1.3 Deposit. On the date of this Agreement, Buyer shall deliver Seller the sum of \$10,000.00 by bank check or wire transfer, to be held by Seller as a deposit (the "Deposit") pending the Closing of the transaction. At Closing, the Deposit shall be applied to the portion of the Purchase Price due at Closing. Date of Closing

2.1 Closing Date. The closing of the Transactions (the "Closing") shall take place on the later of the date that is ten (10) business days (the "Closing Date"):

- (a) after FCC Public Notice in its Daily Digest of FCC Consent, as defined in Section 6.1 below, to the assignment by Seller to Buyer of the Station's Licenses by initial order; or
- (b) after FCC Public Notice in its Daily Digest of the grant of the Modified Construction Permit.

Notwithstanding the above, Buyer may, with no less than ten (10) business days written notice to Seller, specify a date certain for the Closing after FCC Public Notice in its Daily Digest of FCC Consent to the assignment by Seller to Buyer of the Station's Licenses by initial order, but prior to the grant of the Modified Construction Permit Application described in Section 5.1(a)(ii) and Exhibit C of this Agreement, under which Closing Buyer will accept the Station's Licenses "where-is/as-is". In any event, Seller shall have no responsibility for pursuing a grant of the Modified Construction Permit described in Section 5.1(a)(ii) below.

2.2 Closing Time and Location. The Closing shall take place commencing at 10:00 a.m. local time at the business offices of Seller, or at such other time, location and/or manner (including exchange of closing documents by facsimile or electronic transmission) agreeable to the parties.

Section 3 **Seller's Representations and Warranties**

Seller hereby represents and warrants to Buyer as follows:

3.1 Organization, Authorization and Binding Obligation. Seller is duly organized, validly existing and in good standing under the laws of the State of Minnesota. Seller has full power and authority to own and operate the Station and to carry on the business of the Station as now being conducted. Seller has full power and authority to enter into and perform this Agreement and the Transactions. The execution, delivery and performance of this Agreement by Seller have been duly and validly authorized by all necessary action on its part. This Agreement constitutes Seller's valid, legal and binding obligation, enforceable against Seller in accordance with its terms, except as such enforceability may be limited by bankruptcy, insolvency or other similar laws affecting the enforcement of creditors' rights generally, and subject to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

3.2 Absence of Conflicting Agreements or Required Consents. Seller's execution, delivery and performance of this Agreement: (a) does not require the consent of any third party, except for the FCC Consent; (b) will not violate any provision of Seller's formation and operating documents; (c) to the best of Seller's knowledge, will not violate any applicable law, judgment, order, injunction, decree, rule, regulation or ruling of any governmental authority; (d) will not, either alone or with the giving of notice or the passage of time or both, conflict with, constitute grounds for termination of, or result in a breach of the terms, conditions, or provisions of, or constitute a default under, any agreement, instrument or permit; (e) will not result in the creation of any lien, charge or encumbrance on any of the Station's Assets; and (f) will not in any way affect or violate the terms or conditions of, or result in the cancellation, modification, revocation or suspension of, any of the Station's Licenses.

3.3 Litigation. There is no litigation or proceeding pending or, to the best of its knowledge, threatened against Seller in any federal, state or local court, or before any administrative agency (including, without limitation, any proceeding which seeks the revocation or forfeiture of or opposes or challenges the renewal of any of the Station's Licenses), which would have a material adverse effect upon the ability of the parties hereto to consummate the Transactions or which seeks to enjoin or prohibit, or otherwise questions the validity of, any action taken or to be taken pursuant to or in connection with this Agreement.

3.4 Liabilities. There are no liens or encumbrances against the Station's Assets, and to the extent permitted by law the Station's Licenses, other than any lien of taxes not yet due and payable (collectively, "Permitted Liens").

3.5 Station's Licenses. Seller is the authorized legal holder of the License. Subject to the Communications Act of 1934 (the "Communications Act"), and the rules and regulations promulgated thereunder (the "FCC Rules and Regulations"), the Station's Licenses are assignable from Seller to Buyer once the Modification Construction Permit is granted to authorize Station to operate in the non-reserved FM band.

3.6 Compliance With Laws. With respect to the Station and the Station's Licenses, Seller has not received as of the date of this Agreement any notice asserting any non-compliance in any material respect by it with any applicable statute, rule or regulation, federal, state or local, or any agency thereof, having jurisdiction over it.

