STATEMENT RE OTHER MEDIA INTERESTS

The applicant, the Talking Information Center, Inc. (*TIC*), in addition to holding Construction Permit BNPED-20071022BVV – the authorization for a new Noncommercial Educational FM Broadcast Station to serve the community of Middleborough Center, Massachusetts on Channel 203A – is also the licensee of Low Power FM Station WRRS-LP, Pittsfield, Massachusetts, FCC Facility ID No. 133782, Channel 282, Pittsfield, Massachusetts.

In the application underlying Construction Permit BNPED-20071022BVV, *TIC* represented that, in the event of a grant of that application, then prior to or simultaneously with the commencement of Program Tests by the applied-for facility, *TIC* intended to surrender the authorization for Station WRRS-LP, or to seek waiver of § 73.865 of the Commission's Rules and Regulations to permit the assignment of Station WRRS-LP to a qualified nonprofit entity.

*TIC* hereby makes the same representation in this application. In the event of a grant of this application for modification of Construction Permit BNPED-20071022BVV, *TIC* intends to surrender the authorization for Station WRRS-LP, or to seek waiver of § 73.865 of the Commission's Rules and Regulations to permit the assignment of Station WRRS-LP to a qualified nonprofit entity.

As *TIC* also represented in the application underlying Construction Permit BNPED-20071022BVV, Officer and Director Edward F. Perry is an Officer, Director, and Shareholder of Marshfield Broadcasting Co., Inc., the licensee of Commercial FM Broadcast Station WATD-FM, Channel 240A, Marshfield, Massachusetts, FCC Facility ID No. 40468.
