JOSH BROADCASTING, LLC., a Washington limited liability company ("Licensee"), and **CENTRO FAMILIAR CRISTIANO**, a Washington non-profit corporation ("Programmer"), hereby agree this 12th day of May, 2014, to enter into this **LOCAL MARKETING AGREEMENT** (the "Agreement") under the terms and conditions specified herein. The parties hereto are collectively and individually referred to herein as a Party in the singular and the Parties in the plural.

WITNESSETH:

WHEREAS, Licensee owns and operates the following radio station (the "Station"):

KANY (FM), Montesano, Washington. Facility ID# 164149

WHEREAS, the Parties have entered into a Memorandum of Understanding as of May 8, 2014 (the "Memorandum"), regarding a sale of the Station and certain assets used and useable in the operation of the Station, with Licensee as "Seller" and Programmer as "Buyer";

WHEREAS, until such time that the Parties have completed and executed the Purchase Documents pertaining to the anticipated sale and purchase of the Station and FCC has granted its consent to the assignment of the Station's FCC License to Programmer from Licensee and the Parties have closed under the Purchase Agreement, Programmer desires to acquire time on the Station for the provision of programming and the solicitation of donations from Programmer's listeners;

WHEREAS, Licensee has agreed to make broadcasting time on the Station available to Programmer between the date hereof and the execution of the Purchase Documents, the submission of the Assignment Application, and the consummation of the sale of the Station to Buyer on terms and conditions which conform to the FCC Rules and to this LMA;

WHEREAS, this LMA and the transaction hereby represented complies with the local and national multiple Station ownership and audience reach limitations of Section 73.3555 and the program duplication limitations of Section 73.3556 of the rules and regulations of the FCC.

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and in light of the mutual promises and covenants contained herein, Licensee and Programmer hereby agree as follows:

1. Commencement Date and Term.

(a) Effective and Commencement Dates. This LMA shall become effective as of the date hereof (the "Effective Date") and Programmer's operations shall commence at such time that Programmer completes delivery of its programming to the Station's transmitter by the

KANY (FM), Montesano, WA
LMA 5.10.14

most effective means possible (the "Commencement Date"), remaining in effect until superseded by a sale of the Station to Programmer or as otherwise agreed to by the Parties in writing.

2. Use of Station Facilities. Upon the Commencement Date, Licensee will, subject to the terms and conditions herein, make available to Programmer the broadcast transmission facilities of the Station on a twenty-four (24) hour per day, seven (7) day per week basis for carriage on the Station of programming content produced and/or selected by Programmer delivered by Programmer at its cost and expense, provided that any and all programming material proffered by Programmer for carriage on the Station will be in material compliance with any and all applicable laws and governmental regulations, including but not limited to the Communications Act of 1934, as amended (the "Act"), and the rules and regulations of the FCC (the "FCC Rules"), and in conformity with the requirements of this Agreement, including, but limited to, those under Paragraph 4(a) below.

3. Donations and Program Underwriting. Subject to the Act and FCC Rules Programmer shall have the unilateral and exclusive right to solicit listener donations, and/or program underwriting as Programmer, in the exercise of its unilateral discretion, deems appropriate. Programmer shall have sole responsibility for the billing and collection of donations, fees, and other charges for all matter aired on the Station during the term of this LMA. Notwithstanding the foregoing, Programmer shall have no authority to enter into any contracts or agreements on behalf of Licensee or the Station, including without limitation anything that would require performance or obligate by Licensee following the expiration of this Agreement. All donations, fees, charges, or other revenues or monies received or generated by Programmer from its activities under this LMA on and after the Commencement Date shall belong to it; and Licensee shall be entitled to all revenues or monies received or generated by it from activities by it prior to the Commencement Date.

4. Programming.

(a) Program Standards. All programming shall be prepared and presented in conformity with the Standards described in Exhibit A hereto, which are specifically incorporated into and made a part of this LMA and the obligations of Programmer hereunder, and as provided in Paragraph 2 above;

(b) Responsive Programming. Licensee shall retain the right and responsibility to air programming it deems reasonably responsive to the needs and interests of Montesano, Washington, and the surrounding service area. To exercise its rights under this sub-Paragraph, Licensee shall deliver its advance written notice(s) to Programmer reasonably advising Programmer of relevant Public Service Announcements ("PSAs"), local news items, or other material deemed essential to Licensee's compliance with the Act, FCC rules and policies, and/or the public interest with the understanding that, absent the need for a broadcast under the Emergency Alert System ("EAS") or other emergency matters, Licensee will provide Programmer at least seven (7) days prior notice of the time it requests for the insertion of PSAs, local news items, or other public interest material.