3.7 Insolvency. No insolvency proceedings of any nature, including without limitation, bankruptcy, receivership, reorganization, composition, arrangement with creditors, voluntary or involuntary, affecting Seller are pending, and Seller has made no assignment for the benefit of creditors, nor, to its knowledge, has any person taken any action with a view to the institution of any insolvency proceedings.

3.8 Brokers. Seller has not retained any brokers who are entitled to any commission or finder's fee in connection with the Transactions.

Section 4 **Buyer's Representations and Warranties**

Buyer represents and warrants to Seller as follows:

4.1 Organization, Authorization and Binding Obligation. Buyer is duly organized, validly existing and in good standing under the laws of the state of Minnesota and fully qualified to conduct business in Minnesota and Wisconsin. Buyer has full power and authority to enter into and perform this Agreement and the Transactions. The execution, delivery and performance of this Agreement by Buyer have been duly and validly authorized by all necessary corporate action on its part. This Agreement constitutes Buyer's valid, legal and binding obligation, enforceable against Buyer in accordance with its terms, except as such enforceability may be limited by bankruptcy, insolvency or other similar laws affecting the enforcement of creditors' rights generally, and subject to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

4.2 Absence of Conflicting Agreements or Required Consents. Buyer's execution, delivery and performance of this Agreement: (a) does not require the consent of any third party, except for the FCC Consent; (b) will not violate any provision of Buyer's formation and operating documents; (c) to the best of Buyer's knowledge, will not violate any applicable law, judgment, order, injunction, decree, rule, regulation or ruling of any governmental authority; and (d) will not, either alone or with the giving of notice or the passage of time or both, conflict with, constitute grounds for termination of, or result in a breach of the terms, conditions, or provisions of, or constitute a default under, any agreement, instrument or permit.

4.3 FCC Qualifications. Buyer has no knowledge of any facts which would, under present law (including the Communications Act of 1934, as amended) and the FCC Rules and Regulations, once the Modification Construction Permit is granted, disqualify Buyer as an assignee of the Station's Licenses or as an owner and/or operator of the Station's Assets, and Buyer will not take, or unreasonably fail to take, between now and the Closing Date any action which Buyer knows or has reason to know would cause such disqualification. Buyer is legally, financially and otherwise qualified to be the licensee of the Station, and to acquire, own and operate the Station under the Communications Act and the FCC Rules and Regulations.

4.4 Litigation. There is no litigation or proceeding pending or, to the best of its knowledge, threatened against Buyer in any federal, state or local court, or before any administrative agency, which would have a material adverse effect upon the ability of the parties hereto to consummate the Transactions or which seeks to enjoin or prohibit, or otherwise questions the validity of, any action taken or to be taken pursuant to or in connection with this Agreement.

4.5 Brokers. Buyer has retained Phoenix Media Group, LLC as broker for this transaction and shall be responsible for any and all fees due Phoenix Media Group, LLC arising from the transaction, all of which shall be paid by Buyer at the Closing pursuant to a separate agreement.

Section 5

Pre-Closing Covenants

5.1 Pre-Closing Covenants of Seller. Between the date hereof and the Closing Date, except as contemplated by this Agreement or with the prior written consent of Buyer:

- (a) **Affirmative Covenants.** Seller shall:
 - (i) Notify Buyer of any litigation or administrative proceeding pending or, to its knowledge, threatened against Seller which is likely to delay or otherwise interfere with Closing;
 - (ii) Subject to Seller's satisfaction that the Modification Construction Permit Application complies with all FCC rules, regulations and policies, cooperate with the Buyer by filing at the FCC, simultaneous with the filing of the Assignment, an FCC Form 349 Modification Construction Permit Application with facilities specified by the Buyer. All matters pertaining to the Modification Construction Permit Application, including application fees, processing and defending the application shall be at the sole cost of Buyer.

(b) Negative Covenants. Seller shall not:

- (i) Create, assume or permit to exist any new mortgage, pledge, lien or other charge or encumbrance or rights affecting any of the Station's Assets;
- (ii) Sell, assign, lease or otherwise transfer or dispose of any of the Station's Assets;
- (iii) Waive any material right relating to the Station or the Station's Assets;
- (iv) Take any other action inconsistent with its obligations under this Agreement or which could hinder or delay the consummation of the Transactions;
- (v) Agree to or participate in any minor modification or other filing with the FCC with respect to the Station except as otherwise contemplated by or provided for in this Agreement; or
- (vi) Either itself or through any of its officers, directors, shareholders, employees, agents or any other person or entity acting on Seller's behalf, directly or indirectly, solicit or initiate any offer from, or conduct any negotiations with, any person or entity other than Buyer or its assignee(s) concerning the direct or indirect acquisition of the Station.

