

Statement of Certifying Engineer

Project Name: KJMA 89.7 Floresville (previously KWCB)

Pursuant to section 73.1690, subpart (C), subpart (2), subpart (v), the MP-6C-DA ERI antenna was installed on the KJMA tower in accordance with the manufacturer's specifications in all respects and the antenna orientation was determined by a licensed surveyor.

I have been gainfully employed as a full-time broadcast engineer for the entire duration of the last 20 years, the last 15 years as chief engineer for 4 FM and 2 directional AM stations in San Antonio, Texas. As a contract broadcast engineer, I have supervised the installation of many FM antennas, including FM directional antennas that were successfully licensed by the FCC and are still operational as of this date.

All statements, herein, are true and correct to the best of my knowledge and belief.
