

Section 307(b) Showing
ADD: 300C Meadview, AZ
DELETE: 300C Laughlin, NV
and
ADD: 272C1 Laughlin, NV
DELETE: 272C Lake Havasu City, AZ

The instant application is being contemporaneously and contingently filed with 301 Applications submitted by the following parties:

Yavapai Broadcasting Corporation (“Yavapai”), licensee of KQST(FM) Sedona, AZ
Smoke and Mirrors, LLC (“Smoke”), licensee of KFTT(FM) Bagdad, AZ
RBG Licenses of Las Vegas, LLC (“RBG”), licensee of KVGS(FM) Laughlin, NV
Steven M. Greeley (“Greeley”), licensee of KJJJ(FM) Lake Havasu City, AZ

In its application, Yavapai proposes to modify the antenna site coordinates of KQST(FM) and downgrade from Channel 275C to 275C0. In order for the KQST(FM) change to occur, Smoke proposes a Channel Substitution for KFTT(FM) of Channel 299C3 in place of Channel 276C3. In order for the KFTT(FM) channel change to occur, RBG proposes to change KVGS(FM)’s community of license from Laughlin, NV, to the currently unserved community of Meadview, AZ, and modify both its reference coordinates and its antenna site coordinates. In order for to provide continuing local transmission service at Laughlin, NV, upon KVGS(FM)’s community change to Meadview, Greeley proposes that KJJJ(FM) shall, first, change its community of license from Lake Havasu City, AZ, to Laughlin, NV, modify its reference coordinates and antenna site, and upgrade from Channel 272C2 to mutually exclusive Channel 272C1. Consequently, each of the four applications is contingent upon the others.

Collectively, the set of contingent applications represents two community changes subject to Section 307(b). Channel 300C will be deleted from Laughlin, Nevada, and mutually exclusive Channel 300C will be added at Meadview, Arizona, for use by KVGS(FM). To replace KVGS(FM)’s vacating sole local transmission service at Laughlin, Channel 272C2 will

be deleted from Lake Havasu City, Arizona, and mutually exclusive Channel 272C1 will be added to Laughlin for use by KJJJ(FM).

Neither KVGS(FM)'s current nor proposed 70 dBu contour covers more than 50% of the Las Vegas, Nevada, Urbanized Area as defined by the U.S. Census. The same is true for the current and proposed 70 dBu contours for KJJJ(FM). Consequently, the instant applications do not represent a migration of radio service from rural areas to urban areas and, thus, do not require Tuck showings. *See Headland, Alabama and Chattahoochee, Florida*, 10 FCC Rcd 10352(1995). Nonetheless, Exhibit 1 demonstrates that the community of Meadview, Arizona, is a unique community independent of the Las Vegas Urbanized Area and is deserving of its first local transmission service.

Since Lake Havasu City, Arizona, shall retain the six fulltime services of KRRK(FM), KZUL(FM), KRCY(FM), KAIH(FM), KNLB(FM), and KNTR(AM), the instant proposal represents removing Lake Havasu City's seventh local transmission service in favor of providing first local transmission service at the community of Meadview (population 867) triggering Priority Three of the Commission's Allotment Priorities. The number of services serving Laughlin, Nevada, will remain the same as Greeley proposes to delete Channel 272C2 from Lake Havasu City, AZ, and add Channel 272C1 at Laughlin prior to KVGS(FM) discontinuing its service to Laughlin.

As can be seen in Exhibit 2, attached hereto, the theoretical 70 dBu Class C circle contour for Channel 300C at Meadview, AZ, with reference coordinates at N35-57-45, W114-20-32, fully encompasses the community of Meadview. Exhibit 3 is a Gain/Loss study demonstrating that when Channel 300C is deleted from Laughlin and added to Meadview, a net gain in population of 716,432 persons will result. Exhibit 4 is a Laughlin, Nevada, remaining services study demonstrating that a small amount of white area devoid of population will be created as a result of the community change. However, some gray area containing 102 persons will be created as a result of the change under Priority Two. Since Priority Two and Priority Three are given co-equal weight, the creation of first local transmission service to Meadview's 867 residents under Priority Three is favored over maintaining second aural service to the de minimis

population of 102 persons under Priority Two in furthering the Commission's Allotment Priorities.

As can be seen in Exhibit 5, attached hereto, the theoretical 70 dBu Class C circle contour for Channel 272C1 at Laughlin, NV, with reference coordinates at N34-52-19, W114-25-32, fully encompasses the community of Laughlin. Exhibit 6 is a Gain/Loss study demonstrating that when Channel 272C2 is deleted from Lake Havasu City, AZ, and mutually exclusive Channel 272C1 is added to Laughlin to replace KVGS(FM)'s vacating service, a net gain in population of 90,087 persons will result. Exhibit 7 is a Lake Havasu City, Arizona, remaining services study demonstrating that no white or gray area will be created as a result of the community change.

Since the proposal triggers Priority Three and provides first local transmission service to Meadview's 867 residents and an additional aural service to 806,519 residents in Nevada, Arizona, and California under Priority Four at the expense of creating gray area to a *de minimis* population of 102 persons, they clearly further the Commission's Allotment Priorities.

Respectfully Submitted,

Kevin Terry
Consulting Engineer
January 22, 2007

The town of Meadview is a rural community located in Mohave County at the natural end of the Grand Canyon National Park as the Colorado River flows into Lake Meade. Meadview is the only community located within the Lake Meade National Recreation Area. According to Suzann Newell, Secretary of the Meadville Area Chamber of Commerce, the population of Meadview is approximately 867. The U. S. Post Office associates ZIP Code 86444 with Meadview, and operates the Meadview Main Post Office. Meadview also has its own local volunteer fire department offering fire, rescue EMS and other services to area residents. Meadview is home to the Meadview Baptist Church and Meadview Community Church. *See Exhibit 1.*

Meadview is home to a variety of businesses and commercial establishments. Some of these businesses identify with the community by using “Meadview” in their name, for example: Meadview Lake Realty, Meadview Lake Motel, Meadview Market, Meadville RV Park and Meadville Sand & Gravel. Other local businesses include the Canyon End Motel, Ace Hardware, Actions Builders Supplies, Crow’s Nest Restaurant, Ken’s Pizza Plus and Sharpe Pest Control. Among the civic associations located in Meadview are the Meadview Chamber of Commerce and a Veterans of Foreign Wars Post. Meadview events include an annual car show. The Mohave County Library System has operated the Meadview Community Library since 1989. The library is open three days a week and has a collection of over 4,000 items, including

audio cassettes, books, newspapers and video cassettes. Located in Meadview, Pearce Fairy Airport serves the community and is owned by the National Park Service. *See Exhibit 1.*

A grant of this application is in the public interest because Meadview, Arizona will receive its first local service.