5.2 Pre-Closing Covenant of Buyer. Between the date hereof and the Closing Date, Buyer shall not directly or indirectly control, supervise or direct the operations of the Station. Such operations, including complete control and supervision of all Station programs, employees, policies and finances shall be the sole responsibility of Seller.

Section 6
Conditions to Closing

6.1 FCC Consent. The assignment of the Station's Licenses from Seller to Buyer as contemplated by this Agreement is subject to the prior consent and approval of the FCC (the "FCC Consent") pursuant to an application by Seller and Buyer (the "Assignment Application"). The Assignment Application shall be filed by Seller and Buyer within ten (10) business days of the date of this Agreement, and thereafter Buyer and Seller shall each fully prosecute the Assignment Application with all diligence and shall otherwise use their reasonable best efforts to obtain the grant of such Assignment Application as expeditiously as practicable, and thereafter to file any required applications for extensions of time to consummate the transaction. The FCC filing fee for the Assignment Application shall be paid by Buyer and Seller shall reimburse Buyer one-half the filing fee at Closing. Buyer and Seller shall notify each other of all documents filed with or received from any governmental agency with respect to this Agreement or the Transactions. Buyer and Seller shall furnish each other with such information and

assistance as the other may reasonably request in connection with their preparation of any governmental filing hereunder.

6.2 Modified Construction Permit. The Closing under this Agreement is conditioned upon the grant of the Modified Construction Permit Application described in Section 5.1(a)(ii) and Exhibit C of this Agreement. Seller makes no representations or warranties whatsoever that the Modified Construction Permit Application can or will be granted, and Seller has no obligation whatsoever with respect to any construction of the Station's facilities subsequent to the grant of the Modified Construction Permit Application. Buyer expressly acknowledges the secondary status under the FCC's Rules and Regulations of FM translator licenses generally, including the Station's Licenses and Modified Construction Permit. Once Closing occurs, Buyer shall bear any and all responsibility and liability for the construction and subsequent licensing of the Station under the Modified Construction Permit Application, and for any interference caused by the Station after Closing including any remedial efforts to eliminate interference. Seller makes no representation or warranty as to any conformance of the Station Licenses or the Modified Construction Permit with any provision of Section 74.1203 of the Commission's rules subsequent to Closing, does not make any representation or warranty that the Station may commence or continue operations under the Modified Construction Permit subsequent to Closing, and Buyer acknowledges that its operation of the Station may be suspended or permanently discontinued by the FCC as a result of interference, or other circumstance relating to the Station's secondary status. Buyer will have paid all costs, fees and assessments related to the filing and prosecution of the Modified Construction Permit Application and will satisfy any liens that may have been created as a result of work it has ordered.

Section 7

Instruments of Conveyance and Transfer

At Closing, Seller shall deliver to Buyer instruments effecting the sale, transfer, assignment and conveyance of Seller's right, title and interest in and to the Station's Assets to Buyer pursuant to the terms of this Agreement, including without limitation the following:

7.1 Assignment of Licenses. An assignment of all right, title and interest in and to the Station's Licenses to be assigned pursuant to Section 1.1(a) of this Agreement;

7.2 Bill of Sale. A bill of sale for the Equipment.

7.3 FCC Filings and Authorizations. Copies of all FCC filings along with the Station's Licenses pursuant to Section 1.1(c) of this Agreement to the extent such filings and Licenses are not publicly available through the FCC's web site; and

7.4 Further Instruments. Further instruments and documents that may be reasonably necessary to effectuate the transactions contemplated under this Agreement.

Section 8
Payment of Purchase Price

At Closing, Buyer shall pay the Purchase Price in accordance with Section 1.4 of this Agreement.

Section 9
Parties' Expenses

Except as provided in Section 6.1 with regard to the filing fee for the Assignment Application, and Section 5.1(a)(ii) hereof, each party shall pay all of its own legal, accounting and other expenses which it incurs in connection with the Transactions.

Section 10
Risk of Loss

The risk of any loss, damage or destruction to any of the Station's Assets from fire or other casualty or cause shall be borne by Seller at all times prior to Closing, and Buyer shall bear the risk of any such loss or damage thereafter.

Section 11
Termination Rights

Without limiting the right of either party to terminate this Agreement as otherwise provided herein, this Agreement may be terminated prior to the Closing, upon written notice to the other, provided that the terminating party is not then in breach or default of this Agreement, upon the occurrence of any of the following:

11.1 By either Buyer or Seller, as the case may be, for a material default by the other in the observance or performance of any term or covenant hereunder or a material breach by the other of any material term, representation, warranty or covenant hereunder, which is not cured by the earlier of the Closing Date or within twenty (20) days after written notice of the breach.

