

### **MULTIPLE OWNERSHIP SHOWING**

CBS Radio Stations Inc. (“CBS Radio”) hereby demonstrates that grant of the instant application will be fully consistent with the Commission’s local radio multiple ownership rule. By this application, CBS Radio proposes to relocate the antenna for KXNT(AM), North Las Vegas, Nevada, Facility ID No. 33068. Grant of the application will not create new or increased concentration of ownership among commonly owned, operated or controlled media properties. KXNT(AM) has been, and will remain, in the Las Vegas, Nevada Arbitron Market.

The Commission’s local radio multiple ownership rule provides that in markets with between 35 and 44 full-power, commercial and noncommercial radio stations, one party may have a cognizable interest in licenses for not more than seven commercial radio stations, no more than four of which are in the same service (AM or FM). 47 C.F.R. § 73.3555(a)(1)(ii). The Commission defines the relevant market to be the “Arbitron Metro,” in those markets so designated by Arbitron. *See 2002 Biennial Regulatory Review – Review of the Commission’s Broadcast Ownership Rules and Other Rules Adopted Pursuant to Section 202 of the Telecommunications Act of 1996*, 18 FCC Rcd 13620, 13712-13 (2003).

For purposes of the local radio ownership rule, KXNT(AM), which is licensed to North Las Vegas, Nevada, is deemed to be a part of the Las Vegas, Nevada Arbitron Metro. According to BIA Research, Inc.’s *Media Access Pro* database as of February 11, 2008 (*see the attached FCC Geographic Market Definition Report for the Las Vegas Metro*), there are 44 full-power, commercial and noncommercial radio stations licensed

to communities within the Las Vegas Metro or which Arbitron designates as “home” to the Las Vegas Metro. Accordingly, the current local radio ownership rule permits CBS Radio to have a cognizable interest in up to seven commercial radio stations (with four in the same service) in the Las Vegas Metro. As shown on the attached *FCC Geographic Market Definition Report for Las Vegas, NV*, CBS Radio has a cognizable interest in six commercial radio stations (4 FM stations, and 2 AM stations (KKJJ(FM); KLUC-FM; KMXB(FM); KSFN(AM), KXNT(AM); and KXTE(FM)) in the Las Vegas Metro, and will continue to have a cognizable interest in six commercial radio stations (4 FM stations and 2 AM stations) upon a grant of the instant application.

For the reasons set forth herein, a grant of this application is fully consistent with the local radio ownership rule.
