

Exhibit 10

As explained in greater detail in Exhibit 2, Attachment A, the Davis Family Trusts hold 100% of the votes and approximately 50% of the total assets of Davis Clarksburg. The percentage of votes and percentage of total assets held by each of the Davis Family Trusts in the entities in the Davis Clarksburg also are set forth in Exhibit 2, Attachment A.

This application seeks Commission consent to the transfer of control of Davis Clarksburg from Marvin Davis, as trustee of the Davis Family Trusts, to the new trustees of those trusts, collectively, as identified in Exhibit 2. No other changes in ownership are proposed. As a consequence, the interest of each of the Davis Family Trusts in Davis Clarksburg will remain the same. The only change proposed herein is the identity of the trustees of those trusts, who will exercise the voting interests associated with those trusts.