11.2 By either Buyer or Seller if the FCC denies the Assignment Application or Modified Construction Permit Application, such denial is not the fault, directly or indirectly, of the terminating party, and such order becomes a Final Order.

11.3 By either Buyer or Seller if legal or technical circumstances arising prior to the Closing would preclude a grant of the Modified Construction Permit or in the event a third party objection is filed at the FCC against any modification or license application filed by Seller or Buyer in pursuit of the Modified Construction Permit.

11.4 By either Buyer or Seller if the conditions to Closing set forth in Section 6 of this Agreement, and the Closing itself, have not occurred on or prior to the nine (9) months after the

date of this Agreement, and such failure to close is not the fault, directly or indirectly, of the terminating party.

The termination of this Agreement shall not relieve any party of any liability for breach or default under this Agreement prior to the date of termination.

Section 12 **Pre-Closing Remedies**

12.1 Seller's Breach. In the event of a material default by Seller in the observance or performance of any term or covenant hereunder or a material breach by Seller of any material term, representation, warranty or covenant hereunder, which is not cured by the earlier of the Closing Date or within twenty (20) days after written notice from Buyer, Buyer may as its sole remedy bring an action to enforce the terms of this Agreement by decree of specific performance (subject to obtaining any necessary FCC consent), it being agreed that the Station's Assets include unique property that cannot be readily obtained on the open market and that Buyer will be irreparably injured if this Agreement is not specifically enforced. Seller agrees to waive the defense in any such action for decree of specific performance that Buyer has an adequate remedy at law and to interpose no opposition, legal or otherwise, as to the propriety of specific performance as a remedy.

12.2 Buyer's Breach. In the event of a material default by Buyer in the observance or performance of any term or covenant hereunder or a material breach by Buyer of any material term, representation, warranty or covenant hereunder, which is not cured by the earlier of the Closing Date or within twenty (20) days after written notice from Seller, Seller may terminate this Agreement as provided for in Section 11.1 herein and retain the Deposit and any accrued interest thereon as its sole remedy.

Section 13 **Post-Closing Remedies**

13.1 Seller's Indemnities. Seller shall indemnify, defend and hold Buyer harmless from and against any and all losses, costs, liabilities, claims, actions, damages and expenses (including reasonable legal fees and other expenses incident thereto) of every kind, nature or description, arising out of or in connection with (a) the breach of any representation, warranty, covenant or agreement of Seller set forth in this Agreement (including the schedules hereto) or in any other document delivered to Buyer pursuant hereto; (b) any claims arising as the result of the failure of Seller to comply with the provisions of any bulk sales or similar laws applicable to the transfer of the Station's Assets to Buyer; (c) any third-party liability of Seller; or (d) a claim relating to the conduct of the business and operations of the Station and the Station's Assets prior to the Closing Date, including, without limitation, any taxes, assessments or similar charges relating to the operation of the Station accrued or attributable to periods prior to the Closing Date.

13.2 Buyer's Indemnities. Buyer shall indemnify, defend and hold Seller harmless from and against any and all losses, costs, liabilities, claims, actions, damages and expenses

(including reasonable legal fees and other expenses incident thereto) of every kind, nature or description arising out of, or in connection with: (a) the breach of any representation, warranty, covenant or agreement of Buyer set forth in this Agreement or in any other document delivered to Seller pursuant hereto; (b) any third-party liability of Buyer; or (c) a claim relating to the conduct of the business and the operation of the Station by Buyer on or after the Closing Date.

13.3 Notice of Claim. If any action, suit or proceeding shall be commenced by a third party against Buyer or Seller, as the case may be, in respect of which Buyer or Seller proposes to seek indemnification from the other under this Section 13 (a “Third-Party Claim”), then such party shall promptly notify the party from whom indemnification is sought (hereinafter the “Indemnifying Party”) to that effect. The Indemnifying Party shall have the right, at its own expense, to participate in or assume control of the defense of such Third-Party Claim, and the other party shall cooperate with all reasonable requests of the Indemnifying Party, subject to reimbursement for actual out-of-pocket expenses incurred as the result of a request by the Indemnifying Party. If the Indemnifying Party elects to assume control of the defense of a Third-Party Claim, then the other party shall have the right to participate in the defense of such claim at its own expense. If a Third-Party Claim requires immediate action, then the parties will make every effort to reach a decision with respect thereto as expeditiously as possible. If the Indemnifying Party does not elect to assume control or otherwise participate in the defense of any Third-Party Claim, then it shall be bound by the results obtained by the other party with respect to such Third-Party Claim, but no settlement of a Third-Party Claim may be made by the Indemnifying Party without the written consent of the party being indemnified.

