described in Section 9.1 below.

8.2.2 Each of the Seller's representations, covenants and warranties contained in this Agreement or in any Schedule, certificate, or document delivered pursuant to the provisions hereof, or in connection with the transactions contemplated hereby, shall be true and correct in all material respects at and as of the Closing Date with the same force and effect as if each such representation or warranty were made at and as of such time, except in respect of such changes as are permitted by this Agreement.

8.2.3 Seller shall have performed and complied in all material respects with all covenants, agreements and obligations required by this Agreement to be performed or complied with by her prior to the Closing Date and shall be in full compliance therewith on the Closing Date.

8.2.4 Seller shall be the holder of the Commission Authorizations and except as provided herein, each such authorization shall be valid, and in full force and effect.

8.2.5 Seller shall have taken all internal and other actions necessary to consummate this transaction.

8.2.6 The FCC shall have granted its consent to the Assignment Application, in either in whole or in part, such consent shall be in full force and effect, and shall have become a Final Order.

8.3 **Conditions Precedent to Obligations of Seller.** The performance of the obligations of the Seller under this Agreement is subject to the satisfaction of each of the following express conditions precedent, *provided, however*, that Seller may, at her election, waive any of such conditions at the Closing, notwithstanding that such condition is not fulfilled on the Closing Date:

8.3.1 Each of Buyer's representations and warranties contained in this Agreement or in any certificate or document delivered pursuant to the provisions hereof, or in connection with the transactions contemplated hereby, shall be true in all material respects at and as of the Closing Date, as though each such representation or warranty was made at and as of such time, except in respect of such changes as are contemplated or permitted by this Agreement.

8.3.2 Buyer shall have performed and complied in all material respects with all covenants, agreements, and obligations required by this Agreement to be performed or complied with by him prior to the Closing Date and shall be in full compliance therewith on the Closing Date.

In addition, if the failure of such condition precedent constitutes a material default by Seller, Buyer shall have the right, at his option, to exercise any or all of his rights or remedies for default provided in Section 13 hereof. Buyer shall not be deemed to have waived any failure by Seller to fulfill any of the conditions precedent described in Section 8.2 if Buyer does not have actual knowledge of such failure at the time of the Closing.

8.5 **Failure of Conditions Precedent to Obligations of Seller.** In case of the failure of any of the conditions precedent described in Section 8.3 hereof, and if Buyer, after application of the provisions of Section 13.3 hereof, has failed to cure the same, Seller shall have the right to terminate this Agreement without liability. In addition, if the failure of such condition precedent results from a material default by Buyer, Seller shall have the right, at her option, to exercise any or all of her rights or remedies for default provided in Section 13 hereof. Seller shall not be deemed to have waived any failure by Buyer to fulfill any of the conditions precedent described in Section 8.3 if Seller does not have actual knowledge of such failure at the time of the Closing.

## **SECTION 9**

### **OBLIGATIONS AT CLOSING**

9.1 **Closing Documents to be Delivered by Seller.** At the Closing for the Commission Authorizations, Seller shall deliver to Buyer the following (“Seller’s Closing Documents”):

## **SECTION 10**

### **BROKERAGE**

Buyer and Seller each certify and agree that no broker has been hired in conjunction with this transaction.

## **SECTION 11**

### **INDEMNIFICATIONS**

11.1 **Breach of Seller’s Agreements, Representations, and Warranties.** Seller shall reimburse Buyer for, and indemnify and hold harmless Buyer from and against, any loss, damage, liability, obligation, deficiency, claim, suit, cause of action, demand, judgment, or expense (including without limitation, payments, fines, penalties, interest, taxes, assessments, and reasonable attorneys’ fees and accounting fees), contingent or otherwise, whether incurred or asserted prior to or after the Closing Date, arising out of Seller’s agreements, representations, and warranties, or sustained by Buyer (except for a failure to discharge an Excluded Obligation, for which Buyer will be fully indemnified by Seller) by reason of:

(a) any material breach of any warranty, representation, or agreement of Seller contained under this Agreement or in any certificate or other instrument furnished to

Buyer pursuant to this Agreement or in connection with any of the transactions contemplated hereby;

(b) except for obligations or liabilities expressly assumed by Buyer herein, Seller's operation of the Stations prior to Closing (including, but not limited to, any and all claims, liabilities, and obligations arising or required to be performed by Seller under any lease, contract, or agreement (other than the Agreements on or after the Closing) or under the Agreements prior to the Closing);

(c) except for obligations or liabilities expressly assumed by Buyer herein, any transaction entered into by Seller or arising in connection with the Stations or the operation of the business thereof or any of the Assets prior to the Closing;

(d) except for obligations or liabilities expressly assumed by Buyer herein, any and all loss and expense, including, without limitation, any claims made by creditors, with respect to non-compliance with any bulk transfer law; or

(e) any and all actions, suits, proceedings, investigation(s), or forfeiture(s) incident to any of the foregoing.

