July 4:45 am to 8:00 pm; Aug. 5:15 am to 7:15 pm;  
Sep. 5:45 am to 6:30 pm; Oct. 6:30 am to 4:30 pm;  
Nov. 7:00 am to 4:45 pm; Dec. 7:45 am to 4:30 pm;  
Mountain Standard Time (Non-Advanced)
4. With the station located at: Worland, Wyoming
5. With the main studio located at: 850' West of Big Horn River at  
U.S. Hwy. 20, Worland, Wyoming
6. Remote control point: ---
7. Transmitter location: North Latitude: 44° 01' 02"  
850' West of Big Horn River at West Longitude: 107° 58' 14"  
U.S. Hwy. 20, Worland, Wyoming  
Antenna and ground system: 185' (Includes lighting rod) 189.5' overall height) uniform cross section, guyed, series excited tower with a remote pickup antenna side mounted on the tower. Ground system consists of 120 radials 180' length plus 120 interspaced radials 50' in length.
8. Obstruction marking specifications in accordance with the following paragraphs of FCC Form 715: Paragraph 1 only.
9. Transmitter(s): Type Accepted
10. Conditions: Licensee shall accept such interference as may be imposed by other existing 250 watt Class IV stations in the event they are subsequently authorized to increase power to 1 kilowatt.

The Commission reserves the right during said license period of terminating this license or making effective any changes or modification of this license which may be necessary to comply with any decision of the Commission rendered as a result of any hearing held under the rules of the Commission prior to the commencement of this license period or any decision rendered as a result of any such hearing which has been designated but not held, prior to the commencement of this license period.

This license is issued on the licensee's representation that the statements contained in licensee's application are true and that the undertakings therein contained so far as they are consistent herewith, will be carried out in good faith. The licensee shall, during the term of this license, render such broadcasting service as will serve public interest, convenience, or necessity to the full extent of the privileges herein conferred.

This license shall not vest in the licensee any right to operate the station nor any right in the use of the frequency designated in the license beyond the term hereof, nor in any other manner than authorized herein. Neither the license nor the right granted hereunder shall be assigned or otherwise transferred in violation of the Communications Act of 1934. This license is subject to the right of use or control by the Government of the United States conferred by Section 606 of the Communications Act of 1934.