Section 14

Miscellaneous

14.1 Final Order. As used in this Agreement, the term “Final Order” means a written action or order issued by the FCC granting the FCC Consent and: (a) which has not been reversed, stayed, enjoined, set aside, annulled or suspended, and (b) with respect to which (i) no requests have been filed for administrative or judicial review, reconsideration or appeal and the periods provided by statute or FCC regulations for filing any such requests and for the FCC to set aside the action on its own motion have expired, or (ii) in the event of review, reconsideration or appeal, the FCC upholds the action and the period provided by statute or FCC regulations for further review, reconsideration or appeal has expired.

14.2 Rescission. If the Closing occurs prior to the FCC Consent becoming a Final Order, and if, before the FCC Consent becomes a Final Order, the FCC Consent is reversed or otherwise set aside, and the FCC (or court of competent jurisdiction) has issued an Order that is not stayed or set aside requiring the re-assignment of the Station’s Licenses to Seller, then the purchase and sale of the Station’s Assets shall be rescinded. In such event, Buyer shall reconvey the Station’s Assets to Seller, and Seller shall repay the Purchase Price to Buyer. Any such rescission shall be consummated on a mutually agreeable date within thirty days of such Final Order (or, if earlier, within the time required by such order). In connection therewith, Buyer and Seller shall each execute such documents (including execution by Buyer of instruments of conveyance of the Station’s Assets to Seller), as are reasonably necessary to effectuate such rescission.

14.3 Survival of Representations and Warranties. Other than as specifically provided in this Agreement, the representations and warranties in this Agreement shall survive Closing for a period of six months from the Closing Date. If within such six month time period the indemnified party gives the indemnifying party written notice of a claim for breach thereof describing in reasonable detail the nature and basis of such claim, then such claim shall survive until the earlier of resolution of such claim or expiration of the applicable statute of limitations. The covenants and agreements in this Agreement shall survive Closing until performed.

14.4 Assignment. Neither Seller nor Buyer may assign its rights and obligations hereunder without the written consent of the party not seeking an assignment. The rights and obligations of the parties hereunder shall inure to the benefit of, and shall be binding upon, each of the parties hereto and their respective successors and permitted assigns.

14.5 Construction. This Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State of Minnesota without regard to choice of laws principles. Any action brought under this Agreement shall be in either the state or federal court having jurisdiction over claims arising in Wabasha, Minnesota.

14.7 Notices. All notices, demands, and requests required or permitted to be given under the provisions of this Agreement shall be in writing and shall be sent for next business day delivery by USPS Express Mail, Federal Express or similar recognized overnight courier service with all charges prepaid, and shall be deemed to have been duly delivered and received on the next business day after being sent. 14.9 Modified Construction Permit Application: As used herein, the term Modified Construction Permit and Modified Construction Permit Application are used interchangeably as may be appropriate depending on whether the application to modify the Station license has been granted by the Commission or is pending at the relevant time.

14.11 Entire Agreement. This Agreement represents the entire understanding of the parties with respect to the subject matter hereof, supersedes all other and prior memoranda and agreements between the parties with respect to such subject matter and may not be modified or amended except by a written instrument signed by all of the parties hereto.

14.14 Further Assurances. From time to time after Closing at another party's request and without further consideration, a party shall execute and deliver such further instruments of conveyance, assignment and transfer, and take such other actions as the requesting party may reasonably request, in order to more effectively convey and transfer any of the Station's Assets.

14.15 Investigations. No inspection or investigation made by or on behalf of Buyer, or Buyer's failure to make any inspection or investigation, shall affect Seller's representations, warranties and covenants set forth in this Agreement, provided, however, Buyer shall be solely responsible for determining the merchantability, suitability, operational performance and technical performance of the Station's facilities to be authorized in the Modified Construction Permit to be delivered pursuant to this Agreement, and assessing whether the Station will work to the Buyer's satisfaction with the facilities specified in the Modified Construction Permit.

14.16 Severability. If any court or governmental authority holds any provision in this Agreement invalid, illegal or unenforceable under any applicable law, then, so long as no party is deprived of the benefits of this Agreement in any material respect, this Agreement shall be construed with the invalid, illegal or unenforceable provision deleted and the validity, legality and enforceability of the remaining provisions contained herein shall not be affected or impaired thereby.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date first set forth above.
