

**Compliance With Radio-Television Cross Ownership Rule**

The instant application seeks Commission consent to the transfer of control of the radio stations listed below, licensed to Lieberman Broadcasting of Dallas License LLC (“LBI Dallas Radio”). ***The applicants certify that that all parties to the application currently comply, and will comply after consummating this transaction, with the FCC’s multiple ownership and joint ownership rules as those rules existed in 2016 (provided that those rules remain in effect).*** The pending application demonstrated compliance with the local radio ownership rule. The application is hereby amended to demonstrate compliance with the radio-television cross-ownership rule, 47 C.F.R. § 73.3555(c)(2)(ii), which was not in effect at the time the application was filed, but which has now been reinstated as a result of the decision issued by the U.S. Court of Appeals for the Third Circuit in the *Prometheus* case.

In simultaneously filed applications, the parent company of LBI Dallas Radio is seeking approval for a long form transfer of control of the licensees of the following radio and television stations located in the Dallas-Fort Worth, Texas area:

KNOR(FM), Krum, TX (Facility ID #36289)  
KZZA(FM), Muenster, TX (Facility ID #23017)  
KZMP-FM Pilot Point, TX (Facility ID #15854)  
KZMP(AM), University Park, TX (Facility ID #63551)  
KBOC(FM), Bridgeport, TX (Facility ID #64694)  
KMPX(DT), Decatur TX (Facility ID #73701)

As demonstrated below, this combination of radio stations and a single television station complies with the Commission’s radio-television cross ownership rule.

Included as Attachment 1 is a map demonstrating that: (1) the 1 mV/m contours of the FM radio stations LBI Dallas Radio will hold following the proposed transaction encompass the community of license of KMPX(DT); and (2) the principal DTV contour of KMPX(DT) encompasses the entire community of license for the remaining station, KZMP(AM). Thus, the TV/radio cross-ownership rule is triggered for the one television and five radio stations LBI Dallas Radio’s parent company will control in the Dallas-Fort Worth market.

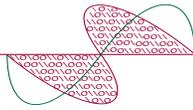

The Commission’s rules permit common ownership of one commercial television and up to seven commercial radio stations (to the extent permitted by the local radio ownership limits) if at least 20 independently owned media voices would remain in the market post-merger.

The BIA printout included as Attachment 2 demonstrates that at least 20 independently owned radio will remain in the Dallas-Fort Worth radio metro market post-merger.<sup>1</sup> The Dallas-Fort Worth DMA also includes a number of independently owned and operating full-power television stations. Thus, a sufficient number of media voices exists in the Dallas-Fort Worth market to permit common ownership of 1 television station and 5 radio stations under the Commission's rules.

---

<sup>1</sup> As the BIA printout demonstrates, the following independent operators, among others, hold radio licenses in the Dallas-Ft. Worth radio metro: (1) Cumulus, (2) iHeart, (3) Univision, (4) Entercom, (5) Urban One, (6) Liberman Broadcasting, (7) ABC/Disney, (8) Salem Media, (9) Alpha Media, (10) Immaculate Heart Media, (11) LKCM Radio Group, (12) Dallas Broadcasting, (13) Multicultural Radio, (14) Garden City Broadcasting, (15) Border Media Partners, (16) Mortensen Broadcasting Company, (17) Texas FM Radio, (18) SIGA Broadcasting, (19) Farmersville Investments, and (20) Tarrant Radio Broadcasting. TEGNA, Nexstar, Fox, Viacom CBS, Daystar, ION, and NBC Universal, among others, operate full power television stations in the Dallas-Ft. Worth DMA.