(c) Equal Opportunities and Personal Attack Requests. Licensee will forward to Programmer within two (2) business days any and all requests which Licensee receives for the purchase of air time by qualified candidates for Federal office, requests for equal opportunities by legally qualified candidates, requests to respond to personal attacks over the Station, and requests by legally qualified candidates for a right to respond to political editorials.

5. Termination.

(a) This LMA shall terminate upon the earlier of (i) the consummation of a sale to Programmer of the Purchase Assets and assignment of the Station's FCC Licenses used and useable in the daily operations of the Station pursuant to a Purchase Agreement; (ii) the first day of the first full month following termination of any Purchase Agreement; (iii) the first day of the first full month following the date on which an order of the FCC denying its consent to an assignment of the Station's FCC Licenses to Programmer becomes a Final Order as provided in a Purchase Agreement, or (iv) the termination of this LMA by mutual consent, an event of default, or the end of the period specified in Paragraph 1(a) above.

6. Consideration and Payment. From the date hereof, Programmer shall make Monthly Payments to Licensee as follows:

(a) From the date hereof through May 30, 2014: No Monthly Payment other than those expenses detailed in sub-Paragraph 6(d) hereinbelow and as further detailed in Paragraph 8(a)(i-vi) herein.

(b) From June 1, 2014, Monthly Payments shall be made in accordance with the Payment Schedule set forth in Exhibit 1 and Exhibit 2 of the Memorandum, the terms of which are incorporated herein by reference;

(c) All Monthly Payments shall be non-refundable whether or not the anticipated purchase of the Station consummates as contemplated.

(d) During the Term of this LMA, regardless of the amount of donations, fees, charges, or other revenues or monies received or generated by Programmer from its activities under this LMA, Programmer shall be responsible for operating expenses of the Station to include direct payments and/or indirect reimbursements for expenses which must remain under Licensee's control in accordance with, and as required under, the Act, the FCC Rules, and all other applicable laws. Reimbursements shall be made within five (5) days of presentment of original invoices and/or bills, and Licensee shall be entitled to reimbursement for expenses and expenditures including but not limited to expenses associated with operations described in Paragraph 8(a)(i-vi) hereinbelow and all other standard and customary operating expenses, a schedule of which shall be agreed upon by the Parties prior to the Commencement Date of this LMA and reviewed and adjusted from time to time as the Parties find necessary.

7. Pro-rations. Operations of the Station shall be pro-rated to the Commencement Date of this LMA. Operations of the Station and any income, expense, and liabilities attributable thereto through the Commencement Date shall be for the account and obligation of Licensee and thereafter for the account and obligation of Programmer. Expenses including, but not limited to, such items as power and utilities charges, property taxes, rents, commissions, leases and agreements, and similar prepaid and deferred items shall be prorated between Licensee and Programmer in accordance with generally accepted accounting principles, the pro-rations to be made as of the Commencement Date.

8. Expenses. Subject to pro-rations and reimbursement and subject to Paragraph 9 below, the Parties shall retain control of and be responsible for the following expenses during the term of this LMA, respectively:

(a) Licensee. Without limitation, Licensee shall have initial responsibility (subject to its right to be reimbursed by Programmer as provided in Paragraph 6(d) above) on and after the Commencement Date of this LMA for payment of the following:

(i) Any and all personnel expenses, including but not limited to: salary and payroll taxes incurred by or for Licensee's FCC-required employees, provided that all such personnel expenses shall be commercially reasonable;

(ii) Any and all rental expenses for the Station's transmitter site and/or studio and office site;

(iii) Any and all utility bills, (gas, water, telephone [other than toll charges or listener call-in lines], and electricity) rendered at or in conjunction with the Station's studios, offices, and transmission facilities;

(iv) Payment of all taxes, licenses, and other governmental fees necessary for the lease, use, and ownership of the Station's facilities to include without limitation FCC Regulatory Fees;

(v) Insurance to cover loss of or damage to the Station's facilities and general liability insurance; and

(vi) Necessary replacement and general maintenance of the Station's transmission, production, and office equipment, furnishing, and fixtures, provided that such replacement and/or repair is not caused by Programmer's negligence or misuse of same.

