Subject: WBEK-CA Expiring STA

BSTA 20120214ABW STA E WBEK-CA 3369 CA GRANTED 02/16/2012

This STA is for operation at reduced power pending equipment repair.

The STA did not require notice to the Commission when full power operation resumed.

The station resumed operating at full power on 08/07/2012. Accordingly, this is to let you know that no request will be filed to extend the STA.

Neither the STA nor Rule 73.1590(d) require notice to the Commission when full power operation resumes, so I am not filing a formal notice apart from this e-mail.
