

COLORADO CHRISTIAN RADIO

9/12/00

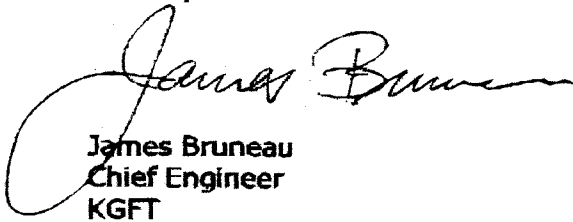

Federal Communications Commission,

This is to verify that on 9/08/00 I witnessed the assembly and installation of the Shively 6810 6 bay antenna for KGFT FM.

The installation was accomplished in full conformance with the drawings and specifications of the manufacturer.

The above statement is true and correct to the best of my knowledge.

Thank you.

James Bruneau
Chief Engineer
KGFT

Salem Communications Corporation