(b) Programmer. Without limitation, from the Commencement Date of this LMA, Programmer shall pay the following:

(i) Any and all expenses incurred in the production or distribution of programming to be aired on the Station (other than PSAs, news items, and other material inserted at the request of Licensee);

(ii) Payroll taxes for Programmer's personnel used in the provision of programming contemplated herein ("Payroll Taxes"); and

(iii) Any and all fees charged by ASCAP, BMI, and SESAC ("Music Licensing Fees") for programming aired after the Commencement Date of this LMA.

9. Control of Station. Notwithstanding anything in this LMA to the contrary, Licensee hereby certifies that Licensee shall at all times retain, and hereby so certifies that it has, ultimate control over the Station's operations, including but not limited to its finances, personnel, and programming. Programmer certifies that this Agreement complies with the provisions of FCC Rule 73.3555(a), (c) and (d). Licensee will maintain a main studio for the Station as required by FCC Rules and shall provide for a management presence which Licensee deems necessary and appropriate for the operation of the Station in the public interest. Licensee will also maintain a public inspection file at the Station's main studio which will include all items required to be retained under FCC rules and policies, including but not limited to this LMA. Licensee shall retain the right to (a) reject any programming proffered by Programmer under this LMA if, in the sole opinion of Licensee, such programming is in violation of the requirements of the Act or the FCC Rules or other governmental policy or rule, contains content that violates the rights of any third party, or otherwise is inconsistent with the public interest, or (b) substitute programs that it believes to be of greater local or national importance or that are designed to address the problems, needs, and interests of the local communities.

10. Force Majeure. Licensee shall not be liable to Programmer or be deemed to be in breach of this LMA for any malfunction of the Station's facilities, or for any delay or interruption in the broadcast of programming proffered by Programmer, due to acts of God, strikes or threats thereof, or other causes beyond the reasonable control of Licensee.

11. Retention of Broadcast Rights. Programmer shall retain copyrights and other retransmission rights it has to and in any and all programming proffered for carriage on the Station, and no programming supplied to Licensee pursuant to this LMA shall be rebroadcast, copied, or made available for any other use without the prior written consent of Programmer.

12. Filing with FCC. The Parties will cooperate in obtaining any required FCC approval of this LMA. To that end, the Parties will negotiate in good faith to amend any provision which the FCC advises the Parties, either formally or informally, is unlawful. If required by the FCC, the Parties will file a copy of this LMA with the FCC within thirty (30) days from the Effective Date of this LMA.

13. Indemnification; Insurance.

(a) Programmer hereby indemnifies and otherwise holds Licensee harmless against any and all liability to the extent arising out of (i) the acts or omissions of Programmer, or Programmer's employees, agents or contractors, under or in connection with this LMA or with respect to the Station that involve or result in libel, slander, illegal competition or trade practices; infringement of trademarks, trade names, or program titles; and infringement of copyrights or proprietary rights resulting from the carriage of programming supplied by Programmer over the Station's broadcast transmission facilities, (ii) any content of the LMA programming, (iii) any music license fees for which Programmer is responsible, (iv) any other matters related to, or involving Programmer's activities under this LMA, or (v) any breach by Programmer of its obligations under this LMA. Licensee shall have the right to refuse to broadcast any programming proffered by Programmer under this LMA which, in the sole opinion of Licensee, contains matter which is or may be in violation of any right of any third party or constitute a personal attack under FCC Rules or policy or as otherwise provided in this LMA; provided, however, that any failure by Licensee to refuse to broadcast shall not limit its right to being indemnified and held harmless. Programmer shall maintain insurance policies covering general liability, blanket crime, property damage, business interruption, automobile liability, and workers' compensation insurance in forms and amounts customary in the radio broadcast industry. Programmer will name Licensee as an additional insured under such policies to the extent that their respective interests may appear and will provide for notice to Licensee prior to cancellation thereof. Upon request, Programmer shall provide Licensee with certificates evidencing such insurance and shall further provide certificates evidencing renewal thereof prior to the expiration of such policies.