11.2 **Breach of Buyer's Agreements, Representations and Warranties.** Buyer shall reimburse Seller for, and indemnify and hold harmless Seller from and against, any loss, damage, liability, obligation, deficiency, claim, suit, cause of action, demand, judgment, or expense (including without being limited to, payments, fines, penalties, interest, taxes, assessments, reasonable attorneys' fees and accounting fees of any kind or nature), contingent or otherwise, arising out of or sustained by reason of:

(a) any material breach of any warranty, representation, or agreement of Buyer contained under this Agreement or any certificate or other instrument furnished by Buyer pursuant to this Agreement or in connection with any of the transactions contemplated hereby;

(b) Buyer's operation of the Stations subsequent to Closing (including, but not limited to, any and all claims, liabilities and obligations arising or required to be performed on or after the Closing under the Agreements);

(c) any transaction entered into by Buyer or arising in connection with the Stations or the operation of the Stations subsequent to the Closing;

(d) any and all liabilities or obligations of Seller expressly assumed by Buyer pursuant to this Agreement; or

(e) any and all actions, suits, or proceedings incident to any of the foregoing.

11.3 **Notice of Claim.** All representations and warranties contained in this Agreement shall be deemed continuing representations and warranties and shall survive the Closing for a period of one (1) year. Any claim to indemnification in respect of a covenant or agreement shall

be made within one year of the Closing Date. Buyer and Seller agree to give prompt written notice to each other of any claim for indemnification under Sections 11.1 or 11.2 hereof ("Notice of Claim"), which amount is believed to be required to discharge the obligations of the indemnifying party resulting therefrom. Within ten (10) business days after having been given the Notice of Claim, the indemnifying party may deliver to the other party (i) a written notice of objection to the payment of such claim ("Notice of Objection"), which Notice of Objection shall set forth the basis for such objection; or (ii) a written notice that the indemnifying party intends to defend against such claim in good faith ("Notice of Intention to Defend"). If such a Notice of Intention to Defend is delivered, the indemnifying party shall have the right to hold in abeyance the claim for indemnification if and so long as such defense is conducted by the indemnifying party at the latter's expense in a manner effective to protect the indemnified party against such claim. If no Notice of Objection or Notice of Intention to Defend is given within the prescribed ten (10) business day period, the indemnifying party shall promptly pay to the indemnified party the amount set forth in the Notice of Claim. If the parties are unable to resolve any Notice of Claim and corresponding Notice of Objection, either party may take whatever action it deems reasonable, including without limitation, the filing of a claim, petition, or other pleading in a court of competent jurisdiction.

11.4 **Sole Remedy**. Except as provided to the contrary in this Agreement, the right to indemnification pursuant to this Section shall be the sole and exclusive remedy of each party following each claim in connection with any breach or other violation by the other party of its or her representations, warranties, or covenants contained in this Agreement.

## **SECTION 12**

### **FEES AND EXPENSES**

Each party shall pay its own attorneys' fees and expenses which it initiates, creates, or incurs in connection with the negotiation, preparation and execution of this Agreement. Seller and Buyer shall pay equally all FCC filing fees associated with the Assignment Application. All other expenses incurred in connection with this transaction shall be borne by the party incurring same.

## **SECTION 13**

### **DEFAULT AND TERMINATION**

13.1 **Termination**. This Agreement may be terminated prior to the Closing by either Buyer or Seller as the case may be, if the party seeking to terminate is not in material default or breach of this Agreement, upon written notice to the other upon the occurrence of any of the following:

(a) if the other is in material breach or default of its respective covenants, agreements, or other obligations herein, or if any of its representations herein are not true and accurate in all material respects when made or when otherwise required by this Agreement to be true and accurate, and such breach is not timely cured as provided in Section 13.3, below;

(b) if the FCC denies the Assignment Application or any part thereof or designates any part thereof for a trial-type hearing;

(c) if within nine months after the Assignment Application are filed (i) the Assignment Application has not been granted by the FCC or (ii) a timely petition to deny is filed against the Assignment Application and the Order has not become a Final Order;

(d) on the Closing Date, Seller or Buyer, as the case may be, have failed to comply with its obligations under Section 8.2 or 8.3 of this Agreement, and does not cure such failure within the period provided in Section 13.3; or

(e) by mutual written consent of Buyer and Seller.

