

**THE POWER FOUNDATION
EDUCATIONAL OBJECTIVES AND PURPOSE**

The Power Foundation (“TPF”) is a South Carolina non-profit corporation which seeks to provide educational and religious programming to the communities it serves. TPF’s objective is to provide a variety of spiritual programming in order to educate and enrich the lives of its listeners. TPF will predominantly broadcast Christian talk radio which will include Biblical teaching and instruction, sermons by regarded pastors and evangelists, as well as commentary on current social issues facing families and individuals. TPF certifies that it will be responsive to the needs of residents within the local community of license and commits to broadcasting religious and educational programming that addresses issues directly impacting its listeners.