(i) Programmer acknowledges and agrees that (a) it is solely responsible for determining whether any matter or action by it complies with the Act, the FCC Rules, or other applicable ordinances, regulations, or laws (collectively, the "Laws"); (b) any review by Licensee of any matter presented for its consent, approval, or other action shall be for Licensee's own purposes, and any consent or approval, if given, or any failure by Licensee to reject, terminate, or otherwise act with respect to any matter or activity shall not constitute a representation or other assurance that such matter or activity complies with the Laws; and (c) any consent or approval by Licensee or any failure to reject, terminate, or take any other action shall not limit Programmer's obligation to indemnify and hold Licensee harmless as provided in this LMA.

(b) Except as herein provided, Licensee hereby agrees to indemnify and hold Programmer and the property of Programmer free and harmless from any and all claims, demands, liabilities, obligations, actions, suits, proceedings, losses, damages, costs, expenses, assessments, judgments, recoveries, and deficiencies, including interest, penalties, and reasonable attorneys' fees and expenses, of any kind and description, contingent or otherwise (the foregoing hereinafter collectively referred to as "Damages"), to the extent occasioned by, arising out of, or resulting from (i) Licensee's activities in the operation of the Station in accordance with this LMA, but expressly excluding from such activities any related to, or arising from, the broadcast

of programming provided by Programmer or other matters where, as between Licensee and Programmer, Programmer has the responsibility, or (ii) any breach by Licensee of its obligations under this LMA. Licensee shall maintain the existing general liability insurance policies on the Station. Licensee will name Programmer as an additional insured under such policies to the extent that their respective interests may appear and will provide for notice to Programmer prior to cancellation thereof. Upon request, Licensee shall provide Programmer with certificates evidencing such insurance and shall further provide certificates evidencing renewal thereof prior to the expiration of such policies.

14. Representations.

(a) Joint Representations. The Parties represent to each other that they are each legally qualified, authorized, and otherwise able to enter into this LMA.

(b) Licensee Representations. Licensee represents (y) that it has all licenses and other authorizations from the FCC and other governmental authorities necessary to operate the Station as currently operated and (z) that it is not aware of any investigation, complaint, petition, objection, or other event, existing or threatened, which, if acted on in a manner adverse to Licensee, would have a material adverse impact on the Station's FCC authorizations or the Station's current operations.

15. Events of Default.

(a) Definition of Default. The following shall each constitute, after the expiration of any applicable cure period, an Event of Default:

(i) Non-Payment. Programmer's failure to make payments to Licensee as required by Paragraph 6 of this LMA.

(ii) Breach of Representation. If any representation or warranty made in this LMA by any Party, or in any certificate or document furnished pursuant to the provisions hereof, shall prove to have been false or misleading in any material respect as of the time made or furnished.

(iii) Breach of Covenants. A Party is in material breach of any obligation or representation assumed or made under this LMA, including but not limited to, compliance with the Act and FCC rules and policies.

(b) Cure Periods. An Event of Default to include a failure to make payments to Licensee as required by Paragraph 6 hereinabove, shall not be deemed to have occurred until the expiration of ten (10) calendar days after one Party has provided the other party with written notice specifying the event or events that, if not cured, would constitute an Event of Default, and the Party in receipt of such notice has not cured the default or otherwise demonstrated that there is no default.

(c) Termination upon Default. In the event of the occurrence of an Event of Default which remains uncured, either Party may terminate this LMA without further liability to the other Party except for amounts accrued but not yet paid to Licensee under Paragraph 6 (unless the liability for such payments is offset by damages incurred by Programmer).

16. Specific Performance and Rights to Cure.

(a) The Parties agree that the business opportunity represented by this LMA is unique and not readily available on the open market and the Programmer and/or Licensee would each be irreparably injured by the other's failure to perform its obligations hereunder. Accordingly, upon any uncured Event of Default by Licensee, Programmer shall have the right to seek specific performance of this LMA.

(b) Upon an uncured Event of Default by Programmer, Licensee at its election may do the following:

(i) Retain all Monthly Payments as the sole and exclusive remedy available to Seller for such failure; or

(ii) Bring suit against Programmer for Licensee's actual damages and apply the Monthly Payments against the damages awarded to Seller; or

(iii) Pursue any other rights or remedies available at law or equity.