13.2 This Agreement may be terminated by Seller in the event payment is not made as required under Section 2.1 of this Agreement. In the event of a default of Buyer that is not timely cured pursuant to the provisions of Section 13.3, below, Seller may retain the Deposit as liquidated damages.

13.3 A party shall be in “default” under this Agreement if it makes any material misrepresentation to the other party in connection with this Agreement, or materially breaches or fails to perform any of its representations, warranties, or covenants contained in this Agreement. Non-material breaches or failures shall not be grounds for declaring a party to be in default, postponing the Closing, or terminating this Agreement. If either party believes the other to be in default hereunder, the former party shall provide the other with written notice specifying in reasonable detail the nature of such default. If the default is not curable or has not been cured within fifteen (15) calendar days after delivery of that notice (or such additional reasonable time as the circumstances may warrant provided the party in default undertakes diligent, good faith efforts to cure the default within such fifteen (15) calendar day period and continues such efforts thereafter), then the party giving such notice may terminate this Agreement and/or exercise the remedies available to such party pursuant to this Agreement, subject to the right of the other party to contest such action through appropriate proceedings. Notwithstanding the foregoing, in the event of monetary default, time shall be of the essence, no notice shall be required or cure period afforded, and this Agreement may be terminated immediately.

13.4 Seller agrees that the Assets include unique property that cannot be readily obtained on the open market and that Buyer will be irreparably injured if this Agreement is not specifically enforced. Therefore, Buyer shall have the right specifically to enforce Seller’s performance under this Agreement, in addition to any other remedy to which it is entitled at law or pursuant to this Agreement or both, and Seller agrees to waive the defense in any such suit that Buyer has an adequate remedy at law and to interpose no opposition, legal or otherwise, as to the propriety of specific performance as a remedy.

**SECTION 14**  
**SURVIVAL OF WARRANTIES**

14.1 All representations and warranties made by the parties in this Agreement shall be deemed made for the purpose of inducing the other to enter into this Agreement, and shall survive the Closing and remain operative and in full force and effect, for a period of one year following the Closing.

14.2 Neither the acceptance nor the delivery of property hereunder shall constitute a waiver of any covenant, representation, warranty, agreement, obligation, undertaking, or indemnification of Seller or Buyer contained in this Agreement, all of which shall, unless otherwise specifically provided, survive the Closing hereunder in accordance with the terms of this Agreement and shall be binding upon and inure to the benefit of all of the parties hereto, their heirs, legal representatives, successors, and assigns.

**SECTION 15**  
**NOTICES**

15.1 All notices, requests, demands, waivers, consents, and other communications required or permitted hereunder shall be in writing and be deemed to have been duly given when delivered in person (as evidenced by a written receipt) to the party to be notified at the address set out below or sent by registered or certified mail, or by express mail or courier, postage prepaid, return receipt requested, addressed to the party to be notified, as follows:

16.2 **Entire Agreement.** This Agreement and any other agreements entered into contemporaneously herewith set forth the entire agreement of the parties and are intended to supersede all prior negotiations, understandings, and agreements and cannot be altered, amended,

changed, or modified in any respect or particular unless each such alteration, amendment, change, or modification shall have been agreed to by each of the parties hereto and reduced to writing in its entirety and signed and delivered by each party. No provision, condition, or covenant of this Agreement shall be waived by either party hereto except by a written instrument delivered to the other party and signed by the party consenting to and to be charged with such waiver. No representations or warranties concerning the potential performance or signal coverage of the Stations, or the potential for the Stations to change transmitter sites, operating power, frequencies, etc., are being provided by Seller except as provided in writing herein. No provision, condition, or covenant of this Agreement shall be waived by either party hereto except by a written instrument delivered to the other party and signed by the party consenting to and to be charged with such waiver.

16.3 **Binding Effect and Assignment.** This Agreement shall be binding upon and inure to the benefit of the parties hereto, and their respective successors and permitted assigns. Buyer may freely assign this Agreement provided that any such assignee shall agree in writing to assume all of Buyer's obligations hereunder. Should Buyer assign his rights to acquire the Commission Authorizations he is acquiring hereunder, Buyer's assignee shall be entitled, without limitation, to (i) rely on all of the representations, warranties and covenants of Seller hereunder, and (ii) the benefit of all indemnifications provided by Seller hereunder. Seller will cooperate with Buyer and execute any documents reasonably necessary to effectuate such assignment.
