Subject: Request for program test authority for WLKB, Bay City, MI - License application BLED-20061222AAS

This e-mail is in response to license application BLED-20061222AAS, which requests the grant of program test authority for WLKB (FM), Bay City, MI. EMF includes exhibits to show that the constructed directional operation complies with the Commission's rules and policies.

Consequently, by this e-mail, program test authority IS GRANTED to permit WLKB (FM) to operate at an effective radiated power of 50.0 kW ERP (circularly polarized) with the facilities authorized in construction permit BMPH-20060714ACD.

This authorization is being sent by e-mail in lieu of a letter for the same purpose in order to get this authority to you as soon as possible. Please print a copy of it and keep it with the station's records. The grant of this program test authority will also be noted in the FCC's CDBS database.

In addition, on January 17, 2007 the staff approved the licensee's request to operate WLKB (FM) as a satellite of KLVR, Santa Rosa, CA.