(c) Upon any Event of Default and the giving of notice thereof and a failure to cure with the time specified, the non-defaulting Party shall have the right to cure such default and to seek damages from the other for its costs and expenses of such cure and for any other damages proximately caused.

(d) Any and all operating equipment and/or software purchased, leased, or otherwise acquired by Programmer to be used in the operation of the Station ("Programmer Acquired Assets") shall at all times remain the property of Programmer. In the event of an early termination of this LMA due to a default, breach, or abandonment of the facilities and their operation by Programmer, such Programmer Acquired Assets may be retained by Licensee at Licensee's sole option and, in the event they are retained, the value of such Programmer Acquired Assets may be used as an offset against Licensee's damages specified above.

17. Finders, Consultants, and Programmer. The Parties hereby represent and warrant to one another that there has been no finder or consultant involved in the negotiations leading up to the execution of this LMA other than MCH Enterprises, Inc., whose fees shall be paid by Licensee.

18. Waivers. No waiver or delay by a Party of any provision of this LMA shall be considered a waiver of any other provision or any subsequent breach of the same or any other provision, including the time for performance of any such provision. The exercise by a Party of any remedy provided in this LMA or at law shall not prevent the exercise by that Party of any other remedy provided in this LMA or at law.

19. Governing Law, Venue and Attorney Fees. This LMA shall be construed in accordance with the laws of the State of Washington. In the event either Party commences a legal action regarding this LMA, such action shall only be brought in the court of appropriate jurisdiction in King County, State of Washington, and both Parties consent to personal jurisdiction by such court and agree that venue shall properly lie there. In any such action, the Party most prevailing shall be entitled to recover its costs of suit and reasonable attorneys' fees, including costs and reasonable attorneys' fees on appeal.

20. Headings. The headings of the provisions of this LMA are included for convenience only, and no such heading shall in any way affect or alter the meaning of any provision.

21. Successors and Assigns. This LMA may not be assigned without the written consent of the other Party, such consent not to be unreasonably withheld. This LMA and the terms and conditions contained herein shall be binding upon and inure to the benefit of the Parties and their respective successors and assigns.

22. Counterpart Signatures; Warranties. This Agreement (and each amendment, modification and waiver in respect of it) may be executed in any number of counterparts, and each such counterpart shall be deemed to be an original instrument, but all such counterparts together shall constitute but one instrument. Delivery of an executed counterpart of a signature page of this Agreement (and each amendment, modification and waiver in respect of it) by facsimile or other electronic transmission shall be effective as delivery of a manually executed original counterpart of each such instrument. Each of the persons signing this LMA on behalf of an entity warrants and represents that he or she has the right power, legal capacity and authority to execute this LMA on behalf of such entity, without the concurrence or approval of any other person, any entity or any Court, and to thereby bind such entity to this LMA.

23. Notice. All notices, demands, and requests required or permitted to be given under the provisions of this Purchase Agreement shall be in writing and shall be deemed duly given (i) when given if personally delivered, (ii) as shown on the receipt if mailed by registered or certified mail, return receipt requested, postage prepaid, (iii) on the date sent as shown by a machine-generated delivery confirmation, if sent by facsimile transmission on a regular business day in the State in which the addressee resides or, if not sent on a business day, then on the next business day after the date sent, or (iv) on the delivery date in the records of a nationally recognized courier guaranteeing delivery. The Parties may also communicate with each other informally by telephone or electronic transmission, but such method shall not be used for any

notice that has legal significance or consequences. Notices to the Parties may be given as follows:

3. Controversial Issues. Any discussion of controversial issues of public importance shall be reasonably balanced with the presentation of contrasting viewpoints in the course of overall programming; no attacks on the honesty, integrity, or like personal qualities of any person or group of persons shall be made during the discussion of controversial issues of public importance; and during the course of political campaigns, programs are not to be used as a forum for editorializing about individual candidates. If such events occur, Licensee may require that responsive programming be aired.

5. Sale of Religious Artifacts. The offering for sale of religious artifacts or other items for which listeners would send money is prohibited unless such items are readily available in ordinary commerce or are clearly being sold for legitimate fund-raising purposes.
6. No Plugola or Payola. The mention of any business activity or "plug" for any commercial, professional, or other related endeavor, except where contained in an actual advertising message or a commercial of a program sponsor where the person or entity is identified and such mention or "plug" otherwise complies with the Communications Act and applicable FCC Rules, is prohibited.
7. No Lotteries. Announcements giving any information about lotteries or games prohibited by Federal or State law or regulation are prohibited.

