Combined Univision National Audience Reach- 23.16%¹

*WHSI-TV operates as a satellite of WHSE-TV.

** Calculated in accordance with Section 73.3555(e)(2)(i) of the Commission's rules.

¹ UCI is also the proposed transferee of WSUR-TV, Ponce, Puerto Rico, and WLII-TV Caguas, Puerto Rico. Nielsen market data regarding the national audience reach for Puerto Rico is unavailable, however, based on current data from an alternative source, Puerto Rico has 1,222,115 television households. Thus, including Puerto Rico, UCI will have a national audience reach of 24.07% of U.S. television households.
