Lincoln Financial Media Company of Florida (“*Lincoln*”) is the licensee of FM station WAXY-FM, West Palm Beach, Florida. *Lincoln* has completed construction of the auxiliary facility authorized in an FCC construction permit bearing File No. BXPB-20130701ACM.

The WAXY-FM Auxiliary facility Construction Permit (CP) contains only one Special Operating Condition which requires that the “permittee/licensee” (*Lincoln*), in coordination with other users of the site, reduce power or cease operation as necessary to protect persons having access to the site, tower or antenna from radiofrequency electromagnetic fields in excess of FCC guidelines. *Lincoln* is aware of its responsibilities regarding RF exposure, and herein affirms that it will coordinate operations as necessary to prevent exposure above the guidelines. Thus, by adhering to this requirement, the special operating condition is satisfied.