8. No "Dream Books". References to "Dream Books", the "Straight Line", or other direct or indirect descriptions or solicitations relative to the "Numbers Game", or the "Policy Game", or any other form of gambling prohibited under local, State, or Federal law are prohibited.

9. Election Procedures. At least ninety (90) days before the start of any primary or regular election campaign, Programmer will clear with Licensee the rate Programmer will charge for the time to be sold to candidates for the public office and/or their supporters to make certain that the rate charged conforms to the applicable law and Station policy.

10. Required Announcements. Programmer shall broadcast (i) an announcement in a form satisfactory to Licensee at the beginning of each hour to identify the Station, (ii) an announcement at the beginning and end of each program to indicate that program time has been purchased by Programmer, and (iii) any other announcement that may be required by law, regulation, or Station policy adopted from time to time by Licensee.

11. Credit Terms Advertising. Pursuant to rules of the Federal Trade Commission, no advertising of credit terms shall be made over the Station beyond mention of the fact that, if desired, credit terms are available.

12. Commercial Record Keeping. Programmer shall not receive any consideration in money, goods, services, or otherwise, directly or indirectly, from any person or company for the presentation of any programming over the Station without reporting the same in advance to and receiving the prior written consent of Licensee, given or withheld in its discretion. No commercial messages ("plugs") or undue references shall be made in programming presented over the Station to any business venture, profit making activity, or other interest (other than noncommercial announcements for bona fide charities, church activities, or other public service activities) in which Programmer (or anyone else) is directly or indirectly interested without the advance written consent of Licensee, given or withheld in its discretion, and such broadcast being announced, logged, and sponsored.

13. No Illegal Announcements. No announcements or promotion prohibited by Federal or State law or regulation of any lottery or game shall be made over the Station. Any game, contest, or promotion relating to or to be presented over the Station must be fully stated and explained in advance to Licensee, which reserves the right in its sole discretion to reject any game, contest, or promotion.

14. Discretion Paramount. In accordance with Licensee's responsibilities under the Communications Act of 1934, as amended, and the rules and regulations of the Federal Communications Commission, Licensee reserves the right to reject or terminate any advertising proposed to be presented or being presented over the Station which is in conflict with Station policy or which in Licensee's sole judgment would not serve the public interest.

15. Programming Prohibitions. Programmer shall not broadcast any of the following programs or announcements:

- (a) False or unwarranted claims for any product or service.
- (b) Infringements of any advertiser's or other person's rights through plagiarism or unfair imitation of either program idea or copy, or any other unfair competition.
- (c) Any disparagement of competitors or competitive goods.
- (d) Any programs or announcements that are slanderous, obscene, profane, vulgar, repulsive or offensive, either in theme or treatment.
- (e) Any price mentions except as permitted by Licensee's policies current at the time.
- (f) Any testimonials which cannot be authenticated.
- (g) Any continuity which describes in a repellent manner internal bodily functions or symptomatic results of internal disturbances, and no reference to matters which are not considered acceptable topics in a social setting.
- (h) Any advertising matter or announcement which may, in the opinion of Licensee, be injurious or prejudicial to the interests of the public, the Station, or honest advertising and reputable business in general.
- (i) Any other programming or broadcast that is prohibited under the terms of the LMA itself.
- (j) Licensee may in writing waive any of the foregoing regulations in specific instances if, in its opinion, good broadcasting in the public interest is served.

Programmer acknowledges and agrees that (a) it is solely responsible for determining whether any matter or action by it complies with the Act, the FCC Rules, or other applicable ordinances, regulations, or laws (collectively, the "Laws"); (b) any review by Licensee of any matter presented for its consent, approval, or other action shall be for Licensee's own purposes, and any consent or approval, if given, or any failure by Licensee to reject, terminate, or otherwise act with respect to any matter or activity shall not constitute a representation or other assurance that such matter or activity complies with the Laws; and (c) any consent or approval by Licensee or any failure to reject, terminate, or take any other action shall not limit Programmer's obligation to indemnify and hold Licensee harmless as provided in the LMA.
