Consolidated Request for Extension of Time to Respond
to Operational Status Inquiry Dated February 18, 2020

Dear Mr. Tepper,

On March 30, 2020, we received your consolidated request on behalf of RWave, LLC, Radio 95, Inc., Amanda P. Friedman, JKC Communications of the Virgin Islands, Inc. and Clara Communications Corporation requesting an extension of time until May 1, 2020, to respond to our Operational Status Inquiry (OSI). You also note that these stations are filing requests for special temporary authority (STA) to operate at variance from their licensed parameters.

. Your request is based on delays caused by the COVID-19 coronavirus (COVID-19). This request is granted. However, any requests for STA will be held in abeyance until the OSI response is filed and reviewed by staff.

When you file your response(s), include a cover letter addressed to Marlene S. Dortch, Secretary, FCC, 445 12 St, S.W., Washington, D.C. 20554, and email the document(s) to Victoria McCauley at Victoria.McCauley@fcc.gov. Any questions can also be directed to Ms. McCauley.

Sincerely,
Albert Shuldiner
