COLUMBIA, SOUTH CAROLINA
ARBITRON/BIA MARKET REVIEW

2. As shown on Exhibit #1, there are thirty AM and FM (commercial and non-commercial) stations listed in the Columbia, South Carolina Arbitron Market (Market #86). Pursuant to §73.3555 of the Commission's rules, RTN would hold attributable interest in two FM broadcast signals in the market. The number of stations in the Columbia, South Carolina falls in the thirty through forty-four station tier of §73.3555(a)(1)(ii) of the Commission's rules. At this level, common ownership or control of up to seven stations, with no more than four in the same service, is permissible. Therefore, the proposed assignment of WWNU to RTN would be in compliance in the rated Columbia, South Carolina Market.

3. The foregoing technical statement was prepared on behalf of Radio Training Network, Inc., by Graham Brock, Inc., its Technical Consultants. All information contained

herein is true and accurate to the best of our belief and knowledge. All data relating to AM and FM facilities in the relevant BIA/Arbitron market was determined using the BIA Financial Network, Inc.
